

“I LOVE YOU” **means**

That I accept you for the person that you are, and that I do not wish to change you into someone else. It means that I will love you and stand by you even through the worst of times. It means loving you even when you're in a bad mood, or too tired to do the things I want to do. It means loving you when you're down, not just when you're fun to be with. “I love you” means that I know your deepest secrets and do not judge you for them, asking in return that you do not judge me for mine. It means that I care enough to fight for what we have and that I love you enough not to let go. It means thinking of you, dreaming of you, wanting and needing you constantly, and hoping you feel the same way for me
