*Shakespeare's Audiences* Matteo Pangallo, Peter Kirwan, 2021-03-28 Shakespeare wrote for a theater in which the audience was understood to be and at times invited to be active and participatory How have Shakespeare's audiences from the sixteenth century to the present responded to that invitation In what ways have consumers across

different cultural contexts periods and platforms engaged with the performance of Shakespeare's plays What are some of the different approaches taken by scholars today in thinking about the role of Shakespeare's audiences and their relationship to performance The chapters in this collection use a variety of methods and approaches to explore the global history of audience experience of Shakespearean performance in theater film radio and digital media The approaches that these contributors take look at Shakespeare's audiences through a variety of lenses including theater history dramaturgy film studies fan studies popular culture and performance Together they provide both close studies of particular moments in the history of Shakespeare's audiences and a broader understanding of the various often complex connections between and among those audiences across the long history of Shakespearean performance

*The Oxford Handbook of Shakespeare and Performance* James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today

unique set of approaches this book will be of significance to scholars students artists and spectators     *Routledge Companion to Audiences and the Performing Arts* Matthew Reason, Lynne Conner, Katya Johanson, Ben Walmsley, 2022-04-05

The Routledge Companion to Audiences and the Performing Arts represents a truly multi dimensional exploration of the inter relationships between audiences and performance This study considers audiences contextually and historically through both qualitative and quantitative empirical research and places them within appropriate philosophical and socio cultural discourses Ultimately the collection marks the point where audiences have become central and essential not just to the act of performance itself but also to theatre dance opera music and performance studies as academic disciplines This Companion will be of great interest to academics researchers and postgraduates as well as to theatre dance opera and music practitioners and performing arts organisations and stakeholders involved in educational activities     *The Environment on Stage* Julie Hudson, 2019-08-08

The Environment on Stage Scenery or Shapeshifter investigates a pertinent voice of theatrical performance within the production and reception of ecotheatre Theatre ecologies unavoidably enmeshed in the environment describe the system of sometimes perverse feedback loops running through theatrical events productions performances and installations This volume applies an ecoaware spectatorial lens to explore live theatre as a living ecosystem in a literal sense The vibrant chemistry between production and reception and the spiralling ideas and emotions this generates in some conditions are unavoidably driven by flows of matter and energy thus by the natural environment even when human perspectives seem to dominate The Environment on Stage is an intentionally eclectic mix of observation close reading and qualitative research undertaken with the aim of exploring ecocritical ideas embedded in ecotheatre from a range of perspectives Individual chapters identify productions performances and installations in which the environment is palpably present on stage as it is in natural disasters such as floods storms famine conflict and climate change These themes and others are explored in the context of site specificity subversive spectators frugal modes of narrative the shifting stuff of theatre productions and imaginative substitutions Ecotheatre is nothing less than vibrant matter that lets the environment speak for itself     *Triumph of a Time Lord* Matt Hills, 2010-01-30

Before Saturday March 26th 2005 Doctor Who had been off the air as a regular new TV series for more than fifteen years until a production team led by Russell T Davies re imagined the programme so successfully so triumphantly that it s become an instant Christmas tradition a BAFTA winner an international superbrand and a number one rated show It s even been credited with reinventing family TV This is the first full length book to explore the new Who phenomenon through to the casting of Matt Smith as the new Doctor It explores Doctor Who through contemporary debates in TV Studies about quality TV and how can we define TV series as both cult and mainstream Further the book challenges assumptions in focusing on the importance of breath taking dramatic moments along with narrative structures and in analysing the significance of Murray Gold s music as well as the series visual representations Matt Hills is a lifelong Who fan and he also considers the role of fandom in the show s return He investigates

too the multi generic identity the monster led format and the time travelling brand of BBC Wales Doctor Who In the twenty first century TV is changing but the last of the Time Lords has been more than ready he s been fantastic **Theatre and Audience** Lois Weaver,Helen Freshwater,2017-09-16 What does theatre do for and to those who witness watch and participate in it Theatre Audience provides a provocative overview of the questions raised by theatrical encounters between performers and audiences Focusing on European and North American theatre and its audiences in the twentieth and twenty first centuries it explores belief in theatre s potential to influence impact and transform Illustrated by examples of performance which have sought to generate active audience involvement from Brecht s epic theatre to the Blue Man Group it seeks to unsettle any simple equation between audience participation and empowerment Foreword by Lois Weaver

**Polish Theatre Revisited** Agata Luksza,2024-01-19 2024 PIASA Wacław Lednicki Humanities Award Polish Institute of Arts and Sciences in America winner ASTR Barnard Hewitt Award Finalist Polish Theatre Revisited explores nineteenth century Polish theatre through the lens of theatre audiences Agata luksza places special emphasis on the most engaged spectators known as theatremaniacs from what they wore to what they bought to what they ate Her source material is elusive ephemera from fans lives such as notes scribbled on a weekly list of shows in the Warsaw theatres collections of theatre postcards and recipes for sweets named after famous actors The fannish behavior of theatremaniacs was usually deemed excessive or in poor taste by people in positions of power as it clashed with the ongoing embourgeoisement of the theatre and the disciplining of audiences Nevertheless the theatre was one of the key areas where early fan cultures emerged and theatremaniacs indulged in diverse fan practices in opposition to the forces reforming the theatre and its spectatorship

**Vows, Veils, and Masks** Beth Wynstra,2023-07-07 Vows Veils and Masks offers a bold and timely approach to the plays of Eugene O Neill with its attention to the engagements weddings and marriages so crucial to the tragic action in O Neill s works Specifically the book examines the culturally sanctioned traditions and gender roles that underscored marital life in the early twentieth century and that still haunt and define love and partnership in the modern age Weaving in artifacts like advice columns advertisements theatrical reviews and even the lived experiences of the actors who brought O Neill s wife characters to life Beth Wynstra points to new ways of seeing and empathizing with those who are betrothed and new possibilities for reading marriage in literary and dramatic works She suggests that the various ways women were and still are expected to divert from their true ambitions desires and selves in the service of appropriate wifely behavior is a detrimental performance and one at the crux of O Neill s marital tragedies This book invites more inclusive and nuanced ways of thinking about the choices married characters must make and the roles they play both on and off the stage **The Black Circuit** Rashida Z. Shaw McMahon,2020-03-09 The Black Circuit Race Performance and Spectatorship in Black Popular Theatre presents the first book length study of Chitlin Circuit theatre the most popular and controversial form of Black theatre to exist outside the purview of Broadway since the 1980s Through historical and sociological research Rashida Z Shaw

McMahon links the fraught racial histories in American slave plantations and early African American cuisine to the performance sites of nineteenth century minstrelsy early twentieth century vaudeville and mid twentieth century gospel musicals *The Black Circuit* traces this rise of a Black theatrical popular culture that exemplifies W E B Du Bois's 1926 parameters of for us near us by us and about us with critical differences that McMahon argues complicate our understanding of performance and spectatorship in African American theatre McMahon shows how an integrated and evolving network of consumerism culture circulation exchange ideologies and meaning making has emerged in the performance environments of Chitlin Circuit theatre that is reflective of the broader influences at play in acts of minority spectatorship She labels this network the Black Circuit
