

Lovers Lovers

Tadeusz Hutyra

Lovers Lovers:

LOVER Thaddeus Tadeusz Hutyra, 2015-06-03 It is an anthology of romantic poems addressed to readers who love poems with erotic scents Love is the central theme in all my poems and reading the poems feels like hearing some symphonic play or listening to pop and rock hits on radio I was born in mountainous Rajcza south Poland where I spent my childhood and teenage years and where I also studied and participated in the so called Solidarity movement against the communist regime I emigrated out of Poland yet when Poland was still in the Soviet thaw and I became a citizen of New Zealand within five years I lived in marvelous Wellington the capital of NZ called often Windy Wellington due to the very many winds blowing through the city both from the Pacific and nearby mountains While in New Zealand I lived there also in Auckland and Coromandel Peninsula for a while Afterwards I traveled worldwide I had been amongst others in China and finally settled down in Antwerp Belgium The United States was always the country of my final destination and my departure from Poland just eight days before martial law was in fact me emigrating to America which I have never so far had luck to get to In the meantime I am feeling myself quite comfortable in the European Union a great project of all Europeans which came true America and especially New York City with its Statue of Liberty remain my dream Freedoms cherished by America are the unstoppable trend and I myself am fully behind it wishing the same to all individuals across the world freedoms human rights love

Love You, Hate You, Love You Tadeusz Hutyra, 2015-03-19 No matter what Juliet Having you my Juliet and though drama is hanging in the air How many times we danced in the open air sweetly in arms How many times our kisses brought us into glamorous palaces of love How many times our minds were no longer deserts but oasis of loving hearts Even though our constellation is far from the starry one I love you with all my heart No matter what shall happen no one and nothing shall separate us We are the lovers of all times larger than life you and me Romeo and Juliet **Lady Chatterley's Lover** David Herbert Lawrence, 1994 With her soft brown hair lithe figure and big wondering eyes Constance Chatterley is possessed of a certain vitality Yet she is deeply unhappy married to an invalid she is almost as inwardly paralysed as her husband Clifford is paralysed below the waist It is not until she finds refuge in the arms of Mellors the game keeper a solitary man of a class apart that she feels regenerated Together they move from an outer world of chaos towards an inner world of fulfillment Included here in his essay *A Propos of Lady Chatterley's Lover* are Lawrence's own final thoughts on male female relationships in the modern world This Penguin edition reproduces the newly established Cambridge text the first edition ever to restore to Lawrence's most famous work the words he wrote and the first to correct authoritatively the 1928 Florence edition which Lawrence personally supervised *Dead-Flowers* Our farmhand is so aloof and Romantic I wanna get on that We had sex in a shack We shacked up har har har I've got plenty of sex puns left don't worry I wonder what Oliver is doing right now probably plowing I guess that's his job From *Twitterature* The World's Greatest Books in Twenty Tweets or Less

Lovers in Essence Sharon Krishek, 2022 Romantic love is a defining phenomenon in human existence and an object of

heightened interest for literature art popular culture and psychology But what is romantic love and why is it typically experienced as so significant to our existence Using central ideas from the philosophy of S ren Kierkegaard as well as engaging with contemporary discussions in the philosophy of love this book explores the nature of romantic love and philosophically substantiates its meaningfulness to an individual s life It does so by developing a connection between love and selfhood here explained in terms of one s distinct individuality To be a self it is claimed is to possess a name that is an individual essence Further the book argues it is when we love that we regard people by their names we respond to who they truly are Accordingly the idea anchoring the book is that love is a correspondence between essences if Jane loves Edward she responds to him being who he is by virtue of her being who she is The conception of being thus correspondent has important implications as to the moral and spiritual value of romantic love Relying on Kierkegaard s analysis of the self of faith and of love even if sometimes in a way that departs from Kierkegaard s explicit position the book explores these implications By doing this it construes romantic love as a desirable phenomenon emotionally morally and spiritually

Will & Love Darren Dyck,2023-03-10 Will Love examines four of Shakespeare s love plays Romeo and Juliet Troilus and Cressida Twelfth Night and Antony and Cleopatra in light of the Augustinian psychology at the heart of the theological romance tradition This tradition which Shakespeare inherits from medieval theologian poets such as Boethius Dante Petrarch and Chaucer issues from the idea initially expressed by Augustine in his Confessions that love functions as volitional weight as a kind of magnetism or almost gravitational force that it moves the lover in mysterious ways yet without diminishing his or her agency Will Love highlights Shakespeare s conception of love in terms of motion and explores the metaphysical ethical psychological and dramatic implications of his doing so

The Works of William Shakespeare William Shakespeare,1892 *The Gift of Love* Andrew Staron,2017-02-01 The Gift of Love explores the intelligibility of Augustine s claim that we come to know and encounter God in and through our love Building upon the discoveries of recent scholarship Andrew Staron reads Augustine s De Trinitate not as presenting the Trinity as a concept to be grasped but rather as a rational study of the limits of theological language and the possibility of coming to know the Trinity because of those limits Human dependence on God s initiative indicates that the Trinitarian God of love is knowable only through attention to how God s self revelation transforms and saves us Therefore to see God one seeks to mark love s formative activity within the heart Jean Luc Marion s rigorous description of the gift of love offers to Augustine s theology a phenomenological texture by which the Trinitarian love given in revelation might be made incarnate in one s life The Gift of Love presents a reason for hope that while coming to know the Trinity that God is might be impossible for human beings it is made possible by God s antecedent gift of love given in the missions Son and Holy Spirit and iconically received in the particularity of one s own love

Love, Reason and Will Anthony Rudd,John Davenport,2015-10-22 An introduction to the philosophy of love bridging analytic and continental philosophy and the philosophy of religion through the writings of Harry G Frankfurt and S ren Kierkegaard *Tarot*

Decoder Kathleen McCormack, 2014-03-04 The essential handbook for everyone who is fascinated by the Tarot The origins of the Tarot are shrouded in mystery Some believe that the cards originated in India while others trace their beginnings back to the sacred books of the ancient Egyptians Everything from Greek religions to Arabian philosophies to Jewish Kabbalah has been detected in Tarot symbols which some believe to contain the secrets of the universe and hold the key to human nature The origins of the Tarot are shrouded in mystery Some believe that the cards originated in India while others trace their beginnings back to the sacred books of the ancient Egyptians Everything from Greek religions to Arabian philosophies to Jewish Kabbalah has been detected in Tarot symbols which some believe to contain the secrets of the universe and hold the key to human nature Tarot Decoder traces the meaning and imagery of the cards down through the centuries starting with the best known early decks and culminating with the present day fascination with mysticism and the unexplained Featured inside are illustrations of beautiful ancient Tarot decks as well as fine contemporary examples from all over the world Several methods of laying the cards are explained ranging from a simple three card reading to the more complicated forty two card method Readers will develop their Tarot skills in a number of ways by learning how to Decode the symbols of each card and learn how to get deeper more personalized readings Find out how the Tarot can fulfill your psychic potential and learn to forecast your luck your love life your career prospects and your finances Understand the roles of the readers and questioner and discover how to interpret each of the twenty two cards of the major arcana and the fifty six cards of the minor arcana Tarot Decoder is an enlightening and highly enjoyable guide to this mystical practice that will reveal the secrets behind the symbols and help you make accurate and meaningful interpretations

Love in Contemporary British Drama Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love's compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned

Tristan and Isolde Gottfried von Strassburg, 2020-09-16 I believe this fluent accurate readable translation of Tristan and Isolde will become the standard English edition of Gottfried's literary masterpiece Wisely choosing not to recreate the end rhyme of the original Whobrey has created a text that stays true to the original Middle High

German while rendering it into modern English prose The inclusion of Ulrich von Tu rheim s Continuation is a great strength of this book For the first time English speakers will be able to read Gottfried s work in tandem with Ulrich s and explore via Whobrey s discussion of Ulrich s sources the rich Tristan literary tradition in the Middle Ages and the ways in which Gottfried s achievement resonated well after his death The footnotes provide helpful cultural historical and interpretive information and Whobrey s Introduction offers a nice overview of Gottfried s biography a discussion of Gottfried s important literary excursus his place within the literature and genres of his time and the source material for his Tristan Particularly useful is Whobrey s discussion of the intricate and masterful structure of Gottfried s text Scott Pincikowski Hood College

Poetry Dakota-Luise Wolf,2015-04-16 A poem that everyone can relate to for every mood and occasion A collection of poetry of comfort confidence courage fear friendship love lose memories and vulnerability A poem for every emotion that we all feel Book 3 of 5 The Residues, Part Two Stephen Barber,2021-02-01 Beginning in 1993 with Artaud Blows and Bombs Stephen Barber has quietly independently forged one of the most singular and enriching bodies of work in contemporary writing David Peace Over the three decades since 1990 Stephen Barber has written many essays and experimental writings around film and digital arts For the first time this collection in two parts assembles all of those writings many otherwise unavailable over seventy in all Many of those writings explore unknown elements of vital bodies of work that remain inspirational for contemporary art writing and film Others interrogate the transmutations of cities especially those of Europe and of Japan across those three decades anatomizing their urban futures These writings are often residues from or accompaniments to Stephen Barber s thirty books short writings which possess their own distinctive and accumulating presence and can display the interrogative resilience to explore preoccupations with greater intensity and pointedness than an entire book THE RESIDUES PART TWO collects 30 writings on subjects including JG Ballard Pier Paolo Pasolini Donald Richie and much more Love, Faults and Thoughts Laurence Suckling,2005 love faults and thoughts is a vaguely connected trilogy of novellas that individually can be read in one sitting Thoughtful succinct fiction with the ability to draw the reader in as well as letting them explore their own thoughts A wonderful book to discover for yourself and pass on but if futher synopsis is required postcards Thoughts about his current life and past actions are provoked when the unnamed narrator starts receiving postcards from his ex girlfriend sarah but where exactly does that lead come in and know me better man Chris Jenkins is on the verge of making a compilation tape for a beautiful woman he s just met but who is he and what is it he has to offer an interactive novella and thoughtful road trip storytelling Do people have angels looking after them are there such things as coincidences just how should you feed ducks the last of the novella trilogy promises more popular culture and a heart warming stab at redemption My Mother-in-Law Drinks Diego De Silva,2014-12-02 A hapless Italian lawyer is wrapped up in the mock trial of a mafia boss in this rollicking novel a hilarious and touching satire of the digital age Minneapolis Star Tribune A mild mannered computer engineer has pulled off a seemingly impossible crime kidnapping the

Neapolitan mafia boss he believes is responsible for the death of his son He plans to conduct an impromptu trial on live television during which he will list the various crimes of the accused sentencing him before a captivated national audience and executing him accordingly The standoff between law enforcement officers and the kidnapper quickly escalates into a tragi comic reality show The only hope of a happy ending rests with Vincenzo Malinconico Neapolitan lawyer and walking mid life crisis Vincenzo hardly has a reputation for decisiveness but now is called upon to resolve this drama with hopefully no loss of life especially his own In this hilarious sequel to his Naples Prize winning novel *I Hadn't Understood* Diego De Silva revisits the hapless yet charismatic Vincenzo Malinconico the sort of man you marry twice and leave both times

In the Sun King's Cosmos Claire Goldstein, 2025-02-15 Offering a new history of a formative cultural and political era through the cosmic phenomena that captured the public's imagination In the winters of 1664-65 and 1680-81 the French public was galvanized by two bright comets whose elliptical orbits could not be mapped with contemporary geometry and that thus seemed to appear in random and unpredictable locations Bookending the period during which Louis XIV's sun king mythology was created these comets defied the heliocentric order to which French politics and culture aspired As Claire Goldstein demonstrates literary texts cultural institutions and architecture inspired by comets offer a different perspective on the relationship between sensory experience ideology and artistic form In the *Sun King's Cosmos* Comets and the Cultural Imagination of Seventeenth Century France presents an alternative view of a formative era in cultural and political history when distinctly modern forms of power and control were established through a regime of the spectacular Goldstein shows how comets allow us to see the seventeenth century in ways that complicate the narrative of a race toward rationalization classicism and modernity indexing instead a messy period in which the spectacular was sometimes also inscrutable

My Sister Watches Evon Davison, 2021-11-04 *My Sister Watches* is the riveting tale of murder in the picturesque community of Port Orchard Washington which is located 13 miles west of the bustling metropolis of Seattle On a cold wintery night in 1999 Charlotte Ruse was brutally attacked and murdered on her way home after engaging in a violent confrontation with her secret lover After her slaying a shroud of uncertainty and suspicion enveloped the Kitsap County town transforming the once trusting residents into a municipality of locked doors and apprehension Who killed Charlotte Ruse Was she or the Ruse family harboring despicable secrets Or did the citizens of Port Orchard simply despise the Ruse family for being outsiders with pedigree and affluence The quest to capture her murderer would span decades but when the moment of arrest unfolds the community will be dealt another jolt of disbelief

Oracle of the Dragonfae Lucy Cavendish, 2008 43 cards and 164 page guidebook set packaged in a hard cover box In the not so faraway past we were Gods and Goddesses we dwelt in dimensional lands Eden Avalon Ys Atlantis and Mu we were fully alive and fully magickal We worked loved and lived with all the elemental beings but as time wore on we were torn away from our strongest most protective kin the Dragonfae Now they are returning to help us heal ourselves and save this sacred planet This deck is a dimensional portal to allow them to re enter our

realm and deliver their powerful messages of love healing and protection for a new generation of magickal beings Welcome to this journey through a world that has for too long been hidden from all but the most courageous of searchers and mystics Within these pages and on each of these magickal cards you will be introduced to and given messages and wisdom from the boundless world of the Dragonfae a world which is now ready to be seen by your eyes and experienced by your heart When we connect with the Dragonfae we reconnect with the lost parts of ourselves allowing us to fully explore the gift of life on this beautiful planet They help us to access knowledge from deep within and reconnect us with the knowingness that we are all one New edition features artwork by Ravynne Phelan Selina Fenech Jimmy Manton Toni Carmine Salerno and more **The Courage To Say Yes** Barbara Wallace,2013-08-01 Can she find the courage to love all over again Hunter Smith likes to keep out of messy situations life is just easier if you don t get emotionally involved He s never been a knight in shining armor before but when he sees Abby Gray in trouble he can t stop himself from stepping in Trying to put the scars of the past behind her Abby has decided to make a fresh start Hunter s offer of making her his new assistant could be a step in just the right direction But is she ready to believe that happy ever afters can happen in real life not just in fairy tales Love & Eroticism Mike Featherstone,1999-09-20 This major collection explores the contested nature of love and eroticism examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture It investigates the spatial dimension of erotic life through considerations of Bohemian love the gay city and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship Drawing on the work of feminists sociologists and cultural theorists this book contains a wide ranging and accessible set of contributions to contemporary debates on sexuality love and eroticism Love Erotici
