

Shadows

By Maya Anthony

In the silent hush they slide,
Whispers of a world beside,
Darkened patterns on the floor,
Quiet secrets, nothing more.

Fleeting memories they trace,
Mirroring a hidden face,
Moving with a dancer's grace,
In life's ever-spinning mace.

Every sunbeam's gentle touch,
Creates shadows, dark and such,
Yet within their subtle rush,
Lies a world, so soft and hush.

whose functions forms and effects have not yet gained the serious consideration they merit Drawing on literature philosophy and psychoanalysis and combining a personal story with theoretical interventions Double Trouble develops a novel understanding of the double and human subjectivity in the last two centuries It begins with the singular and narcissistic double of Romanticism and gradually moves to the multiple doubles implicated by Postmodernism The double is what defies unicity and opens up the subject to multiplicity Consequently it gradually emerges as a bridge between the I and the Other identity and difference philosophy and literature theory and praxis In Byron's Shadow David Ernest Roessel,2002 In Bryon s Shadow draws on a wide range of sources to create a model for literary history that synthesizes literary investigation and cultural studies to develop a fuller understanding of the historical forces influencing the Anglo American conception of modern Greece Jacket **Secret Histories** David Wyatt,2010-11-01 Secret Histories claims that the history of the nation is hidden in plain sight within the pages of twentieth century American literature David Wyatt argues that the nation s fiction and nonfiction expose a secret history that cuts beneath the straight histories of our official accounts And it does so by revealing personal stories of love work family war and interracial romance as they were lived out across the decades of the twentieth century Wyatt reads authors both familiar and neglected examining double consciousness in the post Civil War era through works by Charles W Chesnutt W E B Du Bois and Booker T Washington He reveals aspects of the Depression in the fiction of F Scott Fitzgerald Anzia Yezierska and John Steinbeck Period by period Wyatt s nuanced readings recover the felt sense of life as it was lived opening surprising dimensions of the critical issues of a given time The rise of the women s movement for example is revived in new appraisals of works by Eudora Welty Ann Petry and Mary McCarthy Running through the examination of individual works and times is Wyatt s argument about reading itself Reading is not a passive activity but an empathetic act of cocreation what Faulkner calls overpassing to love Empathetic reading recognizes and relives the emotional cultural and political dimensions of an individual and collective past And discovering a usable American past as Wyatt shows enables us to confront the urgencies of our present moment **Oxford public library. Catalogue of the books in the lending department. [With] Suppl. catalogue, to Nov. 1897** James Lockhart Dougan,1896 *The Call* Bhavy,2023-12-11 In a world where secrets have a way of lurking in the shadows The Conspirators Pursuit takes readers on a thrilling journey into a web of intrigue mystery and suspense This riveting tale unfolds within the enigmatic confines of the Raven s Hollow House a mansion shrouded in history and riddled with long protected secrets At the heart of this compelling story are our tenacious protagonists Sarah and Mark whose lives are forever altered by a single mysterious call As they delve deeper into the rabbit hole of cryptic poems hidden treasures and dark conspiracies the line between their world and the enigmatic history of the mansion blurs immersing readers in an exhilarating narrative *The Secrets of an Aborted Decolonisation* Carlson Anyangwe,2010-10-08 A remarkable feature of the collapse of the British Empire is that the British departed from almost every single one of their colonial territories invariably leaving behind a messy situation and an

agenda of serious problems that in most cases still haunt those territories to this day One such territory is the Southern British Cameroons There the British Government took the official view that the territory and its people were expendable It opposed for selfish economic reasons sovereign statehood for the territory in clear violation of the UN Charter and the norm of self determination It transferred the Southern Cameroons to a new colonial overlord and hurriedly left the territory The British Governments bad faith duplicity deception wheeling and dealing and betrayal of the people of the Southern Cameroons is incredible and defies good sense Ample evidence of this is provided by the declassified documents in this book Among the material are treaties concluded by Britain with Southern Cameroons coastal Kings and Chiefs and the boundary treaties of the Southern Cameroons treaties defining the frontiers with Nigeria to the west and the frontier with Cameroun Republic to the east The book contains documents that attest to the Southern Cameroons as a fully self governing country ready for sovereign statehood These include debates in the Southern Cameroons House of Assembly and the various Constitutions of the Southern Cameroons The book also reproduces British declassified documents on the Southern Cameroons covering the three critical years from 1959 to 1961 documents which speak to the inglorious stewardship of Great Britain in the Southern Cameroons This book removes lingering doubts in some quarters that the people of the Southern Cameroons were cheated of independence Its contents are further evidence of their inalienable right and sacred duty to assert their independence No one who reads this book can possibly be indifferent to the just struggle of the Southern Cameroons for sovereign statehood

The Fags and Other Poems William Moore,1912 **Romancing the Shadow** J. Gerald Kennedy,Liliane Weissberg,2001 Poe promulgated racist stereotyps in his depictions of black servants yet he complicated these stereotypes with veiled subversive implications These essays debate Poe s role in inventing the African of the white imagination Public Faces, Secret Lives Wendy L. Rouse,2024-03 Over one hundred years ago women organized to fight for a federal suffrage amendment But many suffragists were fighting for much more than the vote The suffrage movement included individuals who represented a wide range of genders and sexualities It also included a variety of queer relationships But suffrage leaders concerned with presenting a respectable public image concealed the queerness of the suffrage movement This resulted in greater policing of suffragist behavior as suffrage leaders many of them queer themselves publicly conformed to gendered views of acceptable appearance and behavior The problematic effect was to erase the queer history of the movement Instead suffrage leaders reinforced a patriarchal heteronormative cisgender standard of ideal femininity in order to make suffragists and women s suffrage more palatable to the public The legacy of queer suffragists however could not be so easily erased This book explores how queer women led the suffrage movement while challenging heteronormative concepts of domesticity family space and death in both subtly subversive and radically transformative ways This book also highlights the alliances that queer suffragists built and the innovative strategies they developed to protect and preserve their most intimate relationships relationships that were ultimately crucial to the success

of the suffrage movement Provided by publisher Birds, Birds, Birds: A Comparative Study of Medieval Persian and English Poetry, especially Attar's Conference of Birds, The Owl and the Nightingale, Chaucer's The Parliament of Fowls and The Canterbury Tales Somayeh Baeten, 2021-02-11 Somayeh Baeten ne Shafiei is a German citizen born in Tehran in 1981 She was raised in a caring Persian family with her beloved mom Soosan who inspired and supported her devotedly through all stages of life to whom this book is devoted After finishing school Somayeh as a talented student finished her Bachelors and Masters in English Language and Literature in her hometown She came later to Germany to continue her studies and received her Dr Phil Ph D in English Linguistics and Medieval Literature from Ludwig Maximilian University of Munich In Munich she got to know her dear husband Andre and later gave birth to her lovely daughter Niki Since 2005 she has been teaching classes in English Linguistics and Literature at universities in both her hometown Tehran and Munich Moreover she has experienced Establishing and Organizing EFL Learning Centres at Universities in her hometown Being motivated in her academic life and interested in both Persian and English literature reading literary books lecturing translating and travelling around the world she got a deep understanding and knowledge of literature to write the present book Birds Birds Birds A Comparative Study of Medieval Persian and English Poetry especially Attar s Conference of Birds The Owl and the Nightingale Chaucer s The Parliament of Fowls and The Canterbury Tales in which she compares these medieval literary masterpieces of the East and the West **Poetry's Afterlife** Kevin Stein, 2011-02-16 Poetry lives on in the digital age

Religion and Poetry Robert Montgomery, 1847 The Shadow of the Precursor Nena Bierbaum, 2011-10-18 A shadow in its most literal sense is the projection of a silhouette against a surface and the obstruction of direct light from hitting that surface For writers and artists the shadows cast by their precursors can be either a welcome influence one consciously evoked in textual production via homage or bricolage or can manifest as an intrusive haunting prohibitive presence one which threatens to engulf the successor Many writers and artists are affected by an anxious and ambiguous relationship with their precursors while others are energised by this relationship The role that intertextuality plays in creative production invites interrogation and this publication explores a range of conscious and unconscious influences informing relations between texts and contexts between predecessors and successors The chapters revolve around intertextual influence ranging from conscious imitation and intentional allusion to Julia Kristeva s idea of intertextuality Do all texts contain references to and even quotations from other texts Do such references help shape how we read This multidisciplinary work includes chapters on the long shadows cast by Shakespeare Dante Scott Virgil and Ovid the shadows of colonial precursors on postcolonial successors the shadows cast over Kipling and Murdoch and chapters on other writers dramatists and filmmakers and their relationships with precursor figures With its focus on intertextual relationships this book contributes to the thriving fields of adaptation studies and studies of intertextuality **The Publishers' Trade List Annual** , 1918
