Shakespeare As Political Thinker

Leon Harold Craig

Shakespeare As Political Thinker:

Shakespeare as Political Thinker John Alvis, Thomas G. West, 1981 *Rethinking Shakespeare's Political Philosophy*
Alex Schulman, 2014-07-21 What were Shakespeare's politics As this study demonstrates contained in Shakespeare's plays is an astonishingly powerful reckoning with the tradition of Western political thought one whose depth and scope places Shakespeare alongside Plato Aristotle Machiavelli Hobbes and others This book is the first attempt by a political theorist to read Shakespeare within the trajectory of political thought as one of the authors of modernity From Shakespeare's interpretation of ancient and medieval politics to his wrestling with issues of legitimacy religious toleration family conflict and economic change Alex Schulman shows how Shakespeare produces a fascinating map of modern politics at its crisis filled birth As a result there are brand new readings of Troilus and Cressida Coriolanus Julius Caesar Antony and Cleopatra King Lear Richard II and Henry IV parts I and II The Merchant of Venice and Measure for Measure **Shakespeare and Early Modern Political Thought** David Armitage, Conal Condren, Andrew Fitzmaurice, 2009-09-10 Leading literary scholars and historians examine Shakespeare's engagement with the characteristic questions of early modern political thought

Shakespeare's Political Wisdom T. Burns, 2013-04-03 Shakespeare's Political Wisdom offers interpretations of five Shakespearean plays with a view to the enduring guidance those plays can provide to human political life The plays have been chosen for their relentless attention to the questions that were once and may sometime become or be recognized as being the heart and soul of politics **Shakespeare as Political Thinker** John Alvis, Thomas G. West, 2000 The essays contained in this book proceed from the common conviction that Shakespeare's poetry conveys a wisdom about politics commensurate with his artistry Well known thinkers discuss Shakespeare's understanding of politics the idea of the best polity the relationship between character and political life and the interpenetration of poetry politics religion and philosophy

Of Philosophers and Kings Leon Harold Craig, 2001 This innovative work argues that Shakespeare was as great a philosopher as he was a poet and that his greatness as a poet derived even more from his power as a thinker than from his genius for linguistic expression Accordingly Leon Craig's interpretation of the plays focusing primarily on Macbeth and King Lear but including extensive comments on Othello The Winter's Tale and Measure for Measure are intended to demonstrate what can be gained from reading Shakespeare philosophically Shakespeare Craig argues had a persistent fascination with the relationship between politics and philosophy and even more precisely with the idea of a philosophical ruler Macbeth and King Lear are given detailed exposition for the special light they cast on tensions between philosophy and politics knowledge and power They show how the pursuit of an adequate understanding of certain practical issues transient yet recurring necessarily leads to considerations that far transcend the particular circumstances in which these practical problems arise Metaphysics cosmology and man's confrontation with nature were made dramatically manifest by Shakespeare to challenge and promote philosophic activity among his audience and readers Unconventional in its approach but working within the

tradition of such critics as Allan Bloom and Harry Jaffa Craig's book makes a substantial contribution to understanding the general principles of Shakespearean drama

Perspectives on Politics in Shakespeare John Albert Murley, Sean D. Sutton, 2006-01-01 Political science is becoming ever more reliant on abstract statistical models and almost divorced from human judgment hope and idealism William Shakespeare offers the political scientist an antidote to this methodological alienation this self imposed exile from the political concerns of citizens and politicians Shakespeare the most quoted author in the English speaking world presents his characters as rulers citizens and statesmen of the most famous regimes governed by their respective laws and shaped by their respective political and social institutions The actions deliberations mistakes and successes of his characters reveal the limitations and strengths of their regimes whether they be Athens Rome or England The contributors to this volume esteemed scholars of political science show us that Shakespeare's poetic imagination displays the very essence of politics and inspires valuable reflection on the fundamental questions of statesmanship and political leadership Perspectives on Shakespeare's Politics explores such themes as classical republicanism and liberty the rule of law and morality the nature and limits of statesmanship and the character of democracy

The Philosopher's English King Leon Harold Craig, 2015 This book on Shakespeare's Henriad studies the tetralogy as a work of political thought Leon Harold Craig author of two previous volumes on Shakespeare's political thought argues that the four plays present Shakespeare's teaching on the problem of legitimacy or who has the right to rule one of the perennial questions of political philosophy Offering original interpretations of each of the plays Craig discusses the demise of divine right in Richard II political upheaval and disputed rule in Henry IV Parts 1 and 2 and the attempt to reestablish legitimacy on a new basis in Henry V While focusing especially on the plays various interpretive puzzles Craig shows how the four plays constitute one narrative culminating in the rule of England's most famous warrior king Henry V whose brilliant achievements were undone by ill fortune Craig concludes with an epilogue on what might have been had Henry lived to consolidate his conquest of France and unify it with England under a single crown Supported by a wealth of scholarship both historical and critical The Philosopher's English King makes a major contribution to the burgeoning scholarship on Shakespeare as a political thinker providing further evidence for why the poet deserves to be recognized as a philosopher in his own right Leon Harold Craig is professor emeritus of political science at the University of Alberta

Shakespeare's Political Realism Tim Spiekerman, 2001-01-25 This book provides fresh interpretations of five of Shakespeare's history plays King John Richard II Henry IV Parts I and II and Henry V each guided by the often criticized assumption that Shakespeare can teach us something about politics In contrast to many contemporary political critics who treat Shakespeare's political dramas as narrow reflections of his time the author maintains that Shakespeare's political vision is wide ranging compelling and relevant to modern audiences Paying close attention to character and context as well as to Shakespeare's creative use of history the author explores Shakespeare's views on perennially important political themes such as ambition legitimacy tradition and

political morality Particular emphasis is placed on Shakespeare's relation to Machiavelli turning repeatedly to the conflict between ambition and justice In the end Shakespeare's history plays point to the limits of politics even more pessimistically than Machiavelli's realism **Perspectives on Politics in Shakespeare** John A. Murley, Sean D. Sutton, 2006-08-11

Political science is becoming ever more reliant on abstract statistical models and almost divorced from human judgment hope and idealism William Shakespeare offers the political scientist an antidote to this methodological alienation this self imposed exile from the political concerns of citizens and politicians Shakespeare the most quoted author in the English speaking world presents his characters as rulers citizens and statesmen of the most famous regimes governed by their respective laws and shaped by their respective political and social institutions The actions deliberations mistakes and successes of his characters reveal the limitations and strengths of their regimes whether they be Athens Rome or England The contributors to this volume esteemed scholars of political science show us that Shakespeare's poetic imagination displays the very essence of politics and inspires valuable reflection on the fundamental questions of statesmanship and political leadership Perspectives on Shakespeare's Politics explores such themes as classical republicanism and liberty the rule of law and morality the nature and limits of statesmanship and the character of democracy Shakespeare's Political and Economic Language Vivian

Thomas, 2015-03-26 Shakespeare's plays are pervaded by political and economic words and concepts not only in the histories and tragedies but also in the comedies and romances The lexicon of political and economic language in Shakespeare does not consist merely of arcane terms whose shifting meanings require exposition but includes an enormous number of relatively simple words which possess a structural significance in the configuration of meanings Often operating by such means as puns they open up a surprising number of possibilities The dictionary reveals the conceptual nucleus of each term and explores the contexts in which it is embedded The overlap between the political and economic dimensions of a word in Shakespeare's drama is particularly exciting as he is highly attuned to the interactions of these two spheres of human activity and their centrality in human affairs Shakespeare's Political Drama Alexander Leggatt, 2003-09-02 First published in

1989 Routledge is an imprint of Taylor Francis an informa company **Shakespeare's Political Imagination** Philip Goldfarb Styrt, 2021-11-04 Shakespeare's Political Imagination argues that to better understand Shakespeare's plays it is essential to look at the historicism of setting how the places and societies depicted in the plays were understood in the period when they were written This book offers us new readings of neglected critical moments in key plays such as Malcolm's final speech in Macbeth and the Duke's inaction in The Merchant of Venice by investigating early modern views about each setting and demonstrating how the plays navigate between those contemporary perspectives Divided into three parts this book explores Shakespeare's historicist use of medieval Britain and Scotland in King John and Macbeth ancient Rome in Julius Caesar and Coriolanus and Renaissance Europe through Venice and Vienna in The Merchant of Venice Othello and Measure for Measure Philip Goldfarb Styrt argues that settings are a powerful component in Shakespeare's worlds that not

only function as physical locations but are a mechanism through which he communicates the political and social orders of the plays Reading the plays in light of these social and political contexts reveals Shakespeare's dramatic method how he used competing cultural narratives about other cultures to situate the action of his plays These fresh insights encourage us to move away from overly localized or universalized readings of the plays and re-discover hidden moments and meanings that have long been obscured

Shakespeare's Politics Allan Bloom, Harry V. Jaffa, 1964 Taking the classical view that the political shapes man's consciousness Allan Bloom considers Shakespeare as a profoundly political Renaissance dramatist He aims to recover Shakespeare's ideas and beliefs and to make his work once again a recognized source for the serious study of moral and political problems In essays looking at Julius Caesar Othello and The Merchant of Venice Bloom shows how Shakespeare presents a picture of man that does not assume privileged access for only literary criticism With this claim he argues that political philosophy offers a comprehensive framework within which the problems of the Shakespearean heroes can be viewed In short he argues that Shakespeare was an eminently political author Also included is an essay by Harry V Jaffa on the limits of politics in King Lear A very good book indeed one which can be recommended to all who are interested in Shakespeare G P V Akrigg This series of essays reminded me of the scope and depth of Shakespeare's original vision One is left with the impression that Shakespeare really had figured out the answers to some important questions many of us no longer even know to ask Peter A Thiel CEO PayPal Wall Street Journal Allan Bloom was the John U Nef Distinguished Service Professor on the Committee on Social Thought and the co-director of the John M Olin Center for Inquiry into the Theory and Practice of Democracy at the University of Chicago Harry V Jaffa is professor emeritus at Claremont McKenna College and Claremont Graduate School

Shakespeare and the Political Way Elizabeth Frazer, 2020-08-30 Studies of Shakespeare and politics often ask the question whether his dramas are on the side of aristocratic or monarchical sovereign authority or are on the side of those who resist whether he endorses a standard view of male and patriarchal authority or whether his cross-dressing heroines put him among feminist thinkers Scholars also show that Shakespeare's representations of rule revolt and arguments about laws and constitutions draw on and allude to stories and real events that were contemporaneous for him as well as historical ones Building on scholarship about Shakespeare and politics this book argues that Shakespeare's representations and stagings of political power sovereignty resistance and controversy are more complex The merits of political life as opposed to life governed by monetary exchange religious truth supernatural power military heroism or interpersonal love are rehearsed in the plots And the clashing and contradictory meanings of politics its association with free truthful speech but also with dishonest hypocrisy with open action and argument as much as occult behind the scenes manoeuvring are dramatized by him to show that although violence lies and authoritarianism do often win out in the world there is another kind of politics and a political way that we would do well to follow when we can The book offers original readings of the characters and plots of Shakespeare's dramas in order to illustrate the subtlety of his pictures of political

power how it works and what is wrong and right with it

Political Wisdom in Late Shakespeare Nicolas

McAfee, 2024-06-15 The four last plays of Shakespeare's First Folio *Cymbeline* *The Tempest* *Henry VIII* and *The Winter's Tale* provide underappreciated resources for political thought and reflection *Political Wisdom in Late Shakespeare: A Way Out of the Wreck* examines the ruling communities in each of these plays exploring what virtues are dramatized as necessary in a courtier's fulfillment of his or her political obligations By lending courtly virtues their close attention Shakespearean audiences can better appreciate how much a given court has been reformed or could be further reformed in the future Indeed these four late plays prove remarkably united in their presentation of five virtues: patience, piety, fidelity, clemency, and diligence which consistently appear desirable for rulers to have and regimes to encourage Moreover the visions of tyranny offered in these plays remind readers how much is at stake should these courtly virtues decay or collapse Their presence or absence signals whether any political community will to borrow the language of Henry VIII chart for themselves a way out of the wreck

Shakespeare's Political Pageant Joseph Alulis, Vickie Sullivan, 1996-09-05 Literary works through their very personal means of characterization reveal the direct effect of politics on individuals in a way a political treatise cannot The distinguished contributors to this volume share the belief that Shakespeare is the author who most effectively sets forth the multifarious pageant of politics Shakespeare's rich canon presents monarchy and republic, tyrant and king, thinker and soldier, and Christian and pagan The twelve essays in *Shakespeare's Political Pageant* discuss a broad range of Shakespeare's dramatic poetry from the perspective of the political theorist This innovative book demonstrates the immense value of seeing Shakespeare's plays in the context of political philosophy It will be an important source for students and scholars of both political science and literature

The Soul of Statesmanship Khalil M. Habib, L. Joseph Hebert Jr., 2018-09-15

Shakespeare's plays explore a staggering range of political topics from the nature of tyranny to the practical effects of Christianity on politics and the family to the meaning and practice of statesmanship From great statesmen like Burke and Lincoln to the American frontiersman sitting by his rustic fire, those wrestling with the problems of the human soul and its confrontation with a puzzling world of political peril and promise have long considered these plays a source of political wisdom The chapters in this volume support and illuminate this connection between Shakespearean drama and politics by examining a matter of central concern in both domains: the human soul By depicting a bewildering variety of characters as they seek happiness and self-knowledge in the context of differing political regimes, family ties, religious duties, friendships, feuds, and poetic inspirations, Shakespeare illuminates the complex interdynamics between self-rule and political governance, educating readers by compelling us to share in the struggles of and relate to the tensions felt by each character in a way that no political treatise or lecture can The authors of this volume, drawing upon expertise in fields such as political philosophy, American government, and law, explore the Bard's dramatization of perennial questions about human nature, moral virtue, and statesmanship, demonstrating that reading his plays as works of philosophical literature enhances our understanding of

political life and provides a source of advice and inspiration for the citizens and statesmen of today and tomorrow

Science Fiction and Political Philosophy Timothy McCranor, Steven Michels, 2020-02-14 Sometimes called the literature of ideas science fiction is a natural medium for normative political philosophy Science fiction's focus on technology space and time travel non human lifeforms and parallel universes cannot help but invoke the perennial questions of political life including the nature of a just social order and who should rule freedom free will and autonomy and the advantages and disadvantages of progress Rather than offering a reading of a work inspired by a particular thinker or tradition each chapter presents a careful reading of a classic or contemporary work in the genre a novel short story film or television series to illustrate and explore the themes and concepts of political philosophy [The Soul of Statesmanship](#) Khalil M. Habib, L. Joseph Hebert Jr., 2018-09-15 Shakespeare's plays explore a staggering range of political topics from the nature of tyranny to the practical effects of Christianity on politics and the family to the meaning and practice of statesmanship From great statesmen like Burke and Lincoln to the American frontiersman sitting by his rustic fire those wrestling with the problems of the human soul and its confrontation with a puzzling world of political peril and promise have long considered these plays a source of political wisdom The chapters in this volume support and illuminate this connection between Shakespearean drama and politics by examining a matter of central concern in both domains the human soul By depicting a bewildering variety of characters as they seek happiness and self knowledge in the context of differing political regimes family ties religious duties friendships feuds and poetic inspirations Shakespeare illuminates the complex interdynamics between self rule and political governance educating readers by compelling us to share in the struggles of and relate to the tensions felt by each character in a way that no political treatise or lecture can The authors of this volume drawing upon expertise in fields such as political philosophy American government and law explore the Bard's dramatization of perennial questions about human nature moral virtue and statesmanship demonstrating that reading his plays as works of philosophical literature enhances our understanding of political life and provides a source of advice and inspiration for the citizens and statesmen of today and tomorrow

Shakespeare As Political Thinker Book Review: Unveiling the Magic of Language

Shakespeare As Political Thinker Introduction

Shakespeare As Political Thinker Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Shakespeare As Political Thinker Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Shakespeare As Political Thinker : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Shakespeare As Political Thinker : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Shakespeare As Political Thinker Offers a diverse range of free eBooks across various genres. Shakespeare As Political Thinker Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Shakespeare As Political Thinker Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Shakespeare As Political Thinker, especially related to Shakespeare As Political Thinker, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Shakespeare As Political Thinker, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Shakespeare As Political Thinker books or magazines might include. Look for these in online stores or libraries. Remember that while Shakespeare As Political Thinker, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Shakespeare As Political Thinker eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shakespeare As Political Thinker full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shakespeare As

Political Thinker eBooks, including some popular titles.

FAQs About Shakespeare As Political Thinker Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shakespeare As Political Thinker is one of the best book in our library for free trial. We provide copy of Shakespeare As Political Thinker in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shakespeare As Political Thinker. Where to download Shakespeare As Political Thinker online for free? Are you looking for Shakespeare As Political Thinker PDF? This is definitely going to save you time and cash in something you should think about.
