the people of lofty reputation or people who have something of historical importance to say Marcus 1984 31 32 Nelson Mandela in his acknowledgement clearly says that I began writing it autobiography clandestinely in 1974 during my imprisonment on Robben Island Apparently Mahatma Gandhi finished his autobiography in his imprisonment time Solitude seems a necessary requirement for political personalities to write as writing needs time and concentration Want of time is the main constraint in the life of political figures Another similar example is the case of Martin Luther King Jr He attempted to write his autobiography Stride towards freedom but could not complete it in his short span of life simply because of want of time Martin Luther King Jr s wife completed the dream of her husband by compiling his autobiography Nelson Mandela admits since my release my schedule has been crowded with numerous duties and responsibilities which have left me little free time for writing acknowledgement [HSA Heritage Auctions Rare Books Auction Catalog #6030](#) James Gannon,2009-09
