Gilbert, Anne Green

Looking At The Dance:

Looking at the dance Edwin Denby,1965

Looking at the Dance (Classic Reprint) Edwin Denby,2017-12-11

Excerpt from Looking at the Dance Dance News and Dance Magazine under the dates indicated The Critic is part of a piece on the subject written for the Dance Encyclopedia anatole Chujoy editor For convenience sake the material has been arranged under general headings on occasion somewhat arbitrarily About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Creative Dance for All Ages

2nd Edition Gilbert, Anne Green,2015-01-28 This second edition of the classic text directs dance teachers through what they need to know to teach creative dance from pre K through adult levels in a variety of settings It includes a sequential curriculum lesson plans editable forms and teacher strategies created by master teacher Anne Green Gilbert The

Routledge Dance Studies Reader Jens Richard Giersdorf,Yutian Wong,2010-02-25 Represents the range and diversity of writings on dance from the mid to late twentieth century providing contemporary perspectives on ballet modern dance postmodern movement performance jazz and ethnic dance Choreography And The Specific Image Daniel

Nagrin,2001-08-15 The world outside has burst into the studio writes the influential dancer teacher and choreographer Daniel Nagrin Many dancers want passionately to confront concrete difficult subjects But their formalistic training hasn't prepared them for what they need to say This book the first on choreography approached through content rather than structure is designed with them in mind Spiced with wit and strong opinions Choreography and the Specific Image explores in nineteen far ranging essays the art of choreography through the life's work of an important artist A career of performance creativity and teaching spanning five decades Nagrin reveals the philosophy and strategy of his work with Helen Tamiris a founder of modern American dance and of Workgroup his maverick improvisation company of the 1970s During an era when many dancers were working with movement as abstraction Nagrin turned instead toward movement as metaphor in the belief that dance should be about something In Choreography and the Specific Image Nagrin shares with the next generation of dancers just how that turn was accomplished It makes no sense to make dances unless you bring news he writes You bring something that a community needs something from you a vision an insight a question from where you are and what churns you up In a workbook following the essays Nagrin lays out a wealth of clear effective exercises to guide dancers toward such constructive self discovery Unlike all other choreography books Nagrin addresses the concerns of both modern and commercial show dance choreographers The need to discover the inner life he maintains is what fires the motion This is

Nagrin's third book of a trilogy following *Dance and the Specific Image* *Improvisation and The Six Questions Acting Technique for Dance Performance* Each focuses on a different aspect of dance improvisation performance and choreography engaging the specific image as a creative tool Part history part philosophy part nuts and bolts manual *Choreography and the Specific Image* will be an indispensable resource for all those who care passionately about the world of dance and the world at large

The Influence of Oscar Wilde on W.B. Yeats Noreen Doody, 2018-08-07 This book asserts that Oscar Wilde 1854 1900 was a major precursor of W B Yeats 1865 1939 and shows how Wilde's image and intellect set in train a powerful influence within Yeats's creative imagination that remained active throughout the poet's life The intellectual concepts metaphysical speculations and artistic symbols and images which Yeats appropriated from Wilde changed the poet's perspective and informed the imaginative system of beliefs that Yeats formulated as the basis of his dramatic and poetic work

Section One Influence and Identity 1888 1895 explores the personal relationship of these two writers their nationality and historical context as factors in influence Section Two Mask and Image 1888 1917 traces the creative process leading to Yeats's construction of the antithetical mask and his ideas on image in relation to the role of Wilde as his precursor Finally *Salom* Symbolism *Dance and Theories of Being* 1891 1939 concentrates on the immense influence that Wilde's symbolist play *Salom* wrought on Yeats's imaginative work and creative sensibility

Harper's Magazine Lee Foster Hartman, Frederick Lewis Allen, 1929 Important American periodical dating back to 1850
