## Lovers And Heretics:

**Lovers and Heretics** John Hale, 1976      Pilgrims, Heretics, and Lovers Claude Marks, 1975 A re creation of seven centuries of medieval life and art in the Midi the troubadour country of France      *Krishna's Heretic Lovers* Mary Angelon Young, 2016-06-14 This book recounts the legendary love story of Chandidas and Rami 14th century Bengalis He is a young Brahmin priest who renounces his caste status to become an heretical poet musician wandering the byways of India with a small band of mystics and bards Rami is a beautiful 20 year old widow of low caste living with her two children To survive she washes the clothes of local villagers An overwhelming magnetism of love and fate compels them to come together against prevailing religious and social customs Rami leaves all of her familiar world behind to travel sing and praise the Divine with her beloved Chandidas along the dusty roads of Bengal Krishna s Heretic Lovers is an historical romance that blends fiction and fact love and sex action and spiritual teachings politics and true characters with the authentic poetry written by the revered poet Chandidas later known as the Father of Bengali poetry The synthesis of these elements together with rare insight into the practices of a genuine tantric sect creates an unforgettable alchemy for readers Vivid descriptions of cultural and natural environments along with richly detailed characters capture the religion politics and lifestyle of the late 14th early 15th century of remote Bengali villages The reader is transported into an era when the basic human freedom to create love and worship based on one s natural impulse had to be carved from the stone of rigid hierarchical even feudal societal and religious structures Thanks to Mary Angelon Young Chandidas and Rami live again to sing the glories of Krishna and Radha to a new audience Victory to the Divine Couple Dr Robert Svoboda author of *Mysticism in the 21st Century* and *Aghora At the Left Hand of God* A BOOK FOR STUDENTS OF COMPARATIVE RELIGION OR ANYONE FASCINATED WITH EASTERN TRADITIONS ESPECIALLY THOSE YEARNING FOR A LOVE STORY THAT INCLUDES SPIRITUAL TEACHINGS DHARMA AND SCHOLARSHIP      **Heretics in Love** James Lees-Milne, 1973      *Truth and the Heretic* Karen Sullivan, 2005-09-15 Exploring the figure of the heretic in Catholic writings of the twelfth and thirteenth centuries as well as the heretic s characterological counterpart in troubadour lyrics Arthurian romance and comic tales *Truth and the Heretic* seeks to understand why French and Occitan literature of the period celebrated the very characters who were so persecuted in society at large Karen Sullivan proposes that such literature allowed medieval culture a means by which to express truths about heretics and the epistemological anxieties they aroused The first book length study of the figure of the heretic in medieval French and Occitan literature *Truth and the Heretic* will fascinate historians of ideas and literature as well as scholars of religion critical theory and philosophy      **Heretics** Gerd Ludemann, 1996-01-01 According to the commonly held view early Christianity was a time of great harmony and heresy emerged only at a later stage To the contrary Gerd Ludemann argues that the time from the first Christian communities to the end of the second century was defined by struggle by various groups for doctrinal authority Drawing on a wealth of data he asserts that the losers in this struggle

actually represented Christianity in its more authentic original form Orthodoxy has been defined by the victors in this struggle and it is they who subsequently silenced alternative views and labeled them heretical Ludemann's findings are important as well as liberating for the understanding of both Christianity and the Bible Readers will gain a new understanding of Jesus and the early church from this compelling and controversial book **A Complicated Love Story V.** George Shillington, 2019-10-14 The Fourth Gospel otherwise known as the gospel of the beloved disciple of Jesus has captivated the imagination of myriads of people worldwide Echoing one of its major themes namely water this gospel has been described as one in which a child can wade and an elephant can swim Of the four gospels in the New Testament this one stands out from the other three at several levels In the Fourth Gospel the extraordinary acts of Jesus are labeled consistently as signs not miracles In the second major part however the signs give way to reality found uniquely in the life and death of Jesus on behalf of benighted humanity He is the true light that enlightens every one and every thing There are no parables in the Fourth Gospel A parable is something that is literally thrown alongside the ordinary world of the day The Fourth Evangelist focuses on truth one of its major themes There are puzzling pieces mixed in with the good news which serves to make this gospel captivating to the reader Through all of the complex twists and turns in this gospel the theme of love shines forth brilliantly especially so in the second half *The Scale (or, Ladder) of Perfection, Written by Walter Hilton, a Carthusian Famous in the Reigne of Henry the 6th. Printed First in the Yeare 1494. ... By the Changing of Some Antiquated Words Rendred More Intelligible.* by A. Baker and S. Cressy Walter HYLTON, 1870 **Last Impressions** Theresa M. Kenney, 2025-05-28 Jane Austen's conclusions have often perplexed her readers who at times perceive her novels endings as hasty or overly simplistic However a closer examination reveals that her final chapters are meticulously crafted serving as critical touchstones that redefine the entire narrative Last Impressions offers an in depth analysis of the literary strategies Austen employs to conclude her novels This work explores recurring techniques such as securing parental consent the absence of dramatized scenes and the use of rhetorical devices like Socratic irony and metalepsis uncovering meaningful patterns that highlight Austen's artistry By illuminating the intentionality behind the endings of all six of Austen's major novels as well as her epistolary novella Lady Susan this book provides valuable insights into her narrative architecture In a literary landscape that has frequently dismissed Austen's conclusions Last Impressions asserts that her final chapters demand critical engagement challenging readers to reconsider their interpretations and appreciate her enduring complexity

**The Lover of Queen Elizabeth** Jerusha D. Richardson ("Mrs. Aubrey Richardson."), 1908 [The Twelve Prophets](#) Alberto Ferreiro, Thomas C. Oden, 2003-10-01 The church fathers mined the Old Testament throughout for prophetic utterances regarding the Messiah but few books yielded as much messianic ore as the Twelve Prophets sometimes known as the Minor Prophets In this rich and vital ACCS volume you will find excerpts some translated here into English for the first time from more than thirty church fathers **The Scale of Perfection** Walter Hilton, 1870 [The Universal Magazine of](#)

Knowledge and Pleasure ,1768      The Inescapable Love of God Thomas Talbott,2014-11-17 Will the love of God save us all In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love forgiveness and hope into a message of fear and guilt According to the New Testament proclamation he argues God s love is both unconditional in its nature and unlimited in its scope hence no one need fear for example that God s love might suddenly turn into loveless hatred at the moment of one s physical death For God s love remains the same yesterday today and forever But neither should one ignore the New Testament theme of divine judgment which Talbott thinks the Western theological tradition has misunderstood entirely He argues in particular that certain patterns of fallacious reasoning which crop up repeatedly in the works of various theologians and Bible scholars have prevented many from appreciating St Paul s explicit teaching that God is merciful to all in the end This second edition of Talbott s classic work is fully revised updated and substantially expanded with new material ALSO AVAILABLE IN AUDIO FORMAT The Inescapable Love of God is also available as an unabridged audiobook wonderfully narrated by the actor George W Sarris running time 11 hours and 2 minutes The audiobook can be downloaded from christianaudio com and Audible

*Love and its Critics* Michael Bryson,Arpi Movsesian,2017-07-10 This book is a history of love and the challenge love offers to the laws and customs of its times and places as told through poetry from the Song of Songs to John Milton s Paradise Lost It is also an account of the critical reception afforded to such literature and the ways in which criticism has attempted to stifle this challenge Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin amor love as an end in itself mutual and freely chosen even in the face of social religious or political retribution Neither eros nor agape neither exclusively of the body nor solely of the spirit this love is a middle path Alongside this tradition has grown a critical movement that employs a hermeneutics of suspicion in Paul Ricoeur s phrase to claim that passionate love poetry is not what it seems and should be properly understood as worship of God subordination to Empire or an entanglement with the structures of language itself in short the very things it resists The book engages with some of the seminal literature of the Western canon including the Bible the poetry of Ovid and works by English authors such as William Shakespeare and John Donne and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature Lively and enjoyable in its style it attempts to restore a sense of pleasure to the reading of poetry and to puncture critical insistence that literature must be outwitted It will be of value to professional graduate and advanced undergraduate scholars of literature and to the educated general reader interested in treatments of love in poetry throughout history

**Aelred of Rievaulx on Love and Order in the World and the Church** John R. Sommerfeldt,2006 The universe is a product of God s infinite love according to the expansive thinking of Aelred of Rievaulx a Cistercian abbot of the Middle Ages Aelred sees human existence order and action as reflections of God s love But Aelred knows that although they have been created for happiness humans are neither perfect

nor happy At the same time however he is sure that the flood of God's love can overwhelm people who do not reject this divine gift Because Aelred knows that humans exist only in relationship he searches out the social order necessary for happiness So he explores the nature of the church as a community and the support that each social group or calling gives to the whole of existence This study examines how Aelred sees God informing the cosmos and the humans who inhabit it according to the divine order and principle of love It follows Aelred's analysis of the disordering sources of human unhappiness which happens when humans reject God's love and then investigates Aelred's understanding of God's re-ordering of the human condition through the gifts and graces flowing from his greatest gift his son Jesus BOOK JACKET

In one of the only English translations available here are the mystical visions of Maria Maddalena de Pazzi 1566 1606 one of the most original woman mystics of the Renaissance However until now she has curiously been neglected by scholars of Christian history and Italian literature alike Editor and translator Armando Maggi rectifies this in an utterly fascinating volume of the Classics of Western Spirituality Soon after entering a convent in Florence where she spent all of her adult years in strict enclosure Maria Maddalena experienced visions in which she spoke to the Trinity in particular to Christ She did not intend to communicate these to an outside audience and they were transcribed by her fellow nuns Maggi offers readers here a selection from the whole corpus of Maria Maddalena's visions as contained in the manuscripts The Forty Days The Dialogues Revelations and Knowledge and The Probations Unlike most other mystical works in the Western tradition Maria Maddalena's visions have a distinctly oral nature Maria Maddalena's mysticism lies in her interpretation of oral language She believed that God wanted her to speak his being      **Expositio et quaestiones in Aristotelis De anima**
