Love Vātsyāyana,2001      Love Vātsyāyana,2001      **The Book of Love** James McConnachie,2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived      **Just Love** Margaret Farley,2008-02-15 This long awaited book by one of American Christianity's foremost ethicists proposes a framework for sexual ethics whereby justice is the criterion for all loving including love that is related to sexual activity and relationships It begins with historical and cross cultural explorations then addresses the large questions of embodiment gender and sexuality and finally delineates the justice framework for sexual ethics Though Just Love's particular focus is Christian sexual ethics Farley's framework is broad enough to have relevance for multiple traditions Also covered are specific issues in sexual ethics including same sex relationships marriage and family divorce and second marriage celibacy and sex and its negativities      *Romantic Guide to Handfasting* Anna Franklin,2016-06-08 Sacred and solemn handfasting is a marriage rite practiced by Pagans Druids Witches and Shamans for centuries Anna Franklin explores the fascinating origins of this beautiful ritual and provides practical advice and ideas for planning your own handfasting celebration      **Kama Sense Marketing** Jacob Levy,2010-05 According to the ancient Kama Sutra Love is where physical emotional and spiritual experiences meet for the purpose of strengthening relationships Isn't this what modern marketing is all about Love is in fact the very peak of emotional marketing Putting this philosophy into practice is not only a revolutionary concept but it's also a guaranteed platform of success In this groundbreaking marketing guide veteran marketing guru Jacob Levy borrows analogies from philosophies and practices of romantic love as described in the Kama Sutra the oldest and best source on the theory and practice of love written some 1500 years ago to help you delve into the world of emotional marketing In crisp concise language Levy discusses the following topics

Using the marriage vow in marketing Wooing your customers Maintaining your customers loyalty Seducing your competitors wives And much more Levy also shows you how to include the term Reciprocal Love in the strategies and mission statements of your organization and deftly reveals how marketing this message to females is essential for success Understanding emotional based marketing is imperative in this new age For all those involved in the highly competitive field of marketing Kama Sense Marketing gives you the edge in propelling your business to new and exciting heights *Sanctified Sex* Noam Sachs Zion,2021-08 Sanctified Sex draws on two thousand years of rabbinic debates addressing competing aspirations for loving intimacy passionate sexual union and sanctity in marriage What can Judaism contribute to our struggles to nurture love relationships What halakhic precedents are relevant and how are rulings changing The rabbis of course seldom agree Underlying their arguments are perennial debates What kind of marital sex qualifies as ideal sacred self control of sexual desire or the holiness found in emotional and erotic intimacy Is intercourse degrading in its physicality or the highest act of spiritual mystical union And should women or men or both wield ultimate say about what transpires in bed Noam Sachs Zion guides us chronologically and steadily through fraught terrain seminal biblical texts and their Talmudic interpretations Talmud tales of three unusual rabbis and their marital bedrooms medieval codifiers and mystical commentators ultra Orthodox rabbis clashing with one another over radically divergent ideals and finally contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries we encounter innovative Jewish teachings on marital intimacy ardent lovemaking techniques and the art of couple communication vital for matrimonial success **Time Space and You** Azar,2020-12-08 Making sense of the world around us and understanding what we are is a burning desire every human being experiences and this book is a comprehensive response to this urge In this work the nature of the Universe is examined from the day it originated and human nature is analyzed from the day Homo sapiens evolved from the hominids to the present Along the way the very enigmatic questions of origins of life love sex and God are explained with the backing of well researched and documented scientific truths The vast knowledge the world has gained through the ages on evolution anthropology archaeology geology history sociology and all relevant scientific disciplines has been harnessed Great care has been taken to present these complex issues in the most simple and clear language so that everybody understands Science is basically a study of nature Any person who tries to understand nature in depth gets dazed by the wonders that unfold before him The beauty harmony unity and the unbelievable manifestations in which the universe presents itself go beyond any human imagination At this point anyone becomes spiritual There is no quarrel between the spiritualists and scientists at this deepest level There is only unity and harmony This work is for those who want to understand this world realize what they are and enjoy the bliss and peace such awareness brings The Ocean of Mirth Jyotirmaya Sharma,2019-08-29 The Ocean of Mirth brings together an English translation and an analytical interpretation of a singularly crucial but obscure Sanskrit

medieval text the H sy r ava Prahasana of Jagad vara Bha ch rya As a political satire the volume finds significant resonances among contemporary questions of politics and society across the world and examines the tension inherent in the clash of ideas such as freedom and order In an unabashed celebration of disorder as the only way to fight violence tyranny and autocratic impulses H sy r ava suggests no return to a Golden Age or to the rule of an iconic king nor is there a promise of a saviour a political farce that ends without any denouement in sight One of the first authentic English translations of a neglected Sanskrit text from medieval India this translation throws up interesting questions regarding values such as freedom violence order chaos and disorder This volume will be a major intervention in the discovery of a significant non canonical text of classical literature and will be indispensable for students scholars and researchers of politics philosophy sociology Indian literatures Indology comparative literature and culture studies     Anthropological Studies on the Strange Sexual Practices of All Races and All Ages Iwan Bloch,2001-06 The celebrated compendium of sexual oddities a no holds barred treatment of sexual practices throughout the world and throughout time The work makes excellent reading though it may be criticized for lacking any substantial synthesis of its components and for being unsympathetic to homosexuals and masturbators Iwan Bloch 1872 1922 the father of sexual science took his medical degree from Wuurzburg in 1896 and soon published his Ursprung der Syphilis 1901 which made him the foremost exponent of the so called Morbus Americanus theory that syphilis originated in America His Beitrage zur Aetiologie der Psychopathia Sexualis was an important follow up of Krafft Ebing and several other works brought him recognition as a pioneer sexologist Book jacket     Crossroads and Cultures, Volume B: 500-1750 Bonnie G. Interaction Ritual Chains is based on the classic analyses of Durkheim Mead and Goffman and draws on micro sociological research on conversation bodily rhythms emotions and intellectual creativity The second half discusses how such activities as sex smoking and social stratification are shaped by interaction ritual chains For example the book addresses the emotional and symbolic nature of sexual exchanges of all sorts from hand holding to masturbation to sexual relationships with prostitutes while describing the interaction rituals they involve This book will appeal not only to psychologists sociologists and anthropologists but to those in fields as diverse as human sexuality religious studies and literary theory **Hidden**

Puri

Ph.D.,Raman Puri MD.,2011-12-05 The widespread use of effective prescription drugs for erectile dysfunction has helped advance societys acceptance of talking about sexual dysfunction for both men and women As the authors elegantly describe sexual dysfunction and attempts at treating it have been around for as long as sexuality itself Its no surprise that history is full of myths about aphrodisiacs Despite all the advances we have made in medicine the myth of the aphrodisiacs is as powerful as ever However sexual dysfunction is very often a complex problem requiring careful thoughtful and educated treatment Rarely is there quick natural fix Consumers need to do their homework before buying into the claims of companies selling natural aphrodisiacs This book is an excellent resource for those seeking to educate themselves about the history effectiveness safety and future of natural aphrodisiacs Nevertheless the information contained within the text is also important and valuable for both sides of the patient physician equation in the treatment of sexual dysfunction Siobhan Hyland McGaughey M D Urologist Urology Associates of central Missouri Columbia MO 65201 The authors have expressed very clearly the various merits and demerits of natural aphrodisiac products on the market Discussion on the future prospects of plant used as aphrodisiacs is excellent information for the phytochemists who are interested to pursue research

limitations in the area of existing natural aphrodisiacs and their standardizations is consistent with the rising interest of global consumers in green environment A special effort in creating the drawings of the natural products for enabling readers to identify the natural products is phenomenal I recommend this book to the lovers of natural products without any hesitation I hope that manufacturers scholars and consumers of natural aphrodisiac products will take advantage of this document in years to come Usha Chowdhary Ph D Professor Human Environmental Sciences Central Michigan University Mount Pleasant MI 48859 The latest research on herbal aphrodisiacs cited by the authors is very impressive The appropriate quotations at the beginning of each chapter are very fascinating It is a comprehensive compendium on natural aphrodisiacs comprising their origin myth chemistry pharmacology risk and romance Hand drawings of the plants are excellent and depict their morphological characteristics that can be helpful in identifying them The book is actually a ready reckoner for physicians pharmacist or herbalists for guiding the patients who are incorporating natural products in their daily regime K C Varma Ph D Emeritus Professor Chief Editor Indian Journal of Natural Products India      **Kamasutra** Mallanaga Vatsyayana,Vātsyāyana,2009-03-26 The Kamasutra is the oldest extant Hindu textbook of erotic love About the art of living as well as about the positions in sexual intercourse it is here newly translated into clear vivid sexually frank English together with three commentaries excerpts from the earliest and most famous Sanskrit commentary 13th century a twentieth century Hindi commentary and explanatory notes by the translators The edition is enhanced by a selection of colour plates from an early edition of the work      **Heart of Violence** Paul Valent,2020-08-07 Violence is the plague of our civilization Its many tentacles domestic violence criminal violence sexual abuse terrorism state violence revolution war and genocide tentacles threaten us The new discipline of traumatology amply describes the consequences of violence But there is as yet no corresponding discipline of violentology to explain why violence occurs in the first place Inexorably Paul Valent was drawn professionally to take the leap from healing the minds of victims to trying to understand the minds of perpetrators Valent unpicks the minds of perpetrators in each field of violence He develops a lens for illuminating violence whether individual or international primitive or spiritual We come to understand how aggressions that helped our species to survive now threaten it with extinction Valent explains his thesis by recounting many stories One story interwoven throughout is his own A child who survived the Holocaust he examines the minds of his perpetrators in his quest to prevent future violence Violence for Valent is not an isolated feature of the human condition Surprisingly close to violence are struggles for love Readers also learn about that aspect of humanity      Crossroads and Cultures, Volume I: To 1450 Bonnie G. Hallett,2022-07-26 A Publishers Weekly Summer Reads Selection The modern romance novel is elevated to a subject of serious study in this addictively readable biography of pioneering celebrity author Elinor Glyn Unlike typical romances which end with wedding bells Elinor Glyn s 1864 1943 story really began after her marriage up the social ladder and into the English gentry class in 1892 Born in the Channel Islands Elinor Sutherland like most Victorian women aspired only to a good match But when her husband Clayton Glyn gambled their fortune away she turned to her pen and boldly challenged the era s sexually straightjacketed literary code with her notorious succes de scandale *Three Weeks* 1907 An intensely erotic tale about an unhappily married woman s sexual education of her young lover the novel got Glyn banished from high society but went on to sell millions revealing a deep yearning for a fuller account of sexual passion than permitted by the British aristocracy or the Anglo American literary establishment In elegant prose Hilary A Hallett traces Glyn s meteoric rise from a depressed society darling to a world renowned celebrity author who consorted with world leaders from St Petersburg to Cairo to New York After reporting from the trenches during World War I the author was lured by American movie producers from Paris to Los Angeles for her remarkable third act Weaving together years of deep archival research Hallett movingly conveys how Glyn more than any other individual during the Roaring Twenties crafted early Hollywood s glamorous romantic aesthetic She taught the screen s greatest leading men to make love in ways that set audiences aflame and coined the term It Girl which turned actress Clara Bow into the symbol of the first sexual revolution With *Inventing the It Girl* Hallett has done nothing less than elevate the origins of the modern romance genre to a subject of serious study In doing so she has also reclaimed the enormous influence of one of Anglo America s most significant cultural tastemakers while revealing Glyn s life to have been as sensational as any of the characters she created on the page or screen The result is a groundbreaking portrait of a courageous icon of independence who encouraged future generations to chase their desires wherever they might lead
