Shadow Working in Project Management Joana Bértholo, 2017-07-06 Shadow Working in Project Management aims at contributing to our knowledge of all things unconscious and irrational in our behaviour It takes the form of an empirical research and therefore addresses mostly the tools and techniques available to get in touch with Shadow aspects of self and collective to recognize how it manifests how it can lead to conflict and ways to address it From that perspective it advances on to question the underlying beliefs of current management practices It explores as well the inherent need for control in projects being those of a professional nature or other ventures It challenges the strength of the concept of the rational man and its protagonism Joana Bértholo's work explores the role and nature of the Shadow in the context of projects and their management with an emphasis on techniques to address it Despite being directed to managers and dedicated to the analyses of the managerial discourse the tools and processes it proposes have universal relevance based on the fact that the Shadow is everywhere within everyone from the individual to the global scale

TempleUVUP Vampyrian Shadow Book Jp Vanir, 2010-07-30 The Vampyrian belief is that most religions are based in their understandings of truth and are not complete truth or lies just what people understand but nothing is absolute Most religions make people feel good that someone may be up there taking care of them if anything goes wrong they need not fear because someone up there will make it OK That is good for most to keep them from worrying over small things since most people tend to do that However it takes away your personal power which you can develop on your own especially if you are other kin Vampyres fea and such Our spirituality is that we have very Spiritual souls as Vampyres This is my third book since 2006 in the Vampyrian Collection but the other two were the
