Long Slow Burn Sexing Up The Social Sciences:

Long Slow Burn Kath Weston,2013-09-13 Kath Weston s powerful collection of essays *Long Slow Burn* challenges the preconception that queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along To deny this one would have to overlook Kinsey s pioneering sex research in the 1950s or the psychiatrist Evelyn Hooker s pathbreaking study of homosexuality but also in the sex talk that lies at the heart of classic debates on kinship inequality cognition and other foundational topics in the social sciences What is different now Weston claims is the way sexuality has been isolated from other contemporary issues Not content with its ghettoization as a contained subfield Weston refuses to draw an artificial line around sexuality

Gender in Real Time Kath Weston,2018-10-24 After decades of innovative scholarship that galvanized a field and shattered a world of preconceptions the study of gender now appears to languish It has been a long while since the publication of a provocative and influential text like Judith Butler s *Gender Trouble* Kath Weston argues that the problem is one of time For too long gender studies has been preoccupied with the visual with ample attention given to issues of performativity and embodiment all at the expense of time *Gender in Real Time* makes a provocative and important new argument that will revolutionize the field of gender studies Introducing temporality into the equation and examining the ways gender exists Weston uses the tools of political economy the history of mathematics Darwinian evolution and a bit of physics to propel gender studies toward the future Startling new concepts like zero gender and the meaning of time claims are introduced Moreover the impact of our time sensitive society with its ever increasing need for speed and accelerated development is explored for its effect on the production of gender With chapter titles including *Unsexed* *The Ghosts of Gender Past* and *The Global Economy Next Time* this book offers a pioneering addition to the field that will forever change our notion of gender

Forthcoming Books Rose Arny,1998-04 **Lesbians in Television and Text after the Millennium** R. Beirne,2008-09-15 Taking up such issues as mainstreaming the male gaze and female masculinity this book puts forward provocative readings of little explored texts and offers new insights into the contemporary representation of lesbians

Children, Sexuality and Sexualization Jessica Ringrose,2016-04-29 This volume presents a ground breaking collection of interdisciplinary chapters from international scholars which complicate and offers new ways to make sense of children s sexual cultures across complex political social and cultural terrains

Internet Inquiry Annette N. Markham,Nancy K. Baym,2008-07-17 This collection of dialogues is the only textbook of its kind *Internet Inquiry Conversations About Method* takes students into the minds of top internet researchers as they discuss how they have worked through critical challenges as they research online social environments Editors Annette N Markham and Nancy K Baym illustrate that good research choices are not random but are deliberate studied and internally consistent Rather than providing single how to answers this book presents distinctive and divergent viewpoints on how to think about and conduct qualitative internet studies

Key Features and Benefits Presents each chapter in the form of a question in order to provoke

explicit consideration of key issues Illustrates choices made within larger disciplinary contexts to help students blend approaches think broadly and conduct internet research with the benefit of multiplicity Offers a range of perspectives in each chapter to vividly demonstrate that there are many ways to answer methodological challenges well Includes contributors from multiple disciplines and across the globe Provides a highly reflexive writing style that allows readers to see processes that are rarely visible in finished research reports Intended Audience This edited volume is an excellent supplementary text for a variety of advanced undergraduate and graduate courses such as Internet Research Research Methods Qualitative Research Methods and Computer Mediated Communication in the departments of communication media studies sociology and anthropology It will assist new scholars as well as seasoned practitioners in this arena make informed choices in how they conduct inquiry

Performing Masculinity Geir Presterudstuen, 2020-06-11 Geir Henning Presterudstuen provides an ethnographic account of how men in the multicultural urban centres of Fiji perceive construct and perform masculinities in the context of rapid social change Theoretically informed by critical feminist theories postcolonialism R W Connell's work on masculinities and a Bourdieuan conceptualization of the body this book explores how notions of masculinity manhood and the male body are shaped by the conflicting social forces of Fijian tradition modernity commercialization and urbanization The book provides a timely intervention from the grassroots level in the global south into an ongoing discourse about men and masculinities that has long been dominated by voices from Europe and the US Combining classic ethnography with innovative social analysis Presterudstuen's book is suitable for students and academics with an interest in gender and social change and for scholars across a variety of disciplines including anthropology gender studies sociology pacific studies and international development

Unsettling Queer Anthropology Margot Weiss, 2024-04-12 This field defining volume of queer anthropology foregrounds both the brilliance of anthropological approaches to queer and trans life and the ways queer critique can reorient and transform anthropology

Queer Indigenous Studies Qwo-Li Driskill, 2011-03-15 This book is an imagining So begins this collection examining critical Indigenous centered approaches to understanding gay lesbian bisexual transgender queer and Two Spirit GLBTQ2 lives and communities and the creative implications of queer theory in Native studies This book is not so much a manifesto as it is a dialogue a writing in conversation among a luminous group of scholar activists revisiting the history of gay and lesbian studies in Indigenous communities while forging a path for Indigenous centered theories and methodologies The bold opening to Queer Indigenous Studies invites new dialogues in Native American and Indigenous studies about the directions and implications of queer Indigenous studies The collection notably engages Indigenous GLBTQ2 movements as alliances that also call for allies beyond their bounds which the co editors and contributors model by crossing their varied identities including Native trans straight non Native feminist Two Spirit mixed blood and queer to name just a few Rooted in the Indigenous Americas and the Pacific and drawing on disciplines ranging from literature to anthropology contributors to Queer Indigenous Studies call Indigenous GLBTQ2

movements and allies to center an analysis that critiques the relationship between colonialism and heteropatriarchy By answering critical turns in Indigenous scholarship that center Indigenous epistemologies and methodologies contributors join in reshaping Native studies queer studies transgender studies and Indigenous feminisms Based on the reality that queer Indigenous people experience multilayered oppression that profoundly impacts our safety health and survival this book is at once an imagining and an invitation to the reader to join in the discussion of decolonizing queer Indigenous research and theory and by doing so to partake in allied resistance working toward positive change Lesbian Motherhood Róisín Ryan-Flood, 2009-05-27 This book studies the growing number of lesbian women embarking on parenthood after coming out Theoretical debates about lesbian motherhood often consider its assimilative or transgressive dimensions This book offers a different approach contextualising lesbian motherhood in relation to sexual citizenship and hegemonic discourses of kinship

Long Slow Burn Sexing Up The Social Sciences Introduction

In today's digital age, the availability of Long Slow Burn Sexing Up The Social Sciences books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Long Slow Burn Sexing Up The Social Sciences books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Long Slow Burn Sexing Up The Social Sciences books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Long Slow Burn Sexing Up The Social Sciences versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Long Slow Burn Sexing Up The Social Sciences books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Long Slow Burn Sexing Up The Social Sciences books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Long Slow Burn Sexing Up The Social Sciences books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Long Slow Burn Sexing Up The Social Sciences books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Long Slow Burn Sexing Up The Social Sciences books and manuals for download and embark on your journey of knowledge?
