**Wolsey** John Matusiak,2014-09-01 Cardinal Wolsey is a controversial figure a butcher s son a man of letters and the Church a divisive political expert a man of principle yet to some an arrogant upstart As Lord Chancellor to the incorrigible

Henry VIII he achieved much both at home and abroad but his failure to achieve the mighty monarch's divorce from Catherine of Aragon saw him brought to his knees John Matusiak explores the pragmatic cardinal's life and career to uncover a man of contradictions and extremes whose meteoric rise was marked by an equally inexorable descent into desperation as he attempted in vain to satisfy the tempestuous master whose ambition ultimately broke him Far from being another familiar portrait of an overweight and overweening spider or cautionary tale of pride preceding a fall this is the gripping story of how consummate talent noble intentions and an eagle eye for the main chance can contrive with the vagaries of power politics to raise an individual to unheard of heights before finally consuming him **The Unexpected Professor** John

Carey, 2014-03-18 Best known for his provocative take on cultural issues in *The Intellectuals and the Masses* and *What Good Are the Arts* John Carey describes in this warm and funny memoir the events that formed him an escape from the London blitz to an idyllic rural village army service in Egypt an open scholarship to Oxford and an academic career that saw him elected age 40 to Oxford's oldest English Literature professorship He frankly portrays the snobberies and rituals of 1950s Oxford but also his inspiring meetings with writers and poets Auden Graves Larkin Heaney and his forty year stint as a lead book reviewer for the Sunday Times This is a book about the joys of reading in effect an informal introduction to the great works of English literature But it is also about war and family and how an unexpected background can give you the insight and the courage to say the unexpected thing **Overt and Covert Treasures** Clara Wing-chung Ho, 2012-08-20 This is the first published volume on a variety of sources for Chinese women's history It is an attempt to explore overt and covert information on Chinese women in a vast quantity of textual and nontextual conventional and unconventional source materials Some chapters reread wellknown texts or previously marginalized texts and brainstorm new ways to use and interpret these sources others explore new sources or previously overlooked or underused materials This book is a valuable product witnessing the concerted effort of twenty some scholars located in different parts of the world **Rowing in Eden** Martha

Nell Smith, 2010-07-05 Emily Dickinson wrote a letter to the world and left it lying in her drawer more than a century ago This widely admired epistle was her poems which were never conventionally published in book form during her lifetime Since the posthumous discovery of her work general readers and literary scholars alike have puzzled over this paradox of wanting to communicate widely and yet apparently refusing to publish In this pathbreaking study Martha Nell Smith unravels the paradox by boldly recasting two of the oldest and still most frequently asked questions about Emily Dickinson Why didn't she publish more poems while she was alive and Who was her most important contemporary audience Regarding the question of publication Smith urges a reconception of the act of publication itself She argues that Dickinson did publish her work in letters and in forty manuscript books that circulated among a cultured network of correspondents most important of whom was her sister in law Susan Huntington Gilbert Dickinson Rather than considering this material unpublished because unprinted Smith views its alternative publication as a conscious strategy on the poet's part a daring poetic experiment that

also included Dickinson's unusual punctuation line breaks stanza divisions calligraphic orthography and bookmaking all the characteristics that later editors tried to standardize or eliminate in preparing the poems for printing Dickinson's relationship with her most important reader Sue Dickinson has also been lost or distorted by multiple levels of censorship Smith finds Emphasizing the poet sustaining aspects of the passionate bonds between the two women Smith shows that their relationship was both textual and sexual Based on study of the actual holograph poems Smith reveals the extent of Sue Dickinson's collaboration in the production of poems most notably *Safe in Their Alabaster Chambers* This finding will surely challenge the popular conception of the isolated withdrawn Emily Dickinson Well versed in poststructuralist feminist and new textual criticism Rowing in Eden uncovers the process by which the conventional portrait of Emily Dickinson was drawn and offers readers a chance to go back to original letters and poems and look at the poet and her work through new eyes It will be of great interest to a wide audience in literary and feminist studies **A Century of Passion** Bhartṛhari, C. W. Gurner, 1927

*Introduction to Buddhist East Asia* Robert H. Scott, James McRae, 2023-03-01 This anthology provides an accessible introduction to East Asian Buddhism focusing specifically on China Korea and Japan It begins with a detailed historical introduction that includes an overview of the development of the various schools of Buddhism in East Asia and traces the transmission of Buddhism from Northwest India to China in the first century CE and then to Korea and Japan in the fourth and sixth centuries CE The first part of the book contains five chapters that offer creative pedagogies that can help college professors infuse East Asian Buddhism into their courses The second part includes six interdisciplinary chapters that explore thematic links between East Asian Buddhism and religious studies philosophy film studies literature and environmental studies *Oral Traditions and Gender in Early Modern Literary Texts* Mary Ellen Lamb, Karen Bamford, 2017-11-28 Proposing a fresh approach to scholarship on the topic this volume explores the cultural meanings especially the gendered meanings of material associated with oral traditions The collection is divided into three sections Part One investigates the evocations of the old nurse as storyteller so prominent in early modern fictions The essays in Part Two investigate women's fashioning of oral traditions to serve their own purposes The third section disturbs the exclusive associations between the feminine and oral traditions to discover implications for masculinity as well Contributors explore the plays of Shakespeare and writings of Spenser Sidney Wroth and the Cavendishes as well as works by less well known or even unknown authors Framed by an introduction by Mary Ellen Lamb and an afterword by Pamela Allen Brown these essays make several important interventions in scholarship in the field They demonstrate the continuing cultural importance of an oral tradition of tales and ballads even if sometimes circulated in manuscript and printed forms Rather than in its mode of transmission contributors posit that the continuing significance of this oral tradition lies instead in the mode of consumption the immediacy of the interaction of the participants *Oral Traditions and Gender in Early Modern Literary Texts* confirms the power of oral traditions to shape and also to unsettle concepts of the masculine as well as of the feminine This collection

usefully complicates any easy assumptions about associations of oral traditions with gender

represents a long labor of love and the summation of forty years of Margaret Trawick s groundbreaking research Centering  
her gaze on the lowest castes of India now called Dalits she describes the experience of women at this precarious level who  
are still treated as sub human sometimes by family members sometimes by higher caste men Their private worlds however  
are full of art rural Dalit women sing beautiful songs of their own making and tell remarkable narratives of their own lives  
Much that Tamil women shared with Trawick is rooted in the passionate attachments and acute wounds generated within  
families but these women s voices resonate well beyond individually circumscribed lives In their songs and life stories they  
critique social political economic and domestic oppressions They also incorporate visions of natural beauty and immanent  
divinity Trawick presents Tamil women s words as relevant to universal human themes Trawick s frames of analysis  
developed throughout her long career of fieldwork in India inform her ethnography of expressive culture The songs and  
stories of Dalit women were recorded and transcribed to be translated into lyrical passages in her own work Death Beauty  
Struggle demonstrates a conviction that persons without privilege from the rape victim to the landless laborer possess both  
power and agency Through verbal arts Dalit women produce not only acute cultural critiques but also astonishing beauty
