Song of Songs Gianni Barbiero, 2011-04-26 This book puts forward an interpretation of the Canticle which is alert to the literal sense of the poem The author thus distances himself both from the allegorical interpretation and from an interpretation that is purely secular According to the author the Song offers a theological vision of human love Barbiero sees the Song as composed in the third century BC in the Hellenistic epoch but also as hugely dependent on the love poetry of the Ancient Near East particularly that of Egypt Above all however the Song was composed in dialogue with the other books of the Old Testament especially in contrast with the negative view of sexuality which they represent The study pays particular attention to the structure of the poem and of the individual cantos for Barbiero the Song is a closely unitary work and is only to be understood as a whole

Beyond the Sunset Ron Shafer, 2023-08-31 In Beyond the Sunset the sixth novel in Ron Shafer s There Is a River saga two cultures repeatedly collide Jude and Cory s world of love embodied in their beautiful wedding and honeymoon clashes with the world of the carnal thugs The intelligent Todd Cravener pitifully caught in the crossfire between the two worlds deals with the overwhelming guilt of his girlfriend s death Is there hope for such misdirected people who botch their lives so completely In the words of one reader Todd is like many people today forlorn hopeless and scared The lives of the antagonists and the protagonists of these two worlds crisscross in a series of breath taking episodes which build to a riveting climax during Kittanning s Light up Night when the inebriated stooges kidnap two innocent people That a reader shares is one of the most suspenseful scenes I ve read in modern fiction My pulse soared Will the daring rescue scheme succeed
