

SHAFTESBURY AND THE CULTURE OF POLITENESS

Moral discourse and cultural politics in
early eighteenth-century England

Lawrence E. Klein

Shaftesbury And The Culture Of Politeness

Paula R. Backscheider

Shaftesbury And The Culture Of Politeness:

Shaftesbury and the Culture of Politeness Lawrence E. Klein, 1994-02-25 The third Earl of Shaftesbury was a pivotal figure in eighteenth century thought and culture Professor Klein's study is the first to examine the extensive Shaftesbury manuscripts and offer an interpretation of his diverse writings as an attempt to comprehend contemporary society and politics and in particular to offer a legitimation for the new Whig political order established after 1688 As the focus of Shaftesbury's thinking was the idea of politeness this study involves the first serious examination of the importance of the idea of politeness in the eighteenth century for thinking about society and culture and organising cultural practices Through politeness Shaftesbury conceptualised a new kind of public and critical culture for Britain and Europe and greatly influenced the philosophical and cultural models associated with the European Enlightenment

Shaftesbury and the culture of politeness Lawrence E. Klein, 1994

Polite Anarchy in International Relations Theory Z. Kazmi, 2012-11-09 An innovative re-evaluation of the concept of anarchy in theorizing diplomacy between states which draws on a historically sensitive re-evaluation of the ideological uses of politeness in the anarchist thought of William Godwin

Men and the Emergence of Polite Society, Britain 1660-1800 Philip (Research Editor, New Dictionary Of National Biography) Carter, 2014-07-30 This book presents an account of masculinity in eighteenth century Britain In particular it is concerned with the impact of an emergent polite society on notions of manliness and the gentleman From the 1660s a new type of social behaviour politeness was promoted by diverse writers Based on continental ideas of refinement it stressed the merits of genuine and generous sociability as befitted a progressive and tolerant nation Early eighteenth century writers encouraged men to acquire the characteristics of politeness by becoming urbane town gentlemen Later commentators promoted an alternative culture of sensibility typified by the man of feeling Central to both was the need to spend more time with women now seen as key agents of refinement The relationship demanded a reworking of what it meant to be manly Being manly and polite was a difficult balancing act Refined manliness presented new problems for eighteenth century men What was the relationship between politeness and duplicity Were feminine actions such as tears and physical delicacy acceptable or not Critics believed polite society led to effeminacy not manliness and condemned this failure of male identity with reference to the fop This book reveals the significance of social over sexual conduct for eighteenth century definitions of masculinity It shows how features traditionally associated with nineteenth century models were well established in the earlier figure of the polite town dweller or sentimental man of feeling Using personal stories and diverse public statements drawn from conduct books magazines sermons and novels this is a vivid account of the changing status of men and masculinity as Britain moved into the modern period

Opera and Politics in Queen Anne's Britain, 1705-1714 Thomas McGeary, 2022 Explores the political meanings that Italian opera its composers agents and institutions had for audiences in eighteenth century Britain The reign of Queen Anne 1702 1714 was pivotal for both politics and opera in Britain In this study Thomas McGeary brings together a wide

range of sources to show how the worlds of politics and opera were entwined The associations that Italian singing and singers acquired by the 1690s were used in partisan Whig Tory writings Rather than a foreign invasion McGeary shows how the introduction of Italian style opera was a native product that grew out of plans for a new theatre in the Haymarket A crucial event for opera was Handel s arrival in London in 1710 While the criticism of opera by Whig writers such as Richard Steele and Joseph Addison is well known McGeary uncovers how the early promotion and sponsorship of opera was in fact largely a Whig enterprise and cultural program Indeed major political figures mostly Whigs participated in the support and patronage of opera Opera and Politics in Queen Anne s Britain will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period nage of opera Opera and Politics in Queen Anne s Britain will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period nage of opera Opera and Politics in Queen Anne s Britain will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period

"Cultures of Whiggism" David Womersley,Paddy Bullard,Abigail Williams,2005 In the preface to his edition of Shakespeare Alexander Pope noted that his age was one of Parties both in Wit and State Much scholarship has been devoted to the complexities of the political parties of the eighteenth century but there has been a surprising reluctance to explore what Pope implied were the corollaries of those parties namely parties in literature The essays collected here explore the literary culture that arose from and supported what Pitt the Elder referred to as the great spirit of Whiggism that animated English politics during the eighteenth century From the prehistory of Whiggism in the court of Charles II to the fractures opened up within it by the French Revolution in the 1790s the interactions between Whiggish politics and literature are sampled and described in groundbreaking essays that range widely across the fields of eighteenth century political prose poetry and the novel

Elizabeth Singer Rowe and the Development of the English Novel Paula R. Backscheider,2013-03-29 Elizabeth Singer Rowe played a pivotal role in the development of the novel during the eighteenth century Winner of the CHOICE Outstanding Academic Title of the Choice ACRL Elizabeth Singer Rowe and the Development of the English Novel is the first in depth study of Rowe s prose fiction A four volume collection of her work was a bestseller for a hundred years after its publication but today Rowe is a largely unrecognized figure in the history of the novel Although her poetry was appreciated by poets such as Alexander Pope for its metrical craftsmanship beauty and imagery by the time of her death in 1737 she was better known for her fiction According to Paula R Backscheider Rowe s major focus in her novels was on creating characters who were seeking a harmonious contented life often in the face of considerable social pressure This quest would become the plotline in a large number of

works in the second half of the eighteenth century and it continues to be a major theme today in novels by women Backscheider relates Rowe's work to popular fiction written by earlier writers as well as by her contemporaries Rowe had a lasting influence on major movements including the politeness or gentility movement the reading revolution and the Bluestocking society The author reveals new information about each of these movements and Elizabeth Singer Rowe emerges as an important innovator Her influence resulted in new types of novel writing philosophies and lifestyles for women Backscheider looks to archival materials literary analysis biographical evidence and a configuration of cultural and feminist theories to prove her groundbreaking argument

The Science of Sensibility: Reading Burke's Philosophical Enquiry Koen Vermeir, Michael Funk Deckard, 2011-11-08 Attracting philosophers politicians artists as well as the educated reader Edmund Burke's *Philosophical Enquiry* first published in 1757 was a milestone in western thinking This edited volume will take the 250th anniversary of the *Philosophical Enquiry* as an occasion to reassess Burke's prominence in the history of ideas Situated on the threshold between early modern philosophy and the Enlightenment Burke's oeuvre combines reflections on aesthetics politics and the sciences This collection is the first book length work devoted primarily to Burke's *Philosophical Enquiry* in both its historical context and for its contemporary relevance It will establish the fact that the *Enquiry* is an important philosophical and literary work in its own right

Women and Politeness in Eighteenth-Century England Soile Ylivuori, 2018-10-29 This first in depth study of women's politeness examines the complex relationship individuals had with the discursive ideals of polite femininity Contextualising women's autobiographical writings journals and letters with a wide range of eighteenth century printed didactic material it analyses the tensions between politeness discourse which aimed to regulate acceptable feminine identities and women's possibilities to resist this disciplinary regime Ylivuori focuses on the central role the female body played as both the means through which individuals actively fashioned themselves as polite and feminine and the supposedly truthful expression of their inner status of polite femininity

Intellectual Politics and Cultural Conflict in the Romantic Period Alex Benchimol, 2010 Building on recent studies of the Romantic public sphere Alex Benchimol provides a new reading of the period's intellectual politics based on a historically informed examination of its spaces of cultural production and modes of intellectual practice Benchimol traces the development of social criticism produced for the liberal bourgeois and radical plebeian publics in key periodicals while highlighting their cultural origins in the Scottish Enlightenment and the English radical movements of the long eighteenth century

Challenging Theocracy David Edward Tabachnick, Toivo Koivukoski, Hermínio Meireles Teixeira, 2018-01-01 Analyzing the relationship between religion and politics throughout the Middle East Africa and the United States as well as classical and medieval political philosophical sources *Challenging Theocracy* critiques the contemporary formation of theocracy and the persistence of theocratic ideas around the world

The Concept of Humanity in an Age of Globalization Longxi Zhang, 2012 Rethinking humanity as a concept in our age of globalization and its relevance to the social and political reality of our times

are the topic of this book It calls for the reclaiming of humanism as an effective response to the conflict turmoil and violence we witness in the world today Concepts of humanity and humanism have become suspect of naivete at best and guilty of bad faith and repressive ideologies at worst Yet hope for improvement is incorrigibly human the concept of humanity still holds enormous attraction to intellectuals and humanistic scholars At the same time it is important to realize that the critique of humanism is very much based on and limited to Western social and historical experience To re conceptualize humanity and humanism from a truly global perspective will help in reclaiming a more inclusive kind of humanism In this sense a cross cultural perspective is important for reclaiming humanism in our age of globalization The present volume is the result of such an effort The diversity of the authors views speaks eloquently to the complexity of the concept of humanity or what constitutes the distinctly human and therefore the necessity to have an in depth dialogue on the fate of humanity Cato's Tears and the Making of Anglo-American Emotion Julie Ellison,1999-12-15 In this ambitious account of a much expanded Age of Sensibility Julie Ellison traces the evolution of the politics of emotion on both sides of the Atlantic from the late 17th to the early 19th century **Dryden and Enthusiasm** John West,2018-01-25 In Dryden s writing enthusiasm is a source of literary authority It signals divinely inspired literary creativity It is central to Dryden s theoretical defences of the relationship between literature and the passions It is also crucial to his poetic practice in a variety of genres from odes to religious poems to translations Enthusiasm for Dryden ultimately enables literature to break into regions of knowledge beyond rational human comprehension Yet after the rise of radical sectarianism in the 1640s and 1650s where claims of inspiration legitimised challenges to established political authority enthusiasm also carried dangerous theological and political connotations In Dryden s writing enthusiasm is thus also a pejorative term It is used to attack political radicals and religious dissenters In the aftermath of the Civil Wars it is at the root of many perceived threats to the stability of the Restoration state This book explores the paradoxical place of enthusiasm in Dryden s writing and the role he conceived for it in art and society after the violent upheavals of the mid seventeenth century Works from across his oeuvre are explored from his early essays and heroic plays to his translations via new readings of his famous political and religious poems These are read alongside other major writers of the period like Milton and less well known authors such as John Dennis The book suggests new ways of conceptualising the relationship between literary practice and ideological allegiance in Restoration England It reveals Dryden to be a writer who was consistently interested in the limits of what literature could express what feelings it could provoke and what it could make people believe at a time when such questions were of uncertain political importance *English Poetry of the Eighteenth Century, 1700-1789* David Fairer,2014-10-13 In recent years the canon of eighteenth century poetry has greatly expanded to include women poets labouring class and provincial poets and many previously unheard voices Fairer s book takes up the challenge this ought to pose to our traditional understanding of the subject This book seeks to question some of the structures categories and labels that have given the age its reassuring shape

in literary history In doing so Fairer offers a fresh and detailed look at a wide range of material *Theory and Practice in the Eighteenth Century* Alexander Dick,Christina Lupton,2015-10-06 Brings together scholars who use literary interpretation and discourse analysis to read 18th century British philosophy in its historical context This work analyses how the philosophers of the Enlightenment viewed their writing and how their institutional positions as teachers and writers influenced their understanding of human consciousness **Reason of State** Thomas M. Poole,2015-07-20 An original work on the important idea of reason of state and British and imperial history and constitutional theory *Reason of State* Thomas Poole,2015-07-20 This historically embedded treatment of theoretical debates about prerogative and reason of state spans over four centuries of constitutional development Commencing with the English Civil War and the constitutional theories of Hobbes and the Republicans it moves through eighteenth century arguments over jealousy of trade and commercial reason of state to early imperial concerns and the nineteenth century debate on the legislative empire to martial law and twentieth century articulations of the state at the end of empire It concludes with reflections on the contemporary post imperial security state The book synthesises a wealth of theoretical and empirical literature that allows a link to be made between the development of constitutional ideas and global realpolitik It exposes the relationship between internal and external pressures and designs in the making of the modern constitutional polity and explores the relationship between law politics and economics in a way that remains rare in constitutional scholarship **Common Law and Enlightenment in England, 1689-1750** Julia Rudolph,2013 The book demonstrates how the common law mind was able to meet the various challenges posed by Enlightenment rationalism and civic and commercial discourse revealing that the common law played a much wider role beyond the legal world in shaping Enlightenment concepts **The Politics of Wine in Britain** C. Ludington,2016-01-12 A unique look at the meaning of the taste for wine in Britain from the establishment of a Commonwealth in 1649 to the Commercial Treaty between Britain and France in 1860 this book provides an extraordinary window into the politics and culture of England and Scotland just as they were becoming the powerful British state

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Shaftesbury And The Culture Of Politeness**

In some sort of inundated with monitors and the cacophony of instant interaction, the profound energy and psychological resonance of verbal artistry frequently disappear in to obscurity, eclipsed by the regular barrage of noise and distractions. Shaftesbury And The Culture Of Politeness Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shaftesbury And The Culture Of Politeness has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shaftesbury And The Culture Of Politeness has opened up a world of possibilities. Downloading Shaftesbury And The Culture Of Politeness provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shaftesbury And The Culture Of Politeness has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shaftesbury And The Culture Of Politeness. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shaftesbury And The Culture Of Politeness. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shaftesbury And The Culture Of

Politeness, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shaftesbury And The Culture Of Politeness has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shaftesbury And The Culture Of Politeness Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
