Afghanistan ,1974 Jennifer Heath,2003-11-01 Afghanistan's Endless War Larry P. Goodson,2001 A comprehensive history of Afghan politics in the 20th century highlighting the events leading up to the Soviet military intervention in Afghanistan which effectively instigated American involvement in the region It s useful reading for anyone who wants a guide to the overall economic social cultural and political situation at the present moment New York Times Book Review **Annotated Bibliography of Afghanistan** Mohammed Jamil Hanifi,1982 Reform and Regulation of Economic Institutions in Afghanistan Haroun Rahimi,2022-10-21 Taliban s return to power in August of 2021 caused everyone to ask why the two decades of institution building in Afghanistan failed This book investigates the root causes of failed reforms in an important area of reform trade and credit institutions It explains why the efforts to reform and regulate the economic institutions in Afghanistan failed and what we can learn from their failure It draws on more than eighty interviews with Afghan merchants business leaders money dealers and government officials in five major provinces of Afghanistan to identify the barriers to access to credit and to understand the performance of formal institutions banks and their informal counterparts This book finds that Afghan merchants were often unable to benefit from the offerings of formal institutions for three reasons a highly volatile business climate uncertain contract enforcement and an unsupportive property rights system Several informal institutions have emerged that alleviate some of the credit constraints on Afghan merchants These informal institutions include risk sharing trade credit operations money dealers short term working capital loans Gerawee and Sarqufli Although these informal institutions have helped Afghan merchants survive they are unable to support economic growth This book argues that countries like Afghanistan should solve their institutional dilemma by adopting an approach which the author calls Grounded Institutional Reform Using this approach a country would formalize existing informal institutions a development that would vastly increase their effectiveness While this book focuses on credit and trade in Afghanistan the analysis of formalizing the informal can easily be extended to solve other types of economic problems in similarly situated countries This book should be of great interest to scholars policymakers and development workers in the field of law finance and development **A Catalog of the Louis and Nancy H. Dupree Collection** Avinash C. Maheshwary,1994
