Rubaru Mukhpreet Singh Khurana, 2025-01-16 *Rubaru* is a collection of poetry and freehand verses that explores the complexity and simplicity of the human spirit focusing on themes of mental health self reflection positivity and personal growth The poems provide a safe space to examine both the shadows of anxiety and self doubt and the light of hope and healing within us With honest and evocative language this collection emphasizes that vulnerability is a pathway to growth and that reflection brings clarity and peace Each poem offers a glimpse into the universal yet deeply personal journey of self discovery celebrating resilience and the quiet victories of everyday life *Rubaru* serves as both a companion and a guide encouraging readers to embrace their inner world and find strength Whether facing challenges or seeking reconnection with oneself this book reminds us that we have the power to heal thrive and create light no matter the darkness **LOVERS IN PARADISE.** BARBARA. CARTLAND, 2020 *Tinsley's Magazine* , 1883 **All This, and Heaven Too** Caitlin Smith Gilson, 2024-12-27 This book offers an intelligent but accessible recovery of the Christian hope for heaven and the resurrected life Our ideas of heaven often need rescuing from the well meaning but often empty sense of a better place It is more fruitful the author argues to orientate ourselves by St Paul's words For this world is not our permanent home we are looking forward to a home yet to come Each of us desires Eden while struggling to make good out of evil The things we cherish have their goodness diluted and drained of life Through it all we cannot quite picture heaven and our eternal happiness It feels remote and unreal Yet the recovery of paradise in our hearts and minds is the crucial act of our lives Through it we can understand the meaning behind the greatest commandment Love the LORD your God with all your heart and with all your soul and with all your mind *After the Sunset* Earle H. Morse, 2018-11-03 Miller Gavins life has hit rock bottom His wife leaves him his children turn against him the recession hits his business hard the owner of the company he works for passes away and it seems as if his employment future is questionable When the owner's widow takes over the company he meets the gorgeous Grace Stroinski and Miller falls deeply in love There is only one problem Grace is married Does Grace love and admire Miller the same way that Miller admires and loves Grace *After the Sunset* is the unforgettable debut novel by Earle H Morse It is a romantic novel full of emotions passionate and sexy romance and laced with touches of offbeat humor Romance aside *After the Sunset* is actually a touching story of one man's journey from the ashes of despair to joy and how his journey touches and changes the lives of four other persons who are searching for fulfillment in their lives too *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1961 **Imagining Africa** Lindy Stiebel, 2001-06-30 Best known as the author of such works as *King Solomon's Mines* and *She H Rider Haggard* was one of the most popular writers of the late Victorian era and his works continue to be influential today To a large degree his novels are captivating because of his image of Africa and an understanding of his representation of the African landscape is central to a critical reading of his works This book argues that Haggard created in his African romances a formulaic ideological

geography which provided a canvas onto which he projected his desires and fears both personal and political as well as those of his age The first full length study of land and landscape in Haggard s African romances this book approaches his construction of an imaginary African landscape as a product of late Victorian wishful thinking about Africa analyzing his African topography as a vast Eden a wilderness a dream underworld a home to ancient white civilizations and a sexualized metaphor for the human body While the work looks primarily at his pre 1892 romances which were his most powerful it also gives attention to his nonfiction and unpublished papers Because Haggard s writings embodied the spirit of his age this book is an essential guide to late Victorian concepts of Africa colonization and the British Empire **The Kiso Road** William E.
