*Easter Egg and other poems of faith, hope, & love* Daniel W Pannebaker, 2014-07-29 ONE OF THE most well known passages in the Bible and perhaps in all of literature is the thirteenth chapter of St Paul's first letter to the Corinthians often called the love chapter In it Paul extols the qualities of love and ends his writing by stating And these three abide faith hope and love These three virtues have guided me during my days on this earth A faith that draws me daily to admit my inadequacies and to ask for the grace to live a life worthy of His calling A hope that continuously compels me to be a stronger person a brighter light a better writer A deep and abiding love for God my family my friends I have tried to express these virtues in the poems I share with you here The majority of my poems do not rhyme Instead I like to build a rhythm in my writing by how I break each line in a verse so that your eye is constantly yearning for the next word For something different I have included two examples escape and Lovers and Other Strangers of concrete poetry a form developed in the 1950s in which the physical shape of the words on the page adds as much meaning to the poem as the words themselves And with a nod to my Bachelor's degree in Russian I also give you with its translation on the following page I recently took one of those online quizzes about what type of writer are you My results said that You write because you feel a deeper calling to the work and because you want to explore the soul element of life You're not shy of adding a moral to the story and most want to reach readers who will understand your unique view on life Writing is more than just putting words on paper for you it is a written prayer And to that I can say only Amen

*The Interaction Between Law and Love in the Pauline Writings* Pandelani Paul,2015-07-16 There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals Gods character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at

law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God
