Look What Love Has Done:

Long Road to Hero Mike Haszto, 2010-12-31 Joe is your average guy who has led an average life Or quite possibly there could be more much more But he would never tell anyone that He possesses the talents of being in the right place at the right time Or does he He is not afraid to speak his mind no matter the place and the time Joe is one of those magical guys who came from an era when the world was vastly less complex and complicated And while the rest of the world evolved in their way he evolved too but not in the same direction He was born his own person grew up his own person and lived his life on his terms The people who engage in his life are as special as he is Through the crossroads and intersections of their lives everyone comes to the realization that it is indeed a long road to hero

Issues, Tissues and Miss Yous Mike Haszto, 2013-05 The heart is one of the strongest muscles in the human body Not only physically does it keep all of us alive but mentally and spiritually it works overtime to keep all of us somewhat balanced happy and in the game of life As we all know the latter two mentioned are not entirely comfortable with the challenges that life presents to us Here is a collection of poems from an emotional and passionate leader among poets that will stir up memories conjure up emotions both of positiveness and emptiness and put you in each scene that will give you the opportunity to develop new feelings and perspectives

What Love Has Done Elizabeth Cain, 2017-02-16 Kivuli Farley is an East African teen who has already suffered a tumultuous childhood when she arrives in America to meet the Roses who had been patrons and friends of her great grandfather for four decades Spirited and generous Kivuli is anxious to learn more about her Maasai ancestor buried in Nevada before she was born But the present journey proves to be as challenging as the past when she discovers a secret the old African had kept that led to a devastating tragedy for the Rose family What Kivuli desires above all is to find a way for those still wounded to heal and a path to redemption for two women worlds apart an incarcerated child abductor and the killer she knows best her own mother As she opens herself to the teachings of a Lakota Sioux horse master the lesson in a provocative painting the friendship of an adopted Indian boy with two dads the surprising spiritual views of a South African Catholic priest and ultimately a dangerous communication with the seemingly unredeemable kidnapper the way becomes clear In a whirlwind tale of diverse cultures faiths and passions victims and perpetrators draw inexorably together in a search for the meaning of forgiveness
