The Last Peasant War Jakub S. Beneš, 2025-01-28 A history of the largely forgotten peasant revolution that swept central and eastern Europe after World War I and how it changed the course of interwar politics and World War II As the First World War ended villages across central and eastern Europe rose in revolt Led in many places by a shadowy movement of army deserters peasants attacked those whom they blamed for wartime abuses and long years of exploitation large estate owners officials and merchants who were often Jewish At the same time peasants tried to realize their rural visions of a reborn society establishing local self government or attempting to influence the new states that were being built atop the wreckage of the Austro Hungarian and Russian Empires In *The Last Peasant War* Jakub Beneš presents the first comprehensive history of this dramatic and largely forgotten revolution and traces its impact on interwar politics and the course of the Second World War Sweeping large portions of the countryside between the Alps and the Urals from 1917 to 1921 this peasant revolution had momentous aftereffects especially among Slavic peoples in the former lands of the Austro Hungarian Empire It enabled an unprecedented expansion of agrarian politics in the interwar period and provided a script for rural resistance that was later revived to resist Nazi occupation and to challenge Communist rule in east central Europe By shifting historical focus from well studied cities to the often neglected countryside *The Last Peasant War* reveals how the movements and ambitions of peasant villagers profoundly shaped Europe's most calamitous decades **The Last of the African Kings**

Maryse Condé, 1997-01-01 An African family's saga from the day its ancestors left for the New World to the day their descendants return in search of roots By a Guadeloupean writer author of *Segu* *Behold the Bird in Flight* Terri Lewis, 2025-06-03 For fans of *Maggie O'Farrell* a coming of age story and a royal love triangle marked by danger and longing based on real events in medieval France and England Romantic and stubborn eleven year old Isi plans to marry for love and be mistress of her own castle But life in 1198 is full of threat and a series of tragic events teaches her growing up is hard When Isi falls for Hugh a French nobleman he consents to marry her but only for her dowry She longs for more Hoping a jealous man will fall in love she flirts with a king The flirtation backfires King John abducts and marries her Now trapped in cold warring England with a malicious husband Isi must hide her yearning for Hugh and find her own power If she fails she won't live to return to her beloved Inspired by real historical figures Isabelle d'Angoulême Hugh de Lusignan and King John

of Magna Carta fame Behold the Bird in Flight is set in a period that valued women only for their dowries and childbearing Isabelle s story has been mainly erased by men but the medieval chronicles suggest a woman who developed her own power and wielded it in court and in bed And as the woman behind the throne who s to say she didn t influence history *A Child Upon the Throne (The Knights of England Series, Book 4)* Mary Ellen Johnson,2018-05-15 As a Kingdom Trembles With Revolt a Knight and His Lady Must Choose Between Duty and Love in the Medieval Historical Romance *A Child Upon the Throne* by Mary Ellen Johnson Medieval England following the death of Edward III in 1377 through the Peasants Revolt of 1381 With a child king upon the throne and England s lucrative martial victories a faded memory Knight Matthew Hart wants only to reunite with his long time lover Margery Watson and their son to live out his days far away from the royal court But Margery s loyalties are torn To settle down with the knight she s loved since childhood or commit treason and side with the commoners overburdened with servitude and taxes When revolt sparks among the masses thousands march on London vowing to overthrow all those in power Now Margery must choose between her place in society with a knight she loves and her true beliefs about freedom justice and equality From the Publisher Readers with a passion for history will appreciate the author s penchant for detail and accuracy In keeping with being authentic to the era this story contains scenes of brutality which are true to the time and man s inhumanity There are a limited number of sexual scenes and NO use of modern vulgarity Fans of Elizabeth Chadwick Bernard Cornwell and Philippa Gregory as well as Tamara Leigh and Suzan Tisdale will not want to miss this series Author Mary Ellen Johnson strides through history with the reader in the front seat Karen Lausa it challenged my intellect as well as my heart Margaret Watkins eBook Discovery Reviewer From the Author When crafting a story I am ever mindful of the parallels between the past and present Endless wars indifferent rulers rising taxes and corruption all of which inevitably resulted in a bloody insurrection An insurrection that while unsuccessful in the short term was even referenced by our Founding Fathers during their struggle for freedom As William Faulkner said The past isn t dead it s not even past so a knowledge of history is imperative THE KNIGHTS OF ENGLAND in series order *The Lion and the Leopard* *A Knight There Was Within A Forest Dark* *A Child Upon The Throne* *Lords Among the Ruins* *A New History of Medieval French Literature* Jacqueline Cerquiglini-Toulet,2011-12 Is it legitimate to conceive of and write a history of medieval French literature when the term literature as we know it today did not appear until the very end of the Middle Ages In this novel introduction to French literature of the period Jacqueline Cerquiglini Toulet says yes arguing that a profound literary consciousness did exist at the time Cerquiglini Toulet challenges the standard ways of reading and evaluating literature considering medieval literature not as separate from that in other eras but as part of the broader tradition of world literature Her vast and learned readings of both canonical and lesser known works pose crucial questions about among other things the notion of otherness the meaning of change and stability and the relationship of medieval literature with theology Part history of literature part theoretical criticism this book reshapes the language and content of medieval works By

weaving together topics such as the origin of epic and lyric poetry Latin French bilingualism women s writing grammar authorship and more Cerquiglini Toulet does nothing less than redefine both philosophical and literary approaches to medieval French literature Her book is a history of the literary act a history of words a history of ideas and works monuments rather than documents that calls into question modern concepts of literature

church leadership school officials and workplace bosses and sometimes speaking through the voice of wounded Adam She offers an invitation to explore the journey of your life and the collective experience of women
