Shadows Of Imagination:

The Shadow of Creusa Anders Cullhed, 2015-04-24 Anders Cullhed's study *The Shadow of Creusa* explores the early Christian confrontation with pagan culture as a remote anticipation of many later clashes between religious orthodoxy and literary fictionality. After a careful survey of Saint Augustine's critical attitudes to ancient myth and poetry summarized as a long drawn out farewell, Cullhed examines other Late Antique dismissals as well as appropriations of the classical heritage. Macrobius, Martianus Capella and Boethius figure among the Late Antique intellectuals who attempted to save or even restore the old mythology by means of allegorical representation. On the other hand pious poets such as Paulinus of Nola and Bible epic writers such as Iuvencus or Avitus of Vienne turned against pagan lies and the mighty arch bishop of Milan Saint Ambrose played off unconditional Christian truth against the last Roman strongholds of cultural pluralism. Thus *The Shadow of Creusa* elucidates a cultural conflict which was to leave traces all through the Middle Ages and reach down to our present day.

[The Fairy Way of Writing](#) Kevin Pask, 2013-10-15 A history of popular superstitions, tales and magic in British literature. In *The Fairy Way of Writing*, Kevin Pask seeks to explain the origins and popularity of enchantment in Shakespeare's plays. Writers John Dryden and Joseph Addison originated the phrase 'fairy way of writing' to define the concept of an English creative imagination founded on a synthesis of high literary culture and the popular culture of tales and superstitions. Beginning with Chaucer, Johnson, Dryden and Milton, Pask argues that the 'fairy way of writing' not only sets the stage for the fairy tale, the Gothic novel and children's literature but also informs genres beyond the English canon including twentieth century fantasy fiction and French fairy tales. In addition to English writers and visual artists such as Pope, Blake and Keats who were directly engaged with Shakespearean fantasy, Pask also examines fairy tales, letters and paintings by the French writers Madame d'Aulnoy, Charles Perrault, Madame de Sevigné and the Swiss born artist Johann Heinrich Füssli. *The Fairy Way of Writing* alters the traditional sense of English literary history and of Shakespeare's singular place in it, insisting on the importance of often overlooked literary and visual works. It recovers a distinctive aspect of English literary culture from across the entire early modern era and beyond, one that has been studied in the context of individual periods and writers but

is only now explored in relation to the history of European nationalism and the creation of the modern literary system

Shakespeare and the World of "Slings & Arrows" Gary Kuchar, 2024-10-15 Slings Arrows starring Susan Coyne Paul Gross Don McKellar and Mark McKinney as members of the New Burbage Theatre Festival was heralded by television critics as one of the best shows ever produced and one of the finest depictions of life in classical theatre Shakespeare scholars however have been ambivalent about the series at times even hostile In Shakespeare and the World of Slings Arrows Gary Kuchar situates the three season series in its cultural and intellectual contexts More than a roman clef about Canada s Stratford Festival he shows it is a privileged window onto major debates within Shakespeare studies and a drama that raises vital questions about the role of the arts in society Kuchar reads the television show ever fluctuating between faith and doubt in the power of drama as an allegory of Peter Brook s widely renowned account of modern theatre The Empty Space mirroring Brook s distinction between holy theatre a quasi sacred vocation and deadly theatre a momentary entertainment Combining contextualized interpretations of the series with subtle formalist readings Kuchar explains how Slings Arrows participates in a broader recuperation of humanist approaches to Shakespeare in contemporary scholarship The result is a demonstration of how and why Shakespeare continues to provide not just entertainment but equipment for living
