Shootback Photos By Kids In Nairobi Slums:

Shootback Lana Wong,1999 Shootback puts basic point and shoot cameras into the hands of 32 teenage boys and girls from Mathare Nairobi one of Africa s largest slums The resulting photographs speak eloquently of friends family football fever and the realities of life with humour and honesty

Transcultural Graffiti Russell West-Pavlov,2005 Transcultural Graffiti reads a range of texts prose poetry drama in several European languages as exemplars of diasporic writing The book scrutinizes contemporary transcultural literary creation for the manner in which it gives hints about the teaching of literary studies in our postcolonial globalizing era Transcultural Graffiti suggest that cultural work in particular transcultural work assembles and collates material from various cultures in their moment of meeting The teaching of such cultural collage in the classroom should equip students with the means to reflect upon and engage in cultural bricolage themselves in the present day The texts read from C saire s adaptation of Shakespeare s Tempest via the diaspora fictions of Marica Bodrozcic or David Dabydeen to the post 9 11 poetry of New York poets are understood as graffiti like inscriptions the result of fleeting encounters in a swiftly changing public world Such texts provide impulses for a performative risk pedagogy capable of modelling the ways in which our constitutive individual and social narratives are constructed deconstructed and reconstructed today

Engaging Children and Youth in Africa Mwenda Ntarangwi,Guy Massart,2015-07-03 Representing research from east central west and southern Africa Engaging Children and Youth in Africa provides a well balanced analysis of on the ground data with methodological and phenomenological issues that abound in much of research in Africa today With an introduction that charts out some of the most critical approaches in African centred research on children and youth contributors to this volume give the reader a glimpse of the product of engaged research that places children and youth at the centre of analysis The authors follow recent studies that have insisted on seeing African childhood and youth beyond constraining Western notions of vulnerability or innocence to capture the ways in which recent advances in technology the intensification of global processes and continued weakening of the nation state have not only contributed to new ways of being children and youth but how they have also provided a new lens through which to study social change

Researching Children's Popular Culture Claudia Mitchell,Jacqueline Reid-Walsh,2005-06-29 The place of childhood in popular culture is one that invites new readings both on childhood itself but also on approaches to studying childhood Discussing different methods of researching children s popular culture they argue that the interplay of the age of the players the status of their popular culture the transience of the objects and indeed the ephemerality and long lastingness of childhood all contribute to what could be regarded as a particularized space for childhood studies and one that challenges many of the conventions of doing research involving children

Basics Creative Photography 02 Maria Short,2011-06-01 Basics Creative Photography 02 Context and Narrative is a visually stunning introduction to the use of storytelling in photographic imagery

Context and Narrative in Photography Maria Short,Sri-Kartini Leet,Elisavet Kalpaxi,2020-08-15 However beautiful or technically

dazzling your photographs might be if they don't tell a story convey an idea or make your viewer stop and think they are unlikely to make a lasting impression Context and Narrative in Photography introduces practical methods to help you plan develop and present meaningful communicative images With dozens of examples from some of the world's most thought provoking photographers this is a beautiful introduction to a fascinating aspect of photography Beginning with an exploration of different narrative techniques you'll be guided through selecting and developing a compelling concept for your project and how it might be conveyed either through a single image or a series of photographs You'll also learn ways to incorporate signs symbols and text into your work and how to present the finished piece to best reach your audience New to this edition are extended projects additional exercises and discussion questions expanded case studies around 25% of the images and an expanded Chapter 6 on integrating text into photographic projects
