**Your Good Body** Jennifer Taylor Wagner, 2022-01-11. Discover a fresh approach to moving, fueling, and loving your good body well. So many of us feel as though accepting our bodies means abandoning any effort to improve. We look in the mirror and tell ourselves that we are going to love the skin we are in, but most days our inner self-critic is all we can hear. We constantly ask ourselves, "How can I have a healthy lifestyle that will keep me motivated and inspired? Why does it even matter how I think about my body? Can't I just lose weight and be happy? What is it going to take for me to be content with the way I look even if I'm not thin?" But there is hope. Pursuing the healthiest version of you means learning to love the reflection in the mirror, and Jennifer Wagner understands this all too well. From looking at her today, you wouldn't know that she used to weigh 336 pounds. During her 16-year health and wellness journey, she has felt the deep anguish of torment from peers and strangers, let the scale dictate her moods, and cried herself to sleep all because of her imperfect body. But ultimately, Jennifer realized that to overcome the overwhelming negative feelings about her body, she needed to start with her mind and let go of all the expectations of perfection that were keeping her from being the best version of herself. Embark on this journey with Jennifer as your guide and learn to live a life of healthy habits and positive motivation to take care of your good body.

*Addiction to Abundance* Patricia P. Kilty, 2021-02-18. Grab some tissues while I take you on a journey of drug addiction, homelessness, toxic relationships, lack of self-worth, to being a successful online business owner and living a life of freedom. I stood in the middle of the road in my little night dress and bare feet, clutching on to my nan's hand. She was shaking, telling my mum, "Go get the front door keys so she could lock the door." I looked at her and didn't understand why she would say that. Have you ever felt so low the only way you can cope is through self-abuse and self-destruction? Addicted to abundance is an Irish girl's struggle with pain, life, parenthood, along with alcohol and drug addiction. The fight between your heart and your mind against the addict within you is not a fair fight. Some battles you win, some battles the addict wins. Just make sure in the end, you win the fucking war. I love me. But I also love you. I want to help you know. There is always love and light in every corner of darkness. Sometimes it's in the form of your fight for survival of you and your son. Brave, honest, and truthfully scary account of a life controlled by love always.
