The Reality of Love Ingvild Rosok,2018-01-12 Love is one and love is all we need This book argues against the traditional theological view that God's love differs from human love If God is love and love is one we will find God embodied in all kinds of genuine love experiences By analyzing Karl Rahner's theology of love the author explores how God penetrates and embraces the whole of reality suggesting implications for Christian spirituality and spiritual direction Love Is the Resistance Ashley Abercrombie,2021-08-31 When it comes to disagreement we are in perpetual fight or flight mode Rather than respond with a posture of compassion and connection we are encouraged to resist others personally and politically Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us But the real resistance the kind that helps us grow is learning to love others especially those who disagree with us If you're tired of seeing your real life and online communities in turmoil and you long to be an agent of peace understanding and reconciliation it's time to join a new kind of resistance movement one that pushes us toward personal transformation Grounded in Scripture and illustrated with compelling true stories this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others stop avoiding necessary tension and resolve your internal and external conflicts When we make love our habitual reaction to the conflicts and divisions in our lives we'll find that we can stay true to our convictions without sacrificing our relationships Love & Passion Through The Ages (Historical Novels Boxed-Set) Charlotte Brontë, Anne Brontë, Emily Brontë, Henry James, Samuel Richardson, Jane Austen, Guy de Maupassant, Thomas Hardy, Bernardin de Saint-Pierre, Edith Wharton, Maria Edgeworth, Henry Fielding, Anthony Trollope, Alexandre Dumas, Mary Wollstonecraft, Louis Hémon, Nathaniel Hawthorne, William Makepeace Thackeray, Grace Livingston Hill, Gilbert Parker, Fanny Fern, Georg Ebers, Fanny Burney, Mary Hays, Robert Williams Buchanan, Mary Angela Dickens, Madame de La Fayette, F. A New Vibration Kiran Shashi, 2020-05-05 For so long we have all been living from our perspective in a vibrational energy field that is predominately driven by fear Only some of us manage to rise above it while others continue to stay anchored A new Vibration is present now Only some seem sensitive to it it is a pure vibration of infinite love This vibration has no place for fear I always remember an old quote Whoever fears will die so true for the ones that give their power away Our belief system has been programmed into us from day one through our family and society We let ourselves be bombarded daily by what we are led to believe is news or essential We need to create our own beliefs and cut ties to the controlled perception A new vibration awaits the person seeking the truth and who walks their unique path We are all individual droplets in this ocean of love When we all connect we become the whole ocean but each one of us has a path to follow Lessons need to be learned and that can t happen when you are living a lie It s essential if working with a teacher that you are not misled by do as I say and you will get the same results it does not apply from a spiritual perspective We are all spiritual beings living a human existence and there are differences in each one of us Although our 3D dimension has basic rules the spirit will get in the way of those rules Our differences are unique and they are the key to the rising The choice is simple Fear or Love Move away from the things that cause fear and move towards those that create love Fear will keep you attached to one level of perception and love will raise you to another Where do you really want to be What do you want your world to look like Choose between the two parallels and remember you create your reality By always acting for the good of the universe and in line with the higher vibration you will see that the Universe will always have your back
