Reissuing works originally published between 1984 and 1995 this set brings back into print early volumes from the Shakespearean Criticism Series originally edited by Joseph Price The books present selections of renowned scholarship on each play touching on performances as well as the dramatic literature The pieces included are a mixture of influential historical criticism more modern interpretations and enlightening reviews most of which were published in wide spread places before these compilations were first made Companions to the plays these books showcase critical opinion and scholarly debate **The Cambridge Shakespeare Library** Catherine M. S. Alexander, **The Languages of Criticism and the Structure of Poetry** Ronald S. Crane, 1953-12-15 These vigorous lectures deal with some of the many ways in which the question of structure in poetry here synonymous with the whole range of artistic creation in words can be discussed Criticism has never been Professor Clare argues a single discipline but a collection of more and less distinct conceptual languages within any one of which a literary problem takes on a special solution The Alexander Lectures for 1952
