 - Peter calls us "a people for his own possession" (1 Peter 2:8)
 - We belong to God and He loves us!
- "Paul wants us to appreciate the value God places on us who are in Christ." – Tony Merida

The Elite Rock Forsberg,2024-01-10 No matter how fast you fly you can t outrun your past In this heart pounding conclusion to the ARL series Zane Silvering faces his most formidable challenge yet The young pilot known for his dramatic past is back in action with a new racing team But the shadows of his history loom large threatening to shatter everything he holds dear As he hurtles through high speed races on ludicrous circuits across the galaxy Zane must confront not only the ruthless competition but also the haunting echoes of his past Amidst the chaos of the racing world a spark of romance ignites and Zane finds himself torn between the thrill of the track and the allure of a love that could change everything As his heart races on and off the track the tension pushes at him from all sides With his racing team s fate on the line Zane must find the strength to replace his fear with trust when everyone seems to be playing a game The decisions he makes will not only shape his future but also the future of everyone in the ARL If you ve been on this breathtaking journey with Zane from the very beginning The Elite promises an electrifying climax to the series where the heart pounding action is matched only by the intensity of newfound relationships Get ready for one last high adrenaline ride that will leave you breathless on the edge of your seat and believing in the indomitable spirit of camaraderie and love Don t miss out on the epic conclusion secure your seat for the final race now *Sweet Love Low Cries* Catherine Ann-Marie Palmer,2012-07-12 Catherine Ann Marie Palmers book entitled Sweet Love Low Cries contains a collection of inspiring words which exhibits trials and challenges but ends with what God can do for us if we only take up our bundle of burden our crosses and follow Him *Out of Love for My Kin* Amy Livingstone,2011-02-23 In Out of Love for My Kin Amy Livingstone examines the personal dimensions of the lives of aristocrats in the Loire region of France during the eleventh and twelfth centuries She argues for a new conceptualization of aristocratic family life based on an ethos of inclusion Inclusivity is evident in the care that medieval aristocrats showed toward their families by putting in place strategies practices and behaviors aimed at providing for a wide range of relatives Indeed this care and in some cases outright affection for family members is recorded in the documents themselves as many a nobleman and woman made pious benefactions out of love for my kin In a book made rich by evidence from charters which provide details about life events including birth death marriage and legal disputes over property Livingstone reveals an aristocratic family dynamic that is quite different from the fictional or prescriptive views offered by literary depictions or ecclesiastical sources or from later historiography For example she finds that there was no single monolithic mode of

inheritance that privileged the few and that these families employed a variety of inheritance practices Similarly aristocratic women long imagined to have been excluded from power exerted a strong influence on family life as Livingstone makes clear in her gender conscious analysis of dowries the age of men and women at marriage lordship responsibilities of women and contestations over property The web of relations that bound aristocratic families in this period of French history she finds was a model of family based on affection inclusion and support not domination and exclusion **Crowned with Love and Mercy** Jennifer Kirkes,2016-07-19 As women we live in a culture where importance is placed on image position ability and socio economic status The world admires such traits and devalues the lack of them But the world has it all wrong We simply cannot derive our worth from these shakeable and changeable conditions Even our pasts can keep us imprisoned from seeing ourselves through Gods eyes and cause us to wrongly determine our worth In this study we will go to our unchangeable Creator God and grasp His view of us and His purpose for our lives while releasing wrong mindsets that have kept us from moving forward Will you accept Jesus invitation through this study to draw near to Him and find your eternal unshakeable worth and identity in Him *Kinship, Love, and Life Cycle in Contemporary Havana, Cuba* Heidi Härkönen,2016-04-21 Kinship Love and Life Cycle in Contemporary Havana Cuba is an ethnographic analysis of gender kinship and love in contemporary Cuba The book documents how low income Havana residents negotiate their social relations through gendered caring practices over the life cycle from birth to death **A Nonviolent Theology of Love** Sharon L. Baker Putt,2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance *Psalms 1-50* Craig A. Blaising,Carmen S. Hardin,Thomas C. Oden,2008-11-14 The Psalms have long served a vital role in the individual and corporate lives of Christians The church fathers employed the Psalms widely as hymns Scripture readings counsel on morals forms for prayer and apologetic and doctrinal wisdom In this ACCS volume readers will find rich comment and theological reflection from more than sixty five ancient authors *Faith Working Through Love* Tyler Robbins,2025-01-17 The message of Galatians is that life in God s family is about faith working through love nothing else matters If believers trust in anything but Jesus and his message to declare them righteous in God s sight then they have

missed the boat Paul wrote this letter to a group of churches that were confused and misled by false teachers with bad motives people who accepted a dash or two of Jesus but also wanted to bring their resumes to God Things aren't so different today But Galatians can be confusing So many people have so many different opinions about it How did one become a believer under the Old Covenant Is it different now that Jesus has come What are the works of the law that Paul writes so much about and what do they have to do with salvation Was a believer's motivation for serving God different in King David's day than it is since Jesus came This commentary by a bi-vocational pastor will help Christians understand the letter to the Galatians It explains the apostle's timeless message in everyday language for ordinary people so they can love God more and serve him in love **Love's Hidden Symmetry** Bert Hellinger, Gunthard Weber, Hunter Beaumont, 1998 **Come Back**

Home my Son, I Still Love You Fomum Zacharias Tanee (author), 2016-07-04 Based on the story of the prodigal son who having left his father went to a far country with his share of the inheritance which he wasted in wild living and debauchery Finally exposed to hunger and poverty he came back to his senses and decided to return to his father who welcomed him and restored him In this book Z T Fomum clearly elucidates the thought of God Although He has offered man everything he needs to live He offers him the freedom to choose to stay with Him Often a person chooses his way rebels practices a life of independence manifested by sin While he is coping things can only go from bad to worse However God in His mercy is ready to forgive restore and uplift anyone who confronts his error and decides to come back to Him This book illustrates the unlimited love of God who rejects no one who is ready to bring back anyone who has rebelled against Him to his best and in union with God the Father the Son and the Holy Spirit It's a highly recommended book **The Complete Poetical Works of Whittier** John Greenleaf Whittier, 1894 **The Poetical Works of John Greenleaf Whittier, with Illustrations** John Greenleaf Whittier, 1892
