Longer Fly Casting:

Longer Fly Casting Lefty Kreh, 1991 This little handbook will help any fly fisherman beginner to near expert to refine his fly casting technique to double haul with more accuracy and authority and for greater distance to cast better from boats into the wind when there are obstructions to roll cast farther to prepare one's equipment properly for longer casts *Orvis Guide to Better Fly Casting* Al Kyte, 2008-07-01 Fly casting might look easy you just move the rod back and forth right Yes that's true but between back and forth a lot can go wrong The perfect marriage of human skill and dexterity to the cork and graphite of today's fly rods takes a good bit of work and this is the how to book that gets you around common mistakes and bad moves so that you can develop the muscle memory that makes for easy accurate and highly successful fly casting Author Al Kyte's instruction with numerous full color photographs breaks down the parts of the cast to get you to better understand what is happening and how to put all of the parts of your cast together to make noticeable improvements Master Your Fly Casting! Jim C. Chapralis, 2006-04 Fly casters will learn the relationship between casting skill and fishing success as they use the exercises presented in this handbook to advance to the next skill level Designed to make fly casting practice more motivating and fun these exercises employ a series of targets and challenges to encourage fly casters to hone their skills and develop from merit class into master class anglers a position that only the top 10% of casters achieve An introduction to the American Casting Association's ACA official fly events and regulations is an integral part of the program and casters are encouraged to incorporate the challenges associated with these events into their practice rounds and to score their results as if participating in tournament play in order to fine tune their techniques and prepare for actual competitions A section that includes interviews with accomplished casters information on casting clubs and instructions for using a video camera to improve casting techniques rounds out this informative work *Fly Casting Scandinavian Style* Henrik Mortensen, 2010-06-29 World famous guide and instructor Henrik Mortensen's version of Scandinavian casting was designed to catch fish no matter where the caster is on the river it is the most adaptable and flexible casting technique giving the flyfisher the ability to handle any situation he encounters effortlessly Mortensen shares the essentials of fly casting with single and double handed rods in the Scandinavian tradition beginning with the basic technique of the overhead cast An explanation of the physics of the proper cast and how the rod line leader and fly work as a balanced unit tell how Scandinavian casting makes it a pleasure to cast and fish The author covers the tried and true knots that are best for this style of casting and how to add the single and double haul to your casts **L.L. Bean Fly-Casting Handbook, Revised and Updated** Macauley Lord, 2007-03-01 Now updated including full color illustrations The L L Bean Fly Casting Handbook is a must have for all beginning and intermediate fly casters Based on the winning methods of the L L Bean Fly Fishing Schools sections include The Eleven Habits of Highly Effective Casters The Basic Four Part Cast The Essential Roll Cast Getting More Distance Casting into the Wind Double Hauling and more Anglers will find this accessible guide helpful to

becoming a more accomplished fly caster **Lefty Kreh's Longer Fly Casting** Lefty Kreh, 2007 One of the finest casting instructors in the world helps all fly fishers get more distance out of every cast Forest and Stream , 1897 **Fly Fishing for Beginners** Chris Hansen, 2002-12 Many anglers who wish to get started in fly fishing are intimidated With so many choices of expensive rods reels lines leaders and flies it s difficult to know where to begin And it doesn t help that a few of the so called experts in the field write articles implying the sport is difficult to master The truth is to be a successful fly angler you don t need to know everything about everything That s what sets this book apart from the many other fly fishing books available today In these pages veteran fly fishing instructor Chris Hansen concentrates on teaching you the basics For example if you aren t sure what level fly angler you are check out Hansen s 10 Ways to Tell If You re a Beginner Want to learn how to fly cast Read 12 Tips to Making the Perfect Cast And if you think you must carry everything but the kitchen sink with you every time you wade into a stream look at Hansen s 8 Accessories for Every Trip Hansen understands the best reason to try fly fishing is that in many situations you can catch more fish with flies than you can with spinning or baitcasting lures In this book s final chapter Catching Fish on Flies he details these situations for panfish trout largemouth bass smallmouth bass and even northern pike In addition he shows you his Top 10 Fly Patterns for each species and the best retrieves for getting finicky fish to strike **Western Field** , 1902 Fly-Casting Finesse John L. Field, 2015-04-21 Fly Casting Finesse reveals expert John L. Field s secrets of fly casting based on modern observation Field s experience as an angler and casting teacher and his collaboration with international members of casting clubs and schools Whether the reader is a salt or freshwater angler Fly Casting Finesse will help the caster increase accuracy and distance as well as hone presentation It runs the gamut from one hand spey techniques to dealing with wind on the flats Although not a complete casting curriculum the purpose of the book is to help anglers learn how to achieve more and know where to get assistance Many of the skills at the highest levels of fly casting require an educated sense of feeling in the rod hand that enables the caster to use finesse and seemingly minimal effort to manipulate the rod and line The book will guide people down the path of acquiring that magical touch According to Field s philosophy readers should first learn all casting styles and techniques to adapt them for any species and location they encounter and secondly they should know the history and purpose of presentation so they can be innovative in the future In applying this book to angling he s not trying to teach the reader how to catch more fish he s trying to help the reader catch the fish he or she wants Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home *Outing and the Wheelman*
