Coll,2025-01-14 Wild nights and hot flings are all fun and games until someone falls in love Single dads don't get to have many things to themselves Which is why I greedily hoarded my um adult time with the sexy as sin tourist who stayed at my family's ski lodge whenever she was in town I didn't even tell her about my son And that was fine Who had time for romance anyway Certainly not me Then we got snowed in together right before Christmas and everything changed Spending time with Carolina in forced proximity made me realize just how amazing she is How perfectly we fit together How much I want to keep her here after the snow melts But she has a life of her own far from my small town I can't ask her to give that up for a readymade family My only question now is how I'll be able to go back to my real life when she leaves and takes my heart with her

Wild Promises Lea Coll,2025-02-11 It takes more than wild promises to get to happily ever after Especially for us I thought my best friend forgot about the marriage pact we made when we were kids She didn't See Tori needs to prove to her dad that she's committed to staying in our small town and taking over his medical practice What better way to do that than getting hitched here It would benefit me too After all proving to my brothers that I was committed to running the family business had become a struggle So I agreed to a fake engagement of sorts And now I'm in trouble Big trouble Because being with her like this It's made me long to turn our fake relationship into a real one Tori is smart Driven Distractingly hot She's perfect There's really only one thing keeping us apart Too bad that one thing is me and the fact that I'll never be good enough for her Wild Promises book 4 in the Wilde Brothers series a spicy friends to lovers fake relationship contemporary romance that can be read as a standalone Download today and welcome to the family

Wild Hearts Lea Coll,2025-03-11 They say that wild hearts once lost can never be recaptured But that won't stop me from trying After years in the military I thought nothing could surprise me I was wrong Because as it turns out I have a daughter I'm ready to do anything for her now that I have custody But I need help And under normal circumstances I'm sure her social worker would be happy to provide it Except her social worker is my first love The one whose heart I shattered when I left our small town all those years ago Addison is more beautiful than ever It's not long before I realize I'm still hopelessly in love with her And she wants nothing to do with me So now I have to figure out how to be a single dad to a teenager and convince Addison that I'm worth a second chance It certainly won't be easy Guess it's a good thing I have no intention of ever giving up on either of my girls Wild Hearts is a spicy surprise baby contemporary romance that can be read as a standalone Download today for wildly fun romantic escapism

Wild Love Lea Coll,2024-11-12 Nothing is wilder than forbidden love I'm learning that the hard way Scarlett is a free spirit in every sense of the word She's sexy Chaotic Used to getting whatever she wants And right now She wants me The problem is that she only plans to be in our small town for a few weeks She has no intention of putting down roots here or anywhere else And she's my best friend's completely off limits sister I wish I could say the story ended there That I kept my mind and hands off her Spoiler alert It wasn't and I didn't Turns out that ignoring our chemistry was impossible But now I'm in trouble because I've started to fall for a woman who isn't afraid of anything except being tied down

Meanwhile my biggest fear is losing the love of my life when she realizes the lengths I m willing to go to for a happily ever after Wild Love Book 1 in The Wilde Brothers series is a spicy brother s best friend neighbors to lovers contemporary romance What Is Love? Influence Helen May Dennis,2000 This collection of twenty essays investigates a series of different aspects of poetic influence in relation to the major modernist poet Ezra Pound The volume commences with five essays on matters to do with translation and poetic influence which situate Ezra Pound as an important transitional figure between 19th century and 20th century translation strategies The next five essays consider different influences on Pound s poetry and introduce the reader to new research in a variety of areas including how specific Chinese cultural artefacts inform his poetry The following five essays explore Pound s influence on some of his major contemporaries such as Eugenio Montale and Charles Olson and also through the reading he gave her as a girl on his daughter Mary de Rachewiltz The concluding five essays exemplify different approaches to the thorny issue of Pound and politics and end with two diametrically opposed interpretations of Pound s political poetic thought The collection will be of great interest to scholars of Ezra Pound and of modern to postmodern poetry

but it will also serve as a useful and lively introduction to some of the debates within Pound scholarship to students coming to his work for the first time

Wild Things Jack Halberstam, 2020-10-02 In Wild Things Jack Halberstam offers an alternative history of sexuality by tracing the ways in which wildness has been associated with queerness and queer bodies throughout the twentieth century Halberstam theorizes the wild as an unbounded and unpredictable space that offers sources of opposition to modernity s orderly impulses

Wildness illuminates the normative taxonomies of sexuality against which radical queer practice and politics operate. Throughout Halberstam engages with a wide variety of texts, practices and cultural imaginaries from zombies, falconry and M. NourbeSe Philip's *Zong* to Maurice Sendak's *Where the Wild Things Are* and the career of Irish anticolonial revolutionary Roger Casement to demonstrate how wildness provides the means to know and to be in ways that transgress Euro American notions of the modern liberal subject. With *Wild Things* Halberstam opens new possibilities for queer theory and for wild thinking more broadly.
