## Loves Haven:

**Writers' Haven** POETRY PLANET Individual Poets, [Love Is... Bible Study Guide](#) Jenna Lucado Bishop,2013-03-04 What is love This six week Bible study helps teen girls understand what true love looks like By focusing on the life of Jesus these girls will come to understand that Love is first and foremost a Someone The more we understand Jesus the more we understand God s original intent behind this overused abused and muddled word love Each week girls will do an in depth study of one of Jesus relationships described in the Bible By examining the way Jesus interacted with others they will see the perfect example of love Through four repetitive phases read realize respond and retain teen girls will learn a method of studying the Bible that they can apply to any Scripture passage and that will motivate them to read more frequently and independently in the future By analyzing the Bible stories each girl will in turn be able to analyze her own relationships to see if they are based on God s idea of love and will walk away with a deeper understanding of the love relationship God seeks to have with her Features include 6 sessions of study

**Love Disconsoled** Timothy P. Jackson,1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsoled it neither fears death nor despises life

**Love and Spirit** Thomas R. Martin,2015-10-22 Who is God What must we come to know in order to know God What is the kingdom of Heaven What sums up God s law that all the prophets spoke to What is the source of the universe and all that exists What binds us to God and to one another Why did He come into our world What gives us eternal life What is the great beginning and the ultimate end Is there something truly universal that we can come to know answering all of these questions Love and Spirit says there is presenting one word that could explain everything It lives in the hearts of all people waiting to be discovered nurtured and understood love

Jennie Lee s *Breathing Love* is extraordinarily important because our country and our world are afflicted by a tsunami of separation directed toward the other This pandemic of separation and hostility now threatens our future In elaborating on love Lee provides a path not just for personal psychospiritual growth but also for the survival of our species Larry Dossey MD author of *One Mind* *Breathing Love* is brimming with inspiration for those building or expanding a practice of meditation not just as a self care practice but as a means to heal our hurts and fill our hearts with calm trust and LOVE Agapi Stassinopoulos author of *Wake Up to the Joy of You* Brilliant elegant and easily practical for those just getting into meditation and for the seasoned veteran This is a book to cherish filled with good stories from Jennie s remarkable life of devotion Stephen G Post author of *Why Good Things Happen to Good People* and president of the Institute for Research on Unlimited Love This book will set you on the path to healing and to seeing relationships in a whole new light Through her personal stories Lee illustrates the way we can evolve consciousness from fear to love an essential skill for everyone s inner peace Gerald G Jampolsky MD co author of *Aging with Attitude*      **The 5 Love Needs of Men and Women** Gary Rosberg, Barbara Rosberg, 2001-04-18 Lists the top love needs of husbands and wives and discusses how to meet those needs from a Christian perspective      Love's Enlightenment Ryan Patrick Hanley, 2017-03-30 This book examines the transformation of the traditional understanding of love by four key Enlightenment thinkers Hume Adam Smith Rousseau and Kant      *Do Love* Andrew Rankin, 2013-03 We re all love hacks but it doesn t have to be this way Jesus gave a new teaching on the eve of His crucifixion Love one another as I have loved you He said that His followers would be known for their love Yet few have experienced His love Fewer still actually love like Him As a recovering love hack Rankin knows firsthand the struggles of moving beyond feelings and good intentions into the reality of loving others through actions For love to become a way of life we need to follow Jesus down a clear path *Do Love* is a fresh call to establish love as the distinctive Christlike trait in our lives      Love in America Francesca M. Cancian, 1990-08-31 In the last twenty five years Americans have gained considerable freedom in thier personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other *Love in America* compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images

of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian's argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as well as appeal to a wide general audience

**Defining Love** Thomas Jay Oord, 2010-06-01 Some scientific studies suggest that human beings are innately selfish and that Christian virtues like self sacrifice are a delusion In this intriguing volume esteemed theologian Thomas Jay Oord interprets the scientific research and responds from a theological and philosophical standpoint providing a state of the art overview of love and altruism studies He offers a definition of love that is scientifically theologically and philosophically adequate As Oord helps readers arrive at a clearer understanding of the definition recipients and forms of love he mounts a case for Christian agape and ultimately for a loving God

Scrutinizing Love Arushi Sharma, 2020-10-27 A wide youth population of the world isn't really aware of true love Many curious minds want to find the exact answer to the question what is love The truth is love is a type of blackhole which just contains so much inside Have you ever wondered about true love Have you met your significant other or are you yet to meet the one In either cases you must know that love is most often confused with infatuations and obsessions your love life should be soul satisfying and you shall not fall for the wrong ones and shan't enter into messy breakups in life But how can you prevent that You will find the answers in here The objective of this fusion fiction is to invoke the true sense of love in the readers and clear away the clouds of doubts and the mist of myths about pure love Go through some real life scenarios in here and evaluate yourself about the stories which will make you recognize the aspects of true love Love ain't easy and relationships don't work eh Perhaps you might discover some new details that can change your perspective about relationships Let us peek into the blackhole of love and find out what are the psychological philosophical and scientific properties of love and how essentially love is associated to human life if practiced correctly The book in your hand is a promise that you would be able to absorb the genuine particulars about love when you finish reading it
