*Love's Courtly Ethic in The Faerie Queene* John Rooks, 1992 This book focuses on the reassertion of the value of courtly love in The Faerie Queene To this end it offers a radical reappraisal of the Bower of Bliss of Florimel's career and of Amoret's relationship with Busirane The author argues that in order to enhance the inadequate moral and spiritual vision of medieval courtly love Spenser unites it with the medieval and Renaissance literary tradition of the wild man which provides a vigorous alternative to the vacuities of the contemporaneous pastoral with its lymphatic lovers **The Character of Britomart in**

**Spenser's The Faerie Queene** Joanna Thompson, 2001 Provides a more comprehensive account of Britomart than any previous writer on The Faerie Queene has offered Her approach which is thoroughly grounded in contemporary theory nevertheless manages to avoid the opacity of so much theoretically based writing Intellectually sophisticated but blessedly clear and unpretentious Joanna Thompson's study negotiates the complex issues of cultural confusion in Spenser's representation of his most important female construct *Humanistic Studies*, 1994 **The Longman Anthology of**

approaches Spanish autobiography from the perspective that no significant formal distinctions exist between fictional and nonfictional discourse It demonstrates that formulas as diverse as those created by Santa Teresa and Cela's fictional Pascual Duarte depart from the same narrative tradition that attempts to transform the creative subject by means of aesthetic principles The autobiographers compose their stories both to produce and to verify a personal transformation In both spiritual autobiography and secular confessions the conversion is developed in the form of Christianized romance that includes the stages of fall exile and redemption The author shows how this underlying structure is undermined by the

autobiographers themselves The promise of renovation through art is revoked as the language that makes the transformation possible is shown to be unstable and therefore incapable of representing an image of either the old or the supposed new self The writer becomes a pilgrim who never arrives at Judea International Books in Print, 1995 Barbara Hopkinson,[Anonymus AC01401231],1995 *Peter Sterry* Peter Sterry,1994 This book presents letters treatises and poems from the manuscripts of Peter Sterry 1613 1672 at Emmanuel College Library Cambridge It is the first edition that includes complete writings by the chaplain of Oliver Cromwell friend of John Milton and one of the most imaginative writers of English Puritanism Sterry provides a unique portrait of nonconformist religious and social life during the period of the great persecution **Lady in the Labyrinth** William Shullenberger,2008 The book s study of Milton s identification with his female hero and his advocacy of women s ethical sexual and political autonomy gives a jolt to ongoing debates about Milton and feminism Book jacket Bibliographic Guide to Psychology New York Public Library.
