Fearless Relationships Karen Casey, 2003-01-31 Fearless Relationships **Love Is Alive** Mark Jones, 2020-02-18 My book is about love in several different situations I feel a return to love is very important right now Please enjoy the book as I enjoyed writing it *The Voice of the Seven Thunders* George Kevyn Weber, 2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of mens lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of mens souls lost all for the sake of mans vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writers Literary Publishing Services Critique Division *The Whole Works of the Reverend Mr. John Flavel ...* John Flavel, 1701

how faith and hope can align with our scientific and ethical understandings and how such a thoughtful faith will be active in love So understood the love of God looks less like the love a parent has for a child than the challenging risky love a leader has for disciples whose word to them is follow me In this way we see that love works love is active and love succeeds in defeating the corruption and violence that threaten to destroy our world That s the gospel truth     Extreme Love Compiled by Barbour Staff,2012-04-01 God is so in love with you Really And Extreme Love is the little volume that tackles the big obstacles of complacency inferiority and alienation we all face that prevent us from fully delighting in our Father s unconditional affections Through a rich assortment of power packed devotions featuring the testimonies and sage wisdom of Christians past and present you ll be inspired to rediscover a genuine relationship with God embracing His overwhelming authentic love while learning how to radically love Him back In short Extreme Love is a must have arsenal of spiritual confidence and insight that s perfect for personal or group study     Wisdom of Love John Corry,2018-10-29 It is not enough to present the wisdom of love as a credible line of thought the text must also leave the reader with a renewed sense of being in touch with the most compelling component in human life It must move the heart as well as the mind If however my writing elicits only an emotional response I will have failed to trace the influence of love as it presses its way into every aspect of human existence not only in personal relationships in families and faith communities but in business and the military establishment as well     **Awakening to God** Fran Salone-Pelletier,2003 These lively reflections on the lectionary readings for Year C affirm that all of us can listen for and hear God in the ordinary events of daily life In a personal poignant and persuasive manner Fran Salone Pelletier probes the readings to make God s word relevant to readers here and now Her writing is heart felt and poetic and it examines the full spectrum of human emotions and responses to the word of God With each weekly meditation she offers questions for reflection and discussion and a prayer to help readers deepen their spiritual awareness and connection to the Sunday readings This book can be used by individuals for spiritual reading and reflection by Scripture study groups to facilitate discussion for individual or communal retreats for homily preparation for breaking open the word with catechumens and candidates and by any who wish to prepare for a more prayerful experience of Sunday liturgy     **Sweating the Ability to Love and Be Loved** Dr. Carl Sweat Jr.,2021-01-27 What is love What is its future in your life Ancient and modern thinkers have attempted to answer this question In this book Dr Carl Sweat Jr provides great assistance to people seeking the meaning of love and he offers excellent help to people seeking to enhance their ability to love Dr Sweat thoroughly outlines the various elements of love and the role of love in relationships Most significantly the book reveals love as a part of the life and purpose of everyone Therefore this is a book that should be read by every person because everyone can improve his or her ability to love Everyone can strengthen current relationships and everyone can develop new relationships Dr Sweat approaches his subject by considering the reality of human s ability to love the purpose of love in all relationships and the unity of humanity The highly exciting and informative book conveys that no person should
