overlooked benefits of interreligious encounter is that it empowers us to see ourselves and particularly our racialized identities in new and revealing ways In *The Habits of Race and Faith in a Religiously Diverse World* Mara Brecht places whiteness under particular scrutiny its tangled and entwined relationship with religious identity as well as strategic associations with dominance and privilege The analysis of whiteness gives way to fresh perspectives on Christian ideas about salvation both in connection to religious faith and racial embodiment The Christian Library Jonathan Going, 1836
