Zaner,2012-12-06 Phenomenology in the United States is in a state of ferment and change Not all the changes are happy ones however for some of the most prominent philosophers of the first generation of phenomenologists have died in 1959 Alfred Schutz and within the past two years John Wild Dorion Cairns and Aron Gurwitsch These thinkers though often confronting a hostile intellectual climate were nevertheless persistent and profoundly influential through their own works and through their students The two sources associated with their names The Graduate Faculty of The New School for Social Research and the circle around John Wild first at Harvard and later at Northwestern and Yale produced a sizable portion of the now second generation American phenomenological philosophers In a way it was the very hostility of the American philosophical milieu which became an important factor in the ferment now taking place Although the older first generation phenomenologists were deeply conversant with other philosophical movements here and abroad their efforts at meaningful dialogue were largely ignored Determined not to remain isolated from the dominant currents of Anglo American philosophy in particular the second generation opened the way to a dialogue with analytic philosophers especially through the efforts of the Society for Phenomenology and Existential Philosophy led by 2 INTRODUCTION such men as James M Edie and Hubert Dreyfus and in other respects Herbert Spiegelberg and Maurice Natanson *Shadow Blade* Seressia Glass,2010-01-26 For Kira Solomon normal was never an option Kira's day job is as an antiquities expert but her true calling is as a Shadowchaser Trained from youth to be one of the most lethal Chasers in existence Kira serves the Gilead Commission dispatching the Fallen who sow discord and chaos Of course sometimes Gilead bureaucracy is as much a thorn in her side as anything the Fallen can muster against her Right now though she's got a bigger problem Someone is turning the city of Atlanta upside down in search of a millennia old Egyptian dagger that just happens to have fallen into Kira's hands Then there's Khifar the dagger's true owner a near immortal 4 000 year old Nubian warrior who Kira has to admit looks pretty fine for his age Joining forces is the only way to keep the weapon safe from the sinister Shadow forces but now Kira is in deep with someone who holds more secrets than she does the one person who knows just how treacherous this fight is Because every step closer to destroying the enemy is a step closer to losing herself to Shadow forever **Lighting Essentials** Don

Giannatti,2011-10-01 Encouraging photographers to take a subject oriented approach to lighting this manual shows it is possible to make better decisions about both the technical and artistic aspects of lighting It teaches how to identify qualities the subject possesses that the light will react with and how to use this knowledge to create perfect photographs Through a variety of amply illustrated shoots the book explains how to approach each image from the perspective of controlling the subject's appearance to match the photographer's vision for the picture This comprehensive guide covers such topics as the benefits and drawbacks of various lighting tools the effect of light placement and controlling lighting ratios Designed for

intermediate to advanced photographers it illustrates techniques for using light as a tool to capture the subject in the best possible manner

**The Routledge Handbook of Classics and Queer Theory** Ella Haselswerdt, Sara H. Lindheim, Kirk Ormand, 2023-09-29 New directions in queer theory continue to trouble the boundaries of both queerness and the classical leading to an explosion of new work in the vast and increasingly uncharted intersection between these disciplines which this interdisciplinary volume seeks to explore This handbook convenes an international group of experts who work on the classical world and queer theory The discipline of Classics has been involved with and implicated in queer theory from the start By placing front and center the rejection of heteronormativity queer theory has provided Classics with a powerful tool for analyzing non normative sexual and gender relations in the ancient West while Classics offers queer theory ancient material such as literature visual arts and social practices that challenges a wide range of modern normative categories The collection demonstrates the vitality of this particular moment in queer classical studies featuring an expansive array of methodologies applied to the interdisciplinary field of Classics Embracing the indeterminacy that lies at the core of queer studies the essays in this volume are organized not by chronology or genre but rather by overlapping categories under the following rubrics queer subjectivities queer times and places queer kinships queer receptions and ancient pasts queer futures The Routledge Handbook of Classics and Queer Theory offers an invaluable collection for anyone working on queer theory especially as it applies to premodern periods it will also be of interest to scholars engaging with the history of sexuality both in the ancient world and more broadly

Shadows Roberto Casati, 2004-08-10 In this original wide ranging and endlessly thought provoking work of popular nonfiction a leading science writer uncovers the pervasive presence of shadows in our world For Plato shadows were the symbol of our limitations For Galileo they knocked the Earth from the center of the cosmos They are a source of fear and a symbol of ignorance and they loom large in art and design mythology and folklore physics and metaphysics and architecture and urban planning From shadows puppets and the psychology of shadows to the role of shadows in astronomy and the influence of shadows on the architectural profiles of our cities Roberto Casati awakens our fascination in this tour de force of investigation and imagination

The Photo-beacon ,1894 **The Shadow Stone** Richard Baker, 2012-08-14 Experience New York Times best selling author Richard Baker's classic novel set in the high fantasy world of the Forgotten Realms Accosted by bullies on a forest trail Aeron had no way of knowing that the confrontation would change his life forever Accused of a crime for which he bears no blame he is pursued deep into the forests of the Maerchwood First rescued and then tutored by the mysterious Storm Walker he discovers a previously undreamed of talent for magic and his life is swept up in the study of the arcane arts until the very principles of magic and indeed the future of Faer n come under attack from the unspeakably evil influences of the Shadow Stone

**Phantasmatic Shakespeare** Suparna Roychoudhury, 2018-10-15 Representations of the mind have a central place in Shakespeare's artistic imagination as we see in Bottom struggling to

articulate his dream Macbeth reaching for a dagger that is not there and Prospero humbling his enemies with spectacular illusions Phantasmatic Shakespeare examines the intersection between early modern literature and early modern understandings of the mind's ability to perceive and imagine Suparna Roychoudhury argues that Shakespeare's portrayal of the imagination participates in sixteenth century psychological discourse and reflects also how fields of anatomy medicine mathematics and natural history jolted and reshaped conceptions of mentality Although the new sciences did not displace the older psychology of phantasms they inflected how Renaissance natural philosophers and physicians thought and wrote about the brain's image making faculty The many hallucinations illusions and dreams scattered throughout Shakespeare's works exploit this epistemological ferment deriving their complexity from the ambiguities raised by early modern science Phantasmatic Shakespeare considers aspects of imagination that were destabilized during Shakespeare's period its place in the brain its legitimacy as a form of knowledge its pathologies its relation to matter light and nature reading these in concert with canonical works such as King Lear Macbeth and The Tempest Shakespeare Roychoudhury shows was influenced by paradigmatic epistemic shifts of his time and he in turn demonstrated how the mysteries of cognition could be the subject of powerful art

*Matthew 1-13* Manlio Simonetti, Thomas C. Oden, 2014-02-19 The Gospel of Matthew stands out as a favorite biblical text among patristic commentators including Origen Hilary of Poitiers Jerome Theodore of Heraclea Cyril of Alexandria John Chrysostom Augustine and more In this ACCS volume the rich abundance of patristic comment provides a feast of ancient interpretation of the First Gospel

**Shadow Storm** Jennifer Aitken, 2022-11-27 When an ancient dagger plunges him into a parallel dimension can a young man claim his true identity before he's slain by vicious enemies Lucius Xavier is terrified Waking from a dense mind fog with no control over the body he's occupying and being pursued by killers he feels like a spectator at his own execution Now fused with an alternate version of himself he's petrified when the powerful other's consciousness fades and leaves him at the mercy of a deadly secret society Aided by an unexpected ally Lucius clutches at his missing pieces of memory to understand why his captors believe he possesses mystic powers and the keys to Atlantis And with a prophecy claiming he's fated to save the universe he'll need to master his new abilities before the world falls to evil At war with his own being can Lucius fulfil his destiny and rescue humanity Shadow Storm is a fast paced YA fantasy If you like dark comedy exploring alternative worlds and journeys of self discovery then you'll love Jennifer Aitken's vivid adventure

The Top Books of the Year Shadows And Light Selections From In The Minds Eye The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Shadows And Light Selections From In The Minds Eye : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
