Looking Backward At Us

Edward Bellamy

Looking Backward At Us:

Looking Backward by Edward Bellamy - A Utopian Novel Edward Bellamy, Laura Bonds, 2009-10 Meet Julian West who falls asleep in Boston for over a hundred years then wakes to find himself in a futuristic socialist utopia where people retire at 45 to live out the rest of their lives in leisure His guide in this brave new America is Doctor Leete with whom he discusses the wonders he encounters and the perils he envisions These social minded dialogues range from discussing religion an improved legal system and class equality to the use of credit cards overnight deliveries and the dangers of the stock market Edward Bellamy wrote Looking Backward in 1887 and the descriptions of his futuristic socialist utopia quickly ignited spirited debate and led to a political movement which came to be known as Nationalism The book also inspired the creation of new utopian communities as well as influencing over a century of urban planning including the Garden city movement in England This full size collectible edition has been designed for students and scholars and features a new introduction as well as a contemporary look at the life and influence of Edward Bellamy It has been updated indexed and completely restored for a modern audience Excerpt from Looking Backward by Edward Bellamy A Utopian Novel Chapter 26 Reprinted by permission All rights reserved It was the sincere belief of even the best of men at that epoch that the only stable elements in human nature on which a social system could be safely founded were its worst propensities They had been taught and believed that greed and self seeking were all that held mankind together and that all human associations would fall to pieces if anything were done to blunt the edge of these motives or curb their operation In a word they believed even those who longed to believe otherwise the exact reverse of what to us seems self evident they believed that is that the antisocial qualities of men and not their social qualities were what furnished the cohesive force of society It seems absurd to expect anyone to believe that convictions like these were ever seriously entertained by men With a tear for the dark past turn we then to the dazzling future and veiling our eyes press forward The long and weary winter of the race is ended Its summer has begun Humanity has burst the chrysalis The heavens are before it Critical reviews for Looking Backward One of the most remarkable books ever published in America it is one of the few books ever published that created almost immediately on its appearance a political mass movement Erich Fromm While almost prophetic in its 19th century predictions of many modern contrivances socially Looking Backward stands in stark contrast to America as it exists in the grip of the early 21st century world economic recession Yet even more than a century after it was written Bellamy s masterpiece now burns even brighter as a beacon of hope for class equality and the ideas associated with Christian socialism Shawn Connors editor of Men Women by Robert Browning Transcendentalism A Poem in Twelve Books [Looking Backward, 2000 to 1887](#) Edward Bellamy, 2019-01-31 Looking Backward 2000 1887 is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888 [Looking Backward 2000-1887](#) Edward Bellamy, 2013-06-19 Stimulating thought provoking utopian fantasy about a young man who s put into a hypnotic sleep in the

late 19th century and awakens in the year 2000 to find a vastly changed world where crime war and want no longer exist A provocative study of human society as it is and as it might be Edward Bellamy s *Looking Backward* 2000 1887 is one of the most influential utopian novels in English The narrative follows Julian West who goes to sleep in Boston in 1887 and wakes in the year 2000 to find that the era of competitive capitalism is long over replaced by an era of co operation Wealth is produced by an industrial army and every citizen receives the same wage There is no better book than *Looking Backward* for understanding the intersecting private and public spheres in Victorian America Richard Fox *Looking Backward* Edward Bellamy,2016-07-04 With an Introduction by Heywood Broun Notice This Book is published by Historical Books Limited www publicdomain org uk as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to publications publicdomain org uk This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA publicdomain org uk

Looking Backward, 2000 to 1887 Edward Bellamy,2019-08-12 Edward Bellamy March 26 1850 May 22 1898 was an American author journalist and political activist most famous for his utopian novel *Looking Backward* Bellamy s vision of a harmonious future world inspired the formation of numerous Nationalist Clubs dedicated to the propagation of Bellamy s political ideas After working as a journalist and writing several unremarkable novels Bellamy published *Looking Backward* in 1888 *Looking Backward* was one of the most commercially successful books published in the United States in the 19th century and it especially appealed to a generation of intellectuals alienated from the dark side of Gilded Age In the early 1890s Bellamy established a newspaper known as *The New Nation* and began to promote united action between the various Nationalist Clubs and the emerging Populist Party He published *Equality* a sequel to *Looking Backward* in 1897 and died the following year *Futurama: Looking Backward at Present Day America* Christian Schlegel,2014-06-27 Matt Groening developed together with his friend and colleague David X Cohen the TV Show *Futurama* set in New York in the year 3000 Groening describes his vision of the future in *Futurama* as corporate commercial and confusing which is not what he expects it to be and it is not necessarily valuing this world as good or bad Thus the assumption of this study is that *Futurama* presents a stereotyped science fiction world that deals with themes and problems of our present time This becomes clear when looking at the excessive use of allusions and references to political and historical events as well as to popular and classical culture The creators comment that way on topics that concern us or at least should concern us today The task of this study is to identify these topics and references focusing on America as a political entity and thereby discuss the points of criticism *Futurama* raises *Looking Backwards from 2000 to 1887 (Annotated)* Edward Bellamy,2020-02-04 Differentiated book It has a historical context with research of the time *Looking back from 2000 to 1887* *Lookink Backward 2000 1887* is a Victorian novel by American writer Edward Bellamy published in 1888 We begin this brief introduction by saying that *Looking Back* undoubtedly was one of the most influential American novels of all the times in addition to the great bestseller

of his time and an inexhaustible source of political debate While the plot of Looking Back is clearly fantastic his spirit is not She was accused of a utopian novel of work that only works as a socialist pamphlet or as a cathartic exercise by Edward Bellamy Possibly it is the three things and also something else Looking back he tells us the story of Julian West a boy who lives in the late nineteenth century and who falls into a deep hypnotic dream that transports him to the year 2000 From here Edward Bellamy s imagination merges with his criticism of the capitalist system which provides the basis for his futuristic vision It is worth clarifying that Looking Back was not an innocent book The masses received it with joy It had a profound impact on later Marxist writings even in many North American regions hundreds of utopian communities were founded that tried to live under the slogans of the book

Looking Backward Edward Edward Bellamy,2016-09-09 Why buy our paperbacks Printed in USA on High Quality Paper Standard Font size of 10 for all books Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE OF LOW QUALITY SELLERS Don t buy cheap paperbacks just to save a few dollars Most of them use low quality papers it was first published in 1888 According to Erich Fromm Looking Backward is one of the most remarkable books ever published in America It was the third largest bestseller of its time after Uncle Tom s Cabin and Ben Hur A Tale of the Christ It influenced a large number of intellectuals and appears by title in many of the major Marxist writings of the day It is one of the few books ever published that created almost immediately on its appearance a political mass movement In the United States alone over 162 Bellamy Clubs sprang up to discuss and propagate the book s ideas Owing to its commitment to the nationalization of private property this political movement came to be known as Nationalism not to be confused with the political concept of nationalism The novel also inspired several utopian communities

Looking Backward, 2000 to 1887 Edward Bellamy,2016-06-20 Living as we do in the closing year of the twentieth century enjoying the blessings of a social order at once so simple and logical that it seems but the triumph of common sense it is no doubt difficult for those whose studies have not been largely historical to realize that the present organization of society is in its completeness less than a century old No historical fact is however better established than that till nearly the end of the nineteenth century it was the general belief that the ancient industrial system with all its shocking social consequences was destined to last with possibly a little patching to the end of time How strange and wellnigh incredible does it seem that so prodigious a moral and material transformation as has taken place since then could have been accomplished in so brief an interval The readiness with which men accustom themselves as matters of course to improvements in their condition which when anticipated seemed to leave nothing more to be desired could not be more strikingly illustrated What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future ages The object of this volume is to assist persons who while desiring to gain a more definite idea of the social contrasts between the nineteenth and twentieth centuries are daunted by the formal aspect of the histories which treat the subject Warned by a teacher s experience that learning is accounted a weariness to the flesh the author has sought to

alleviate the instructive quality of the book by casting it in the form of a romantic narrative which he would be glad to fancy not wholly devoid of interest on its own account The reader to whom modern social institutions and their underlying principles are matters of course may at times find Dr Leete s explanations of them rather trite but it must be remembered that to Dr Leete s guest they were not matters of course and that this book is written for the express purpose of inducing the reader to forget for the nonce that they are so to him One word more The almost universal theme of the writers and orators who have celebrated this bimillennial epoch has been the future rather than the past not the advance that has been made but the progress that shall be made ever onward and upward till the race shall achieve its ineffable destiny This is well wholly well but it seems to me that nowhere can we find more solid ground for daring anticipations of human development during the next one thousand years than by Looking Backward upon the progress of the last one hundred That this volume may be so fortunate as to find readers whose interest in the subject shall incline them to overlook the deficiencies of the treatment is the hope in which the author steps aside and leaves Mr Julian West to speak for himself Looking Backwards Edward Bellamy,2017-05-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Looking Back to See** Maxine Brown,2009-12-30 Revealing entertaining window on the music of the 50s and 60s **Looking Backward & Looking Further Backward** Edward Bellamy,Arthur Dudley Vinton,2018-06-05 This carefully crafted ebook Looking Backward Looking Further Backward is formatted for your eReader with a functional and detailed table of contents Looking Backward Julian West a young American towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up 113 years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods The two start working on improving the future with the experiences from the past and the presence Looking Further Backward Set in future of 2023 the book narrates the story of how China invades USA in 2020 after China has adopted rampant capitalism as opposed to rest of the world who are in throes of Nationalism a socialism like set up Written in a form of a diary the novel directly hits out at Edward Bellamy s 1888 Utopian novel Looking Backward The

political drama that unfolds in this novel will make you deeply wonder how the author could foresee so much *Looking Backward* Edward Bellamy,2020-12-01 Julian West is an aristocrat in 19th century America He has all that he would ever need a happy engagement wealth and a pleasant place to live Because of his comfortable place in society Julian is unsympathetic to the plight of the middle and lower class and even looks to their protests and strikes with disdain and contempt One day to calm himself he decides to be put in a hypnotic sleep by his doctor in his own underground bunker This was routine for Julian but when tragedy in the form of a fire strikes Julian is presumed dead and left in the bunker A century later Julian is found but wakes to a world he could never predict With the help of the man that found him Doctor Leete and Leete's daughter Edith Julian becomes familiar with the 20th century American reality of equality between the sexes the abolition of poverty free education and fair working conditions Julian must then accept recognize his unempathetic views of the past now understanding that life is better when people of all genders classes and race can be happy But when Julian finds himself back in the 19th century he struggles to convince others of his knowledge and starts to wonder if the ideal 20th century was all a dream *Looking Backward* was one of the most commercially successful novels of the 19th century and upon its publication inspired mass political movement With the portrayal of the 20th century Bellamy advocates for equality and rejects war and capitalism By depicting a happy working environment where citizens had the freedom to choose their occupations receive fair wages and are able to retire at a reasonable time Bellamy raises awareness for the working class *Looking Backward* has since inspired the ideology of socialism and proposes solutions to problems that America still struggles with today This edition of *Looking Backward* by Edward Bellamy features a striking new cover design and is reprinted in a readable font With these changes the compelling plot and insight of *Looking Backward* is accessible and worthy of conversation **Looking Backward, 2000 to 1887** Edward Bellamy Verne,2019-04-23 One of the best selling books of its era *Looking Backward* presents a science fiction influenced twist on standard political philosophy In the novel protagonist Julian West finds himself transported to twenty first century America which has become a socialist utopia With all the talk in the media about socialism these days *Looking Backward* offers a fascinating glimpse into the origins of the socialist school of thought **Looking Back** Marie Jastrow,1986 In today's design the role played by folding techniques has gained in visibility and polyvalence as this book perfectly illustrates showing designs by creators all around the world using diverse materials paper plastic textiles applied to very different areas of creation such as fashion jewelry or interior design

Looking Backward Edward Bellamy,2025-01-22T22:02:19Z In *Looking Backward* well to do Julian West of Boston falls asleep for 113 years and awakes to find the world of 2000 fundamentally changed An old man and his daughter care for him and take him on a tour of the new world In the new society a single nationalized corporation state under a single political party guarantees work comfort and luxury to everyone in the industrial army *Looking Backward* is a watershed utopian novel following in the path laid by books like Thomas More's *Utopia* Margaret Cavendish's *The Blazing World* and Louis S bastien

Mercier's *The Year 2440 Looking Backward* was received with great excitement and quickly became the second bestselling novel in 19th century America after *Uncle Tom's Cabin* inspiring political reformers Bellamy clubs and a direct response by William Morris in his anti industrial utopian novel *News from Nowhere* Bellamy himself wrote a sequel in 1897 *Equality* which sold well initially but met with less success overall This book is part of the Standard Ebooks project which produces free public domain ebooks

***Looking Back*: Isadore Weiss, 2009-07-13** This book is centered around the memoir *Looking Back* written in 1928 by 20 year old Isadore Weiss only six years after coming to the United States Isadore provides a fascinating insight into Jewish life in the Ukrainian village of Minkovitz before during and after World War One As the war reaches Minkovitz the reader experiences the rare insight of the community's reaction to the fighting the first cars first motorcycles and first airplanes ever seen by people in that region Contrary to popular current thought we also see the excellent relationship between the Jewish community of Minkovitz and the German occupying troops who made toys and gathered firewood for the homes of the people where they were housed during the winter Isadore also recounts the artillery and the hand to hand combat between the forces of Simon Petlura leader of the pogroms and the Bolsheviks We get to see how the new Communist regime establishes itself in Ukraine Isadore's wife Sylvia rounds out the story of how they built a life together in the United States The story continues of how Isadore graduated with honors from the University of Pittsburgh and then worked as a Federal investigator as he overcame the barriers of a new language and anti Semitism Contributing authors provide background on the contemporary social demographic and political environment in Ukraine to help the reader put *Looking Back* into context

***Tunnel Thru The Air Or Looking Back From 1940* W. D. Gann, 2016-08-09** In this inspirational masterpiece about the role of the human being in the universe finance trader and author W D Gann uses the Bible to explore the secret to successful living Through direct teachings from the Bible the reader may learn how to understand obey and apply the universal laws revealed in the Bible in order to bring about his own latent talents and powers and in turn be firmly set on the road towards health happiness and prosperity

***Looking Back 10-25-16* Robert Janicki, 2016-10-25** The personal experiences of a young Marine who served in Vietnam with the 3rd Marines from September of 1967 through October 1968 through the Tet offensive

***Looking Back on the Vietnam War* Brenda M. Boyle, Jeehyun Lim, 2016-06-17** More than forty years have passed since the official end of the Vietnam War yet the war's legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam *Looking Back on the Vietnam War* brings together scholars from a broad variety of disciplines who offer fresh insights on the war's psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global

legacies Though they come from diverse scholarly backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we remember it and why

Looking Backward At Us Introduction

In today's digital age, the availability of Looking Backward At Us books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Looking Backward At Us books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Looking Backward At Us books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Looking Backward At Us versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Looking Backward At Us books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Looking Backward At Us books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Looking Backward At Us books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Looking Backward At Us books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Looking Backward At Us books and manuals for download and embark on your journey of knowledge?

FAQs About Looking Backward At Us Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
