The Telescopic Tourist's Guide to the Moon Andrew May, 2017-06-29 Whether you re interested in visiting Apollo landing sites or the locations of classic sci fi movies this is the tourist guide for you This tourist guide has a twist it is a guide to a whole different world which you can visit from the comfort of your backyard with the aid of nothing more sophisticated than an inexpensive telescope It tells you the best times to view the Moon the most exciting sights to look out for and the best equipment to use allowing you to snap stunning photographs as well as view the sights with your own eyes Have you ever been inspired by stunning images from the Hubble telescope or the magic of sci fi special effects only to look through a small backyard telescope at the disappointing white dot of a planet or faint blur of a galaxy Yet the Moon is different Seen through even a relatively cheap scope it springs into life like a real place with mountains and valleys and rugged craters With a bit of imagination you can even picture yourself as a sightseeing visitor there which in a sense you are

Junk Science Dan Agin, 2007-11-27 An overdue indictment of government industry and faith groups that twist science for their own gain During the next thirty years the American public will suffer from a rampage against reason by special interests in government commerce and the faith industry and the rampage has already begun In Junk Science Dan Agin offers a response a stinging condemnation of the egregious and constant warping of science for ideological gain In this provocative wide ranging and hard hitting book Agin argues from the center that we will pay a heavy price for the follies of people who consciously twist the public s

understanding of the real world In an entertaining but frank tone Agin separates fact from conveniently scientific fiction and exposes the data faking reality ignoring fear mongering and outright lying that contribute to intentionally manufactured public ignorance Many factions twist scientific data to maintain riches and power and Agin outs them all in sections like these Buyer Beware genetically modified foods aging and tobacco companies Medical Follies chiropractics health care talk therapy Poison and Bombs in the Greenhouse pollution warfare global warming Religion Embryos and Cloning Genes Behavior and Race We already pay a heavy price for many groups conscious manipulation of the public s understanding of science and Junk Science arms us with understanding cutting through the fabric of lies and setting the record straight
