**Volume 7** Søren Kierkegaard,2014-10-05 For over a century the Danish thinker S ren Kierkegaard 1813 55 has been at the center of a number of important discussions concerning not only philosophy and theology but also more recently fields such as social thought psychology and contemporary aesthetics especially literary theory Despite his relatively short life Kierkegaard was an extraordinarily prolific writer as attested to by the 26 volume Princeton University Press edition of all of his published writings But Kierkegaard left behind nearly as much unpublished writing most of which consists of what are called his journals and notebooks Kierkegaard has long been recognized as one of history s great journal keepers but only rather small portions of his journals and notebooks are what we usually understand by the term diaries By far the greater part of Kierkegaard s journals and notebooks consists of reflections on a myriad of subjects philosophical religious political personal Studying his journals and notebooks takes us into his workshop where we can see his entire universe of thought We can witness the genesis of his published works to be sure but we can also see whole galaxies of concepts new insights and fragments large and small of partially or almost entirely completed but unpublished works Kierkegaard s Journals and

Notebooks enables us to see the thinker in dialogue with his times and with himself Volume 7 of this 11 volume series includes six of Kierkegaard s important NB journals Journals NB15 through NB20 covering the months from early January 1850 to mid September of that year By this time it had become clear that popular sovereignty ushered in by the revolution of 1848 and ratified by the Danish constitution of 1849 had come to stay and Kierkegaard now intensified his criticism of the notion that everything even matters involving the human soul could be decided by balloting He also continued to direct his barbs at the established Danish Church and its clergy particularly Bishop J P Mynster and Professor H L Martensen at the press and at the attempt by modern philosophy to comprehend the incomprehensibility of faith Kierkegaard s reading notes include entries on Augustine the Stoics German mystics Luther pietist authors and Rousseau while his autobiographical reflections circle around the question of which if any of several essays explaining his life and works he ought to publish Perhaps unsurprisingly Kierkegaard s more personal reflections return once again to his public feud with M A Goldschmidt and his broken engagement to Regine Olsen Kierkegaard wrote his journals in a two column format one for his initial entries and the second for the extensive marginal comments that he added later This edition of the journals reproduces this format includes several photographs of original manuscript pages and contains extensive scholarly commentary on the various entries and on the history of the manuscripts being reproduced

**The Jasper Love Trilogy** Onyx Cantor,2020-03-02 This is the story of one man s triumph over Cult Religion As a preacher s son Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion He and four sisters labored to comply with cult demands consistent with their mother s mantra People expect preacher s kids to be perfect The Voice of Truth bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ conflicts with voices of deception from pulpits and pews triggering crippling anxiety depression and suicidal ideation Further compounding his confusion is a terrifying awareness of the cult s distortion of scripture concerning his innate identity When a Connecticut preacher detects his private struggle the Bible scholar promises If you marry a good Pentecostal

girl this thing will just fade away Jasper foolishly accepts the challenge believing that the pastor's counsel is based on Truth A 32 year battle ensues during which a Pentecostal preacher's daughter who aware of his struggle and trained in Exploitation of Advantage manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which simply won't leave me alone Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute Spiritual Warfare ensues during which he is molested by authority figures betrayed by cult dishonesty falls into sin is attacked by demons and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth In the end his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building marriage family home career material wealth and reputation Yet in losing all he is delivered from the Darkness of cult idolatry whereupon he is finally free to immerse himself in genuine Truth Light and Love breaking the tyrannical chains of Cult Religion Released by the Holy Spirit from cult bondage he is at last unleashed to fulfill his destiny To teach the Truth about Jasper Love that boundless unconditional love known only to those who genuinely experience Spiritual Enlightenment to a people deceived by the hateful harlots of idolatry who are nothing more than power crazed authoritarian self aggrandizing despotic antiChrist heretics who worship only one god CONTROL
