

Looking Back 1990

Steven C. Dubin

Looking Back 1990:

The 1990s: A Decade of Contemporary British Fiction Nick Hubble, Philip Tew, Leigh Wilson, 2015-05-21 How did social cultural and political events in Britain during the 1990s shape contemporary British Fiction From the fall of the Berlin Wall to the turn of the millennium the 1990s witnessed a realignment of global politics Against the changing international scene this volume uses events abroad and in Britain to examine and explain the changes taking place in British fiction including the celebration of national identities fuelled by the move toward political devolution in Northern Ireland Scotland and Wales the literary optimism in urban ethnic fictions written by a new generation of authors born and raised in Britain the popularity of neo Victorian fiction Critical surveys are balanced by in depth readings of work by the authors who defined the decade including A S Byatt Hanif Kureishi Will Self Caryl Phillips and Irvine Welsh an approach that illustrates exactly how their key themes and concerns fit within the social and political circumstances of the decade **Arresting Images** Steven C.

Dubin, 2013-10-18 Although contemporary art may sometimes shock us more alarming are recent attempts to regulate its display Drawing upon extensive interviews a broad sampling of media accounts legal documents and his own observations of important events sociologist Steven Dubin surveys the recent trend in censorship of the visual arts photography and film as well as artistic upstarts such as video and performance art He examines the dual meaning of arresting images both the nature of art work which disarms its viewers and the social reaction to it Arresting Images examines the battles which erupt when artists address such controversial issues as racial polarization AIDS gay bashing and sexual inequality in their work

Rethinking The 1990s Oxford Editor, 2025-11-12 Rethinking the 1990s provides a timely thought provoking retrospective on a decade of world historical importance In an era of intensifying geopolitical rivalry economic nationalism and ideological extremism this wide ranging analysis explores the great hopes and expectations that inspired Western policymakers in the decade after the Cold War Providing much needed historical perspective it offers new insight into the strategic choices political trade offs and missed opportunities that have brought the world to this unsettled moment Written in a highly accessible style these engaging essays by leading experts will make it attractive to students and the educated reading public as well as essential reading for scholars of world politics **The Korean Popular Culture Reader** Kyung

Hyun Kim, Youngmin Choe, 2014-03-07 This collection provides a timely and essential foundation for studying Korean popular culture K pop by looking at its global popularity relation to the contemporary cultural landscape and historical roots *The Dictionary of Modern Proverbs*, 2012-05-22 Collects more than 1 400 English language proverbs that arose in the 20th and 21st centuries organized alphabetically by key words and including information on date of origin history and meaning

Looking Back at LBJ Mitchell B. Lerner, 2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades

later it's now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation's most misunderstood presidents. Drawing upon a wealth of new sources including recently released phone conversations, these authors shine a bright and probing light on LBJ's beleaguered White House tenure. Collectively, they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control. Four chapters focus on LBJ's foreign policies, including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam, the Six Day War, and policies toward the communist bloc. Yet the authors generally depict a president who, contrary to conventional views, did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy. Five other chapters focus on aspects of LBJ's domestic policies that have been largely neglected: women's rights, Native Americans, agriculture, civil disorder, and fiscal policy. Whether responding to urban riots or balancing different versions of the 1964 Farm Bill, Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized. All of these writings attest to the complexities of Lyndon Johnson, a larger-than-life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed. The new perspectives and revelations they provide point students, scholars, and presidential buffs alike toward a much more enlightened view of this fascinating figure.

Looking Back and Living Forward Jennifer Markides, Laura

Forsythe, 2018-04-16 **Looking Back and Living Forward** Indigenous Research Rising Up brings together research from a diverse group of scholars from a variety of disciplines. The work shared in this book is done by and with Indigenous peoples from across Canada and around the world. Together, the collaborators' voices resonate with urgency and insights towards resistance and resurgence. The various chapters address historical legacies, environmental concerns, community needs, wisdom, teachings, legal issues, personal journeys, educational implications, and more. In these offerings, the contributors share the findings from their literature surveys, document analyses, community-based projects, self-studies, and work with knowledge keepers and elders. The scholarship draws on the teachings of the past, experiences of the present, and will undoubtedly inform research to come.

The Allied Air War and Urban Memory Jörg Arnold, 2011-08-22

The cultural legacy of the air war on Germany is explored in this comparative study of two bombed cities from different sides of the subsequently divided nation. Contrary to what is often assumed, Allied bombing left a lasting imprint on German society, spawning vibrant memory cultures that can be traced from the 1940s to the present. While the death of half a million civilians and the destruction of much of Germany's urban landscape provided usable rallying points in the great political confrontations of the day, the cataclysms were above all remembered on a local level in the very spaces that had been hit by the bombs and transformed beyond recognition. The author investigates how lived experience in the shadow of Nazism and war was translated into cultural memory by local communities in Kassel and Magdeburg, struggling to find ways of coming to terms with catastrophic

events unprecedented in living memory Projecting Science and Engineering Personnel Requirements for the 1990s
United States. Congress. House. Committee on Science, Space, and Technology. Subcommittee on Investigations and
Oversight,1993 **EPA Journal** ,1989 **Quick Bibliography Series** ,1976 **Kin of Place** C. K. Stead,2013-11-01 This
collection of 28 critical essays provides provocative comment on the work of 20 New Zealand writers including Elizabeth
Knox Katherine Mansfield Kendrick Smithyman Allen Curnow and Janet Frame **Australian national bibliography** ,1961

After Neoliberalism John Quiggin,2024-07-30 Since the early 1980s Australian economic policy has been dominated by
the ideology of neoliberalism also known as economic rationalism including policies of privatisation financial deregulation
and micro economic reform Throughout this period John Quiggin has presented critical assessments of neoliberal policies
and the claims about productivity growth made in support of those policies The credibility of neoliberalism was fatally
wounded by the Global Financial Crisis and its aftermath Nevertheless market ideology has lumbered on in zombie form for
want of a clear alternative It is only recently that we have begun to reverse the failed policies of privatisation and
deregulation and to consider radical alternatives such as a shift to a four day week This book provides a historical
perspective in the form of a series of articles written from the mid 1980s to the present day It concludes with some
suggestions for the way forward after neoliberalism John Quiggin is the intellectual equivalent of a dazzling fireworks display
I walk away from every encounter with a bright new insight and this book is no exception Agree or disagree Professor
Quiggin is a veritable trove of fresh insights Spanning nearly four decades this volume brings together some of Professor
Quiggin s most provocative contributions driven by a deep commitment to equity It will pique your curiosity and encourage
you to work towards a better world Andrew Leigh Parliamentarian and author of The Shortest History of Economics On
Jazz Alyn Shipton,2022-05-05 A vivid and fascinating up close encounter with jazz brim full of anecdote and personal
reminiscence by an internationally known broadcaster and writer **British Theatre of the 1990s** M. Aragay,H. Klein,E.
Monforte,P. Zozaya,2007-04-23 This exciting book uniquely combines interviews with scholars and practitioners in theatre
studies to look at what most people feel is a pivotal moment of British theatre the 1990s With a particular focus on in yer face
theatre this volume will be essential reading for all students and scholars of contemporary British theatre **Health Care**
in Rural America Patricia La Caille John,1991 **Progressive Library Organizations** Alfred Kagan,2015-03-27 This work
presents the history and impact of the seven most important progressive library organizations worldwide in Austria Germany
South Africa Sweden United Kingdom and two in the United States Each organization is considered within its national
context and in fact the English word organization does not quite fit the nature of all of the groups The South African
organization LIWO was transitional in that it helped bring South African librarianship from apartheid to majority rule and
then disbanded The other organizations or their successors are still working in one form or another Some of the
organizations have had or continue to have vibrant local chapters though many of the original activists have recently retired

or died The author has interviewed many of them at a time when they were assessing their life work and handing off to new generations **Economic Growth in the 1990s** World Bank,2005 This report was prepared by a team led by Roberto Zagha under the general direction of Gobind Nankani *Monthly Catalog of United States Government Publications* ,1993
