The Lovelace Medical Center Jake W. Spidle,1987      **Margin over Mission** James Kelly,2025-03-18 An ICU nurse reveals how private equity ownership leads to preventable deaths and negligence in hospitals In a country where health care is increasingly driven by profit Margin over Mission exposes the dire consequences of corporate ownership in hospitals James Kelly an ICU nurse with over two decades of experience narrates a gripping account of his final year at Lovelace Women s Hospital in Albuquerque New Mexico a year marred by preventable deaths administrative changes and the heartbreaking loss of a once mission driven institution to the clutches of Wall Street Kelly s poignant narrative takes readers on an emotional journey through the corridors of a hospital that once stood for community and care but became overshadowed by the relentless pursuit of profit Through detailed anecdotes and critical analysis Kelly reveals the stark reality of a health care system compromised by private equity where decisions prioritize profit margins over the mission of saving lives Kelly s unique perspective as an ICU nurse provides an insider s look into how private equity is wreaking havoc in hospitals around the country His story is also a powerful tribute to the countless health care workers who struggle to maintain their integrity and compassion in an increasingly inhumane system that prioritizes money over people      Secret Empire Philip Taubman,2003 During the most dangerous years of the Cold War a handful of Americans secretly built machines that revolutionized spying and warfare while protecting the United States from a surprise nuclear attack This is their story told in full for the first time of photos      *Right Stuff, Wrong Sex* Margaret A.
