Yaacov Ro'i, Boris Morozov

Shahids Islam And Suicide Attacks:

The Shahids Shaul Shay, The Shahids analyzes the general phenomenon of Islamic suicide attacks and provides the reader with tools comparative analyses and comprehensive information enabling enlightened examination about suicide attacks worldwide It explores the possibilities and recommendations for an international struggle against suicide attacks through the implementation of recently published innovative ideas proposed by UN organizations Amnesty International and Human Rights Watch BOOK JACKET The Shahids Shaul Shay, 2017-10-12 Suicide terror has become a fundamental strategic weapon in the confrontation between Fundamentalist Islam and its adversaries and now constitutes a threat to world welfare and security The Shahids proposes that the nature of this terror changed after the attacks on the World Trade Center on September 11 In this first book to be published on the subject the author offers both an interpretation and an overall picture of a worldwide phenomenon that is not yet fully recognized even in Israel which remains a central arena for the perpetration of suicide attacks by terror organizations The Shahids analyzes the general phenomenon of Islamic suicide attacks and provides the reader with tools comparative analyses and comprehensive information enabling enlightened examination about suicide attacks worldwide After a review of the historical development of the religious and ideological values legitimating suicide attacks the volume explores the ways in which all terror organizations are both alike and different It focuses on the countries that support terror Iraq Iran and Saudi Arabia discusses suicide attacks perpetrated by women and the suicide attackers mothers and shows how various countries have put an end to suicide attacks It scrutinizes testimony drawn from confiscated documents regarding the approach of terror leaders and the administrative support of various organizations for suicide attacks while offering descriptions and direction on ways to contend with this challenge It explores the possibilities and recommendations for an international struggle against suicide attacks through the implementation of recently published innovative ideas proposed by UN Organizations Amnesty International and Human Rights Watch The Shahids maps out the overall phenomenon of suicide attacks as well as identifies various organizations and central key figures through comparative cross sections , Suicide Terrorism Ami Pedahzur, 2005 Over the last quarter of a century terrorist attacks have become a major threat to the governments and citizens of many countries This title looks at the root causes of suicide terrorism and its rapid proliferation in recent years **Targeted Killings, Law and Counter-Terrorism Effectiveness** Ophir Falk, 2020-06-01 This book examines the permissibility and effectiveness of targeted killing in campaigns against terror Targeted killing has become a primary counterterrorism measure used by several countries in their confrontation with lethal threats The practice has been extensively used by the US in Afghanistan Iraq Pakistan Yemen and Somalia and by Israel in the West Bank and Gaza Several studies have already explored the difficult balance between achieving security while maintaining the liberties and rights of a country s civilians This book goes a step further by seeking to examine whether maintaining those liberties by complying with legal standards and minimizing

unintended deaths can be more effective for national security Using targeted killing applied by Israel in particular as well as the United States during the first decade of the twenty first century as case studies this book explores that question and ultimately assesses whether compliance with legal standards can strengthen a state in its campaign against terrorism and thus provide stronger security The book focuses on civilian related criteria hypothesizing that minimizing civilian casualties will maximize effectiveness in an asymmetric war setting The conclusions are not limited to a specific tactic or theater and if adopted might have far reaching implications for how asymmetric warfare is strategized This book will be of much interest to students of counter terrorism law Middle Eastern studies and security studies *Root Causes of Suicide Terrorism* Ami Pedahzur, 2006-09-27 The book offers different theoretical and methodological approaches to the understanding of the root causes of suicide attacks *The Oxford Handbook of Religion and Violence* Mark Juergensmeyer, Margo Kitts, Michael K. Jerryson, 2015-11 Violence has always played a part in the religious imagination from symbols and myths to legendary battles from colossal wars to the theater of terrorism The Oxford Handbook of Religion and Violence surveys intersections between religion and violence throughout history and around the world The forty original essays in this volume include overviews of major religious traditions showing how violence is justified within the literary and theological foundations of the tradition how it is used symbolically and in ritual practice and how social acts of violence and warfare have been justified by religious ideas The essays also examine patterns and themes relating to religious violence such as sacrifice and martyrdom which are explored in cross disciplinary or regional analyses and offer major analytic approaches from literary to social scientific studies The contributors to this volume innovative thinkers who are forging new directions in theory and analysis related to religion and violence provide novel insights into this important field of studies By mapping out the whole field of religion and violence The Oxford Handbook of Religion and Violence will prove an authoritative source for students and scholars for years to come Rise and Kill First Ronen Bergman, 2019-07-09 NEW YORK TIMES BESTSELLER The first definitive history of Israel's targeted killing programs which have shaped the Israeli nation the Middle East and the larger world from the man hailed by David Remnick as arguably Israel's best investigative reporter An exceptional work a humane book about an incendiary subject full of shocking moments surprising disturbances in a narrative full of fateful twists and unintended consequences The New York Times WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY ONE OF THE TEN BEST BOOKS OF THE YEAR Jennifer Szalai The New York Times A BEST BOOK OF THE YEAR The Economist The New York Times Book Review BBC History Magazine Mother Jones The Talmud says If someone comes to kill you rise up and kill him first This instinct to take every measure even the most aggressive to defend the Jewish people is hardwired into Israel's DNA From the very beginning of its statehood in 1948 protecting the nation from harm has been the responsibility of its intelligence community and armed services and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats Targeted assassinations have been used countless times on enemies large and small sometimes in

response to attacks against the Israeli people and sometimes preemptively In this page turning eye opening book journalist and military analyst Ronen Bergman praised by David Remnick as arguably Israel s best investigative reporter offers a riveting inside account of the targeted killing programs their successes their failures and the moral and political price exacted on the men and women who approved and carried out the missions Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government including Prime Ministers Shimon Peres Ehud Barak Ariel Sharon and Benjamin Netanyahu as well as high level figures in the country s military and intelligence services the IDF Israel Defense Forces the Mossad the world s most feared intelligence agency Caesarea a Mossad within the Mossad that carries out attacks on the highest value targets and the Shin Bet an internal security service that implemented the largest targeted assassination campaign ever in order to stop what had once appeared to be unstoppable suicide terrorism Including never before reported behind the curtain accounts of key operations and based on hundreds of on the record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting Rise and Kill First brings us deep into the heart of Israel s most secret activities Bergman traces from statehood to the present the gripping events and thorny ethical questions underlying Israel s targeted killing campaign which has shaped the Israeli nation the Middle East and the larger world

The Soviet Union and the June 1967 Six Day War Yaacov Ro'i, Boris Morozov, 2008 Why did the Soviet Union spark war in 1967 between Israel and the Arab states by falsely informing Syria and Egypt that Israel was massing troops on the Syrian border Based on newly available archival sources *The Soviet Union and the June 1967 Six Day War* answers this controversial question more fully than ever before Directly opposing the thesis of the recently published *Foxbats over Dimona* by Isabella Ginor and Gideon Remez the contributors to this volume argue that Moscow had absolutely no intention of starting a war The Soviet Union s reason for involvement in the region had more to do with enhancing its own status as a Cold War power than any desire for particular outcomes for Syria and Egypt In addition to assessing Soviet involvement in the June 1967 Arab Israeli Six Day War this book covers the USSR s relations with Syria and Egypt Soviet aims U S and Israeli perceptions of Soviet involvement Soviet intervention in the Egyptian Israeli War of Attrition 1969 70 and the impact of the conflicts on Soviet Jewish attitudes This book as a whole demonstrates how the Soviet Union s actions gave little consideration to the long or mid term consequences of their policy and how firing the first shot compelled them to react to events

Americans at War James R. Arnold, 2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War Understanding primary sources is essential to understanding warfare This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U S history Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World

War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank Americans at War addresses this imbalance between officers accounts and enlisted men s accounts by invoking oral history archives Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat

Islamist Terrorism and Democracy in the Middle East Katerina Dalacoura, 2011-04-29 What were the reasons behind the terrorist attacks of September 11th Does the cause of Islamist terrorism relate to the lack of democracy in the Middle East Through detailed research into the activities of both radical and moderate organizations across the Middle East such as the Muslim Brotherhood Hamas and Hizbullah and via interviews with key personnel Katerina Dalacoura investigates whether repression and political exclusion pushed Islamist entities to adopt terrorist tactics She also explores whether inclusion in the political process has had the opposite effect of encouraging Islamist groups toward moderation and ideological pragmatism In a challenge to the conventional wisdom she concludes that Islamist terrorism is not a direct consequence of authoritarianism in the Middle East and that there are many key factors that generate radicalism

ISIS Brian L. Steed, 2019-10-01 This illuminating work offers readers a comprehensive overview of ISIS with more than 100 in depth articles on a variety of topics related to the notorious terrorist group and more than a dozen key primary source documents ISIS formed through a combination of a rise in violent extremist ideologies demonstrated on September 11 2001 the invasion of Iraq and the Syrian Civil War ISIS is possibly the most important conflict group and phenomena of the last half century and understanding its source and success is crucial to functioning in the world today This book provides insight into ISIS from its beginnings to the present through coverage of its people organizations and operations The book begins with an overview of ISIS which provides context for each of the reference entries that follow The introductory material also includes entries on the causes and consequences of the conflict between ISIS and the West The book contains more than 100 reference entries on general and specific topics ranging from key leaders to major terrorist attacks and affiliated organizations It also includes a carefully curated selection of primary sources that come from a variety of sources including national level strategy documents presidential addresses and ISIS itself The book concludes with a detailed chronology and annotated bibliography

Global Jihad and the Tactic of Terror Abduction Shaul Shay, 2014-01-01 In recent decades the taking of hostages has proven to be a particularly effective tactic for Islamic terrorist organizations worldwide including al Qaeda The global jihad movement regards citizens of foreign mainly western countries as prime targets for abduction although in fact local residents have constituted the majority of kidnapping victims This book analyzes Islamic terror abductions over the last 30 years in the Middle East Lebanon Syria Iraq Iran Yemen and Saudi Arabia Asia Afghanistan Pakistan India and the Philippines Africa the Maghreb the Sahel regions and Somalia and in Russia as a part of the Russian Chechen conflict Discussion also focuses on the abduction by Hizbullah of Israeli soldiers

the Second Lebanon War of 2006 the Mumbai terror attack 2008 the Chechen hostage crisis in Moscow and Beslan 2002 and 2004 the kidnapping of employees of the Algerian In Amenas gas facility by al Qaeda of the Maghreb in January 2013 and the Nairobi Westgate Mall hostage crisis in September 2013 The role of Iran as a state sponsor of terrorism and its patronage of terror organizations that utilize the tactic of abduction to promote Iranian interests in Lebanon and Iraq is highlighted throughout Discussion focuses on the challenges faced by countries whose citizens have been abducted by Islamic terror organizations and their reactions to these challenges and provides theoretical classifications of the phenomenon of terrorism in general and terror abduction in particular

War, Citizenship, Territory Deborah Cowen, Emily Gilbert, 2024-11-01 For all too obvious reasons war empire and military conflict have become extremely hot topics in the academy Given the changing nature of war one of the more promising areas of scholarly investigation has been the development of new theories of war and war's impact on society War Citizenship Territory features 19 chapters that look at the impact of war and militarism on citizenship whether traditional territorially bound national citizenship or transnational citizenship The editors argue that while there has been an explosion of work on citizenship and territory Western academia's avoidance of the immediate effects of war among other things has led them to ignore war which they contend is both pervasive and well nigh permanent This volume sets forth a new geopolitically based theory of war's transformative role on contemporary forms of citizenship and territoriality and includes empirical chapters that offer global coverage

Islamic Radicalism and Global Jihad Devin R. Springer, 2009-01-06 Jihadist ideology inspires a diverse and decentralized collection of radical groups to fight alleged enemies of Islam and to attempt to restore a holy caliphate to unite Muslim peoples across the Middle East Africa and Asia Islamic Radicalism and Global Jihad provides unique insights into the philosophical foundations strategic vision organizational dynamics and tactics of the modern jihadist movement with specific attention to its primary driver Al Qaeda Springer Regens and Edger draw heavily on Arabic language sources seldom seen in the West to explain what jihadists want and how radical thinkers have distorted the teachings of Islam to convince followers to pursue terrorism as a religious duty With sophisticated and systematic analysis the authors lead their readers on a fascinating intellectual journey through the differing ideas goals and vulnerabilities of the jihadist movement as it has evolved over time The authors also impart wisdom from their own professional experience with terrorism counterinsurgency and intelligence to provide scholars students counterterrorism professionals and general readers with this accessible overview of key radical Islamic thinkers and today's jihadists

Terronomics Sean S. Costigan, David Gold, 2016-03-16 Today no single issue dominates the global political landscape as much as terrorism Aware of their unique position in the newly unipolar world terrorist leaders have articulated that economic warfare is a key component of the new terrorist agenda Governments have accentuated the role of economic tools in their counter terrorism policies while maintaining emphasis on the application of military force or hard power even though such tools often prove unnecessarily blunt or even sorely inadequate Given the complexity of the global threat posed

by modern transnational terrorist groups combating terrorism with a mix of hard and soft power is more important than ever As an invaluable new book in terrorism studies *Terronomics* brings together contributions from renowned international scholars and practitioners to provide a multifaceted view of contemporary financial counterterrorism and terrorist funding efforts It employs key concepts terms case studies and policy recommendations to advance our understanding of the threats and possible courses of action thus enabling us to grasp the critical financial and economic issues while providing potential counterterrorist strategies

The Moral Psychology of Terrorism Nathan Lean, Jalil Roshandel, 2013-07-29 Terrorism of the past ten years has been driven by the interface of psychology morality faith religion and politics This modern terrorism reflects terrorists pursuit of their beliefs and the aggressive promotion of the exclusivity of their world views at the expense of the lives of those who do not share them In this sense acts of terrorism are fueled by arguments of morality and views that are rooted in the psyches and beliefs of terrorists Thus it is critically important to examine the growing phenomenon of terrorism through not only a political lens but a psychological one as well where questions about the cognitive mappings of those who are considered terrorists are probed The examination of the moral psychology of terrorism opens up new insights into the real threats that face the global community This important volume brings out that discussion and seeks to understand what motivates people to kill both themselves and innocent bystanders How can we better understand this tragic human path towards violence Providing perspectives from several continents and academic disciplines the editors and contributors of this work move the study of terrorism away from its traditional center in the academic worlds of political science and security studies and present a wide range of perspectives that focus on psychology philosophy and questions of morality linguistics history religious studies and ethics Intended for the academic community and the general public alike these rich presentations and analyses are sure to foster a healthier more productive and more effective conversation about terrorism the minds of terrorists and how to reach a place where this violent phenomenon is less prevalent

Torture, Terrorism, and the Use of Violence, Vol. II (also available as Review Journal of Political Philosophy Volume 6, Issue Number 2) J. Jeremy Wisniewski, 2008-12-18 This journal has been discontinued Any issues are available to purchase separately

Social Control James J. Chriss, 2007-09-19 James J Chriss carefully guides readers through the debates about social control The book provides a comprehensive guide to historical debates and more recent controversies examining in detail the criminal justice system medicine everyday life and national security

Understanding U.S. Military Conflicts through Primary Sources James R. Arnold, Roberta Wiener, 2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S

military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards

Eventually, you will categorically discover a additional experience and attainment by spending more cash. yet when? do you take on that you require to acquire those every needs like having significantly cash? Shahids Islam And Suicide Attacks Introduction

In today's digital age, the availability of Shahids Islam And Suicide Attacks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shahids Islam And Suicide Attacks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shahids Islam And Suicide Attacks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shahids Islam And Suicide Attacks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shahids Islam And Suicide Attacks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shahids Islam And Suicide Attacks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shahids Islam And Suicide Attacks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shahids Islam And Suicide Attacks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shahids Islam And Suicide Attacks books and manuals for download and embark on your journey of knowledge?

FAQs About Shahids Islam And Suicide Attacks Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shahids Islam And Suicide Attacks is one of the best book in our library for free trial. We provide copy of Shahids Islam And Suicide Attacks in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shahids Islam And Suicide Attacks.
