Shewmaker, 2008 Explains the meaning of thousands of words as they are used in Shakespeare and provides a quote using the word in context **A Shakespeare Glossary (Classic Reprint)** C. T. Onions, 2015-07-26 Excerpt from A Shakespeare Glossary The steady advance towards completion of the great Oxford English Dictionary has made it possible for the Delegates of the Clarendon Press to authorize the preparation and issue of this book which is primarily the outcome of an analysis of Shakespeare's vocabulary conducted in the light of the results published in the Dictionary The application of these results to the making of a glossary to a single author if it is to have an independent value and to be true to the facts must not be a mere mechanical transference of definitions and classifications of meanings such as an industrious compiler might make with small expenditure of time and labour Such a work as is here attempted is one of difficulty and delicacy and there are pitfalls even for the expert but relying upon a fifteen years experience on the editorial staff of the Dictionary I have allowed myself a wide freedom of adaptation and trust at the same time to have escaped such errors as would be almost inevitable if a task of this kind were undertaken

by one who knew the great book only from the outside and had no adequate training in lexicographical method The aim of the Shakespeare glossary now presented to the reader is to supply definitions and illustrations of words or senses of words now obsolete or surviving only in provincial or archaic use together with explanations of others involving allusions not generally familiar and of proper names carrying with them some connotative signification or offering special interest or difficulty in the passages in which they occur Senses still current in general literature have also been occasionally illustrated chiefly where there is contextual obscurity or where it seemed desirable for one reason or another to give a complete conspectus of a word that has many ramifications of meaning About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Shakespeare Lexicon and Quotation Dictionary Alexander Schmidt,Gregor Sarrazin,1971-01-01 Reprint of 1902 ed Every word in the plays and poems is defined and located *Fifteen Plays of Shakespeare* William Shakespeare,1916 Shakespeare-lexicon Alexander Schmidt,1874 *Shakespeare Lexicon and Quotation Dictionary, Vol. 1* Alexander Schmidt,2012-08-08 Volume 1 of massive work by a leading Shakespeare scholar and lexicographer a standard in the field provides full definitions locations and shades of meaning in every word in Shakespeare s plays and poems **A Shakespeare Glossary** C T 1873-1965 Onions,2018-10-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Shakespeare Lexicon and Quotation Dictionary** Alexander Schmidt,Gregor Sarrazin,1971-01-01 Provides definitions and locations of every word Shakespeare used in his writings Also includes exact quotations from some of Shakespeare s most famous works **The Dictionary of Shakespeare Words** Bookcaps,2011 Do you ever find yourself reading Shakespeare and are completely lost because of words like Obeisance and Quiddity This dictionary contains over 4500 Shakespearean words and their definition *The Oxford Companion to Shakespeare* ,
