Love The Foundation Of Hope The Theology Of Jurgen Moltmann And Elizabeth Moltmann Wendel:

Love Frederic B. Burnham, Charles S. McCoy, M. Douglas Meeks, 1988 **The Reader Must Understand** Kent E. Brower, Mark W. Elliott, 2013-11-05 The reader must understand is a more forceful translation of the words usually rendered let the reader understand in Mark 13 14 Translated this way this volume's title stresses the importance of eschatology for Bible readers and theologians Eschatology the study of the last things is central to New Testament studies and indeed is not without importance for the Old Testament The Bible's eschatology and its place in Christian theology must therefore be taken very seriously The essays in this volume most of which were presented at the Tyndale Fellowship Triennial Conference 1997 offer new and important ideas and analysis They cover five main areas biblical theology Old Testament New Testament Christian doctrine and practical theology and significant contributions are made in each area Love Jürgen Moltmann, Frederic B. Burnham, Charles S. McCoy, 1988 Discusses faith self acceptance social justice eternal life and place of minorities and women in modern society **Awakening Desire** Irene Alexander, 2018-04-19 The hope of this book is that it awakens desire to know more intimately the God who breaks through our compartmentalization and naming While most in the West have heard God's name as almost exclusively masculine a child growing up in Israel would have experienced the Spirit of God and Lady Wisdom as female This ruach the breath of God brooded over the face of the deep in the creation story like a hovering mother bird The God of the Bible and the early church has been described with both masculine and feminine imagery referred to by the church fathers and mystics as both Mother and Father In our time we have lost much of this rich feminine imagery This book explores not only this historical knowing of God but also more contemporary writers such as Carl Jung Paul Young The Shack George MacDonald and Thomas Merton Each of these men engaged with the Divine Feminine giving us examples of how we too may find God more deeply and more intimately **Ecclesial Leadership as Friendship** Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry *Unmasking*

Apocalyptic Texts Dorothy Jonaitis, 2005 In this original and insightful book Dorothy Jonaitis offers a refreshing alternative to the popular view of biblical apocalyptic writing as gloom and doom fire and brimstone literature Rather she presents it as literature of hope and its authors as people who knew how to use their creative imaginations to communicate their hope filled messages The reader will come to see the apocalyptic authors of both the Old and the New Testaments as dramatists and will learn to preach teach and imagine their writings as dramatic messages to be applied in contemporary times of crisis BOOK JACKET

Deus Trinitas David Coffey, 1999-09-09 Recent years have seen a resurgence of interest in the doctrine of the Trinity following a long period in which it was considered irrelevant to the rest of theology and to the challenge of Christian life In this book David Coffey claims that this resurgence is caused by a renewed appreciation of the fact that salvation itself has a Trinitarian structure He argues that we cannot understand salvation without a solid understanding of the Trinity Coffey considers the full range of issues surrounding this central doctrine of Christian faith Viewing the doctrine of the Trinity in its historical and ecumenical context he seeks to arrive at a balanced vision that incorporates the insights of both the Western and the Eastern Churches In particular he wants to keep in sight both the immanent Trinity the Godhead considered in itself and the economic Trinity that is its role within the economy of salvation In Coffeys own model of the Trinity the Holy Spirit is seen as the objectivization of the mutual love of the Father and the Son This idea is most closely associated with St Augustine and Richard of St Victor Coffey however takes it much further presenting it as an explanation of the origin of the Son and the Holy Spirit and of the manner of operation of the Trinity in the economy From this model he is also able to derive a suggestion for resolving the ecumenical problem of Filioquism vs Monopatristism concerning the procession of the Holy Spirit the issue that has divided East from West for nearly a millennium Presenting a new perspective on a topic of renewed theological interest this comprehensive study has important implications for ecumenical discussions of the Trinity **Index**

Our Only Hope Margaret B Adam, 2014-08-28 The most popular source of theological hope for modern Christians is that of Jurgen Moltmann Preachers teachers and lay people reflect Moltmann s influence with their hope in a this worldly eschatology and suffering God However an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises Our Only Hope explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions from Thomas Aquinas theological virtue of hope to nihilism and beyond in order to encourage the church to sustain and practise hope in Jesus Christ our only hope Three Lectures on the Theology of Hope Delivered by Jürgen Moltmann at Kalamazoo College, October 13-15, 1970 ,1970 **Hope in Jurgen**
