palace during World War II ultimately putting his life at risk to save the house and Prague itself from destruction Laurence Steinhardt the first postwar US ambassador whose quixotic struggle to keep the palace out of Communist hands was paired with his pitched efforts to rescue the country from Soviet domination and Shirley Temple Black an eyewitness to the crushing of the 1968 Prague Spring by Soviet tanks who determined to return to Prague and help end totalitarianism and did just that as US ambassador in 1989 Weaving in the life of Eisen s own mother to demonstrate how those without power and privilege moved through history The Last Palace tells the dramatic and surprisingly cyclical tale of the triumph of liberal democracy
