Shadows of Love Bonnie Pike, 2011-02-10 Where does someone find inspiration If you ask a roomful of writers where they get theirs you will probably get a room full of answers all of them totally different from the next For some it can come in the form of a loved one the one you picked up and held in your arms when they were born or the one you held as they breathed their last breath For some it can be found in a walk on a brisk N Y autumn day sharing the sun with crimson colored leaves For some it can even be found in the smell of hot coffee brewing on a morning after Or that illness that everyone feels at some time in their life but which the worlds best doctors and surgeons cant put their hands on it to heal heartache Within the confines of the cover of this book you will find a writer who has found her inspiration in all of these things and managed to take all of these special moments place them in poetic form and allow the reader to feel in their own right all of the things that consist of what we humans call life
