into Glorious Light Following the Light Kenneth D. Klamon, 2010-04 FOLLOWING THE LIGHT is a guide in practical theology. Theology pertains to the field of study and analysis that examines the God consciousness, its attributes and relationship to the universe. Included in this book are examples of divine happenings which establish religious truths or enlightenment. Finally, this book discusses how FOLLOWING THE LIGHT can help enrich our understanding of Theology as it applies to our daily lives. FOLLOWING THE LIGHT describes how everything we do or experience is intertwined and affects our personal development. It discusses how metaphysics, psychology, physics, paranormal activity and parapsychology interact with each other as they relate to our Divine essence or Spirit from its beginning through completion. Further, we examine some common beliefs and misconceptions as they relate to modern scientific studies that follow metaphysical principles and practices. The author has included some of his personal experiences as examples. Rev. Klamon had been meditating, praying and studying with a burning desire for the answers to his questions: Who or what is God? Why are we here? Moreover, how do Jesus, Moses, the Bible, parapsychology, paranormal activity and science fit into this puzzle? He devoted his life to finding the answers, but little did he know he was about to receive them in a big way. More than ever before, people today are asking important questions about theology that need and deserve answers. Identifying and answering those questions is the purpose of this book. This book provides the reader an opportunity to receive the benefit of learning the truth about God and our purpose in life, including how science, the paranormal and other pieces of the puzzle all fit together. You will learn that this life is your creation; enjoy it while FOLLOWING THE LIGHT. **Find the Diamond Light in You** Barbara Jean Judd, 2012-02

Two weeks before Christmas in 1992, author Barbara Jean Judd had a frightening yet deeply amazing experience. While praying for guidance to make it through a particularly difficult time in her life, she fell asleep and had a near-death experience. She traveled in a dark tunnel and saw a light ahead. When she woke, her life was changed forever. **Find the Diamond Light in You** shares Barbara Jean's dramatic story and reveals how prophetic revelations and out-of-body experiences indicate there is a God and a good Spirit in us all. After her experience, Barbara Jean began to make the connections between how certain symbols, people and events in her life were all spiritual in nature. In addition, she shares how she developed her gift of spiritual writing and began to explore premonitions, insights and dreams. More and more, she realized that God was showing her important revelations as well as pointing her to the path she needed to take in her life. From her great grandmother's passing to her vision of the Antichrist, Barbara Jean knew the Lord had blessed her with a remarkable ability to see His will. **Find the Diamond Light in You** encourages a deeper connection with your inner thoughts and feelings and shows how one woman discovered God's plan for her life. **Dorothy's Mystical Adventures in Oz** Robert J.
