Shakespeare Under Elizabeth

David N. Beauregard

Shakespeare Under Elizabeth:

Shakespeare Under Elizabeth George Bagshawe Harrison, 1933

Shakespeare and Elizabeth Helen

Hackett, 2009-04-05 This book explores the history of invented encounters between Shakespeare and the Queen Elizabeth I and examines how and why the mythology of these two cultural icons has been intertwined in British and American culture. It follows the history of meetings between the poet and the queen through historical novels, plays, paintings and films ranging from works such as Sir Walter Scott's *Kenilworth* and the film *Shakespeare in Love* to lesser known examples. Raising questions about the boundaries separating scholarship and fiction, it looks at biographers and critics who continue to delve into links between these two. In the Shakespeare authorship controversy, there have even been claims that Shakespeare was Elizabeth's secret son or lover or that Elizabeth herself was the genius Shakespeare. The author examines the reasons behind the lasting appeal of their combined reputations and locates this interest in their enigmatic sexual identities as well as in the ways they represent political tensions and national aspirations.

Shakespeare in Elizabethan Costume Ella

Hawkins, 2022-05-19 The meanings originally communicated by Elizabethan and Jacobean dress have long been confined to history. Why then have doublets, hose, ruffs and farthingales featured in many Shakespeare productions staged since the turn of the 21st century? This book scrutinizes the popular practice of costuming Shakespeare's plays in Elizabethan and Jacobean dress. It considers why this approach to design appeals to contemporary directors, designers and audiences and how it has shaped the meaning of Shakespeare's works in specific performance contexts. Informed by original interviews with several prominent theatre practitioners including Emma Rice, Gregory Doran, Jenny Tiramani, Simon Godwin, Stephen Brimson, Lewis and Tom Piper, *Shakespeare in Elizabethan Costume* explores how various 21st century Shakespeare productions have drawn on myths and desires associated with early modern clothing. Its discussions range from the practicalities of historical reconstruction to the appeal of early modern sartorial culture as an embodiment of wonder, spectacle and the supernatural. Productions discussed include Shakespeare's Globe's production of *Henry V* 1997, the National Theatre's *Twelfth Night* 2017 and the Royal Shakespeare Company's *The Tempest* 2016. Ella Hawkins examines the minutiae of modern design: how seams are sewn, whence fabrics are sourced as well as the widespread cultural movements that have produced our modern relationship with the period of Shakespeare's lifetime. This is the first book to explore fully the significance of Elizabethan inspired design in contemporary Shakespearean performance. *Shakespeare in Elizabethan Costume* reframes so-called period costuming as a dynamic collection of practices capable of refashioning textual meanings, reflecting present-day political and societal shifts and confronting contemporary injustices.

Shakespeare the Elizabethan Alfred Leslie Rowse, 1977

Shakespeare's Ideas David Bevington, 2011-09-23 An in-depth exploration through his plays and poems of the philosophy of Shakespeare as a great poet, a great dramatist and a great mind. Written by a leading Shakespearean scholar, it discusses an array of topics including sex and gender, politics and political theory, writing and acting, religious controversy and issues of

faith skepticism and misanthropy and closure Explores Shakespeare as a great poet a great dramatist and a great mind

Memory in Shakespeare's Histories Jonathan Baldo,2011-12-22 A distinguishing feature of Shakespeare's later histories is the prominent role he assigns to the need to forget This book explores the ways in which Shakespeare expanded the role of forgetting in histories from King John to Henry V as England contended with what were perceived to be traumatic breaks in its history and in the fashioning of a sense of nationhood For plays ostensibly designed to recover the past and make it available to the present they devote remarkable attention to the ways in which states and individuals alike passively neglect or actively suppress the past and rewrite history Two broad and related historical developments caused remembering and forgetting to occupy increasingly prominent and equivocal positions in Shakespeare's history plays an emergent nationalism and the Protestant Reformation A growth in England's sense of national identity constructed largely in opposition to international Catholicism caused historical memory to appear a threat as well as a support to the sense of unity The Reformation caused many Elizabethans to experience a rupture between their present and their Catholic past a condition that is reflected repeatedly in the history plays where the desire to forget becomes implicated with traumatic loss Both of these historical shifts resulted in considerable fluidity and uncertainty in the values attached to historical memory and forgetting Shakespeare's histories in short become increasingly equivocal about the value of their own acts of recovery and recollection

Catholic Theology in Shakespeare's Plays David N. Beauregard,2008 Explores and reexamines Shakespeare's theology from the standpoint of revisionist history of the English Reformation

A Preface to

Shakespeare's Tragedies Michael Mangan,2014-07-22 This book is a study of four of Shakespeare's major tragedies Hamlet Othello King Lear and Macbeth It looks at these plays in a variety of contexts both in isolation and in relation to each other and to the cultural ideological social and political contexts which produced them

Voices of Shakespeare's England

John A. Wagner,2010-02-09 Voices of Shakespeare's England offers students and public library patrons over 50 primary documents that illuminate the character personalities and events of the Elizabethan and Jacobean periods Voices of Shakespeare's England Contemporary Accounts of Elizabethan Daily Life helps readers explore the era that produced among other things the world's greatest playwright It brings together excerpts from over 50 primary documents written in William Shakespeare's lifetime including letters literature speeches and polemics official reports and descriptive narratives Voices of Shakespeare's England includes the works of Shakespeare himself as well as other poets and playwrights but it also expands beyond the literary world to cover politics religion economics social change and the royal court By allowing Shakespeare's contemporaries to speak in their own voices it offers an illuminating look at the breadth of Elizabethan society including major historic events in England as well as Scotland Ireland the European continent and even the new world of America

Shakespeare in the Theatre Stephen Orgel,Sean Keilen,1999-01-01 This set collects articles from over 40 different journals arranged topically as readers for both students and scholars Both current literary trends and scholarly traditions are

respected in his comprehensive survey of literary excellence **Historical Dictionary of the Elizabethan World** John Wagner, 2013-04-03 No period of British history generates such deep interest as the reign of Elizabeth I from 1558 to 1603 The individuals and events of that era continue to be popular topics for contemporary literature and film and Elizabethan drama poetry and music are studied and enjoyed everywhere by students scholars and the general public The Historical Dictionary of the Elizabethan World provides clear definitions and descriptions of people events institutions ideas and terminology relating in some significant way to the Elizabethan period The first dictionary of history to focus exclusively on the reign of Elizabeth I the Dictionary is also the first to take a broad trans Atlantic approach to the period by including relevant individuals and terms from Irish Scottish Welsh American and Western European history Editors Choice Reference

Shakespeare Reread Russ McDonald, 2018-07-05 No detailed description available for Shakespeare Reread

Elizabethan Triumphal Processions William Leahy, 2017-03-02 Until now scholarly analysis of Elizabethan processions has always regarded them as having been successful in their function as propaganda and has always found them to have effectively won over the common people that group of the population at whom they were chiefly aimed Both her Royal entries and progresses were regarded as effective public relations exercises the population gaining access to the Queen and thus being encouraged to remain loyal subjects This book represents a new approach to this subject by investigating whether this was actually the case that is whether the common people were actually won over by these spectacular rituals By examining original documents that have thus far been ignored as well as re examining others from the perspective of the common people the book casts a new light on Elizabethan processions *Daily Life of Women in Shakespeare's England* Theresa D. Kemp, 2024-06-27 Delve into the often overlooked lives and legacies of everyday women in Tudor and Stuart England Owing to their privilege and social stature much is known about the elite women of 16th and 17th century England Historians know far less however about the everyday women from the middle and lower classes from the 1550s to 1650 who left behind only scattered bits and pieces of their lives Born into a narrow class and gender hierarchy that placed women second to men in almost all regards women from the poor and middling ranks had limited social and economic opportunities beyond what men and the church afforded them Yet as Theresa D Kemp shows in this addition to the Daily Life through History series many of these women most of them illiterate by modern standards found creative ways to assert agency and push back against social norms In an era when William Shakespeare debuted his plays at the Globe Theatre in London everyday English women were active in religious movements wrote literature and went to court to protest abuse at home Ultimately a close examination of the lives of these women reveals how instrumental they were in shaping English society during a transformative and dynamic period of British history Literature and the Theater in Shakespeare's Day Robert Evans, Brett Foster, 2020-07-01 Literature and the Theater in Shakespeare's Day provides students with the background information they need to fully understand the conditions under which Shakespeare produced his masterpieces Topics examined in this volume include The

Globe Theater the system of patronage that supported writers and the important actors and playwrights of the time that influenced Shakespeare's writing Coverage includes Major writers of Shakespeare's time including Christopher Marlowe Thomas Nashe and Ben Jonson The Globe and other London theaters The system of patronage that supported writers And much more *Shakespeare in Children's Literature* Erica Hateley,2009-01-13 Shakespeare in Children's Literature looks at the genre of Shakespeare for children considering both adaptations of his plays and children's novels in which he appears as a character Drawing on feminist theory and sociology Hateley demonstrates how Shakespeare for children utilizes the ongoing cultural capital of Shakespeare and the pedagogical aspects of children's literature to perpetuate anachronistic forms of identity and authority **The Drama of Memory in Shakespeare's History Plays** Isabel Karremann,2015-10-20 This book analyses the drama of memory in Shakespeare's history plays Situating the plays in relation to the extra dramatic contexts of early modern print culture the Reformation and an emergent sense of nationhood it examines the dramatic devices the theatre developed to engage with the memory crisis triggered by these historical developments Against the established view that the theatre was a cultural site that served primarily to salvage memories Isabel Karremann also considers the uses and functions of forgetting on the Shakespearean stage and in early modern culture Drawing on recent developments in memory studies new formalism and performance studies the volume develops an innovative vocabulary and methodology for analysing Shakespeare's mnemonic dramaturgy in terms of the performance of memory that results in innovative readings of the English history plays Karremann's book is of interest to researchers and upper level students of Shakespeare studies early modern drama and memory studies **Documents of Shakespeare's England** John A. Wagner,2019-10-01 This engaging collection of over 60 primary document selections sheds light on the personalities issues events and ideas that defined and shaped life in England during the years of Shakespeare's life and career Documents of Shakespeare's England contains more than 60 primary document selections that will help readers understand all aspects of life in Elizabethan and Jacobean England The book is divided into 12 topical sections such as Politics and Parliament London Life and Queen and Court which offer five document selections each Each document is preceded by a detailed introduction that puts the selection into historical context and explains why it is important A general introduction and chronology help readers understand Shakespeare's England in broad terms and see connections causes and consequences Bibliographies of current and useful print and electronic information resources accompany each document and a general bibliography lists seminal works on Shakespeare's England This is an engaging and accurate introduction to the England of William Shakespeare told in the words of those who experienced it *Shakespeare's Theatre* Hugh Macrae Richmond,2004-01-01 Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge of the character and operation of theatres in Shakespeare's time with an explanation of their origins *The Pragmatics of Early Modern Politics: Power and Kingship in Shakespeare's History Plays* Urszula Kizelbach,2014-10-10 Early modern kings adopted a new style of

government Realpolitik as spelled out in Machiavelli's writings Tudor monarchs well aware of their questionable right to the throne posed as great dissimulators similarly to the modern prince who must learn from the fox and the lion This book paints a portrait of a successful politician according to early modern standards Kingship is no longer understood as a divinely ordained institution but is defined as goal oriented policy making relying on conscious acting and the theatrical display of power The volume offers an intriguing discussion on kingship in pragmatic terms as the strategic face saving behaviour of Shakespeare's kings It also demonstrates how an efficient or inefficient management of the king's political face could decide his success or failure as a monarch and how the Renaissance world of Shakespeare's history plays is combined with modern theories of communication politeness and face Many studies in historical pragmatics or historical stylistics purport to expose language use in social context but they fall short when measured against this study The author approaches Shakespeare with concepts from literary studies and linguistic pragmatics and weaves them together seamlessly with social history The result is a treasure trove of insights Jonathan Culpeper Lancaster University Exploring Machiavellian politics from the perspective of linguistic pragmatics and sociological role theory Urszula Kizelbach's study sheds interesting new light on Shakespeare's stage kings Her discussion of the strategic uses of polite speech is a particularly welcome addition to our thinking about Shakespeare's English history plays A promising new voice in European Shakespeare studies Andreas Hefele Munich University

The Captivating Realm of E-book Books: A Detailed Guide Unveiling the Pros of E-book Books: A World of Convenience and Versatility Kindle books, with their inherent portability and ease of availability, have liberated readers from the constraints of physical books. Gone are the days of carrying bulky novels or carefully searching for specific titles in shops. Kindle devices, sleek and portable, seamlessly store an wide library of books, allowing readers to indulge in their preferred reads whenever, everywhere. Whether traveling on a busy train, lounging on a sunny beach, or just cozying up in bed, Kindle books provide an exceptional level of convenience.
