India is a treasure trove of folktales born out of the customs and traditions of the country Sometimes these tales are retold in its different regions while imparting the local flavour to them The mobility of the folktales can be attributed to the pilgrims and travellers journeying from one part of the country to another They rested at night in dharamsalas or inns often attached to temples where they mingled among themselves and with the local people More often than not folktales are passed on from grandmother to grandchildren so vividly that they are impressed in the listener s memory forever They are delightful and fascinating to the young as well as the old The same story even when heard repeatedly does not lose its interest as it appeals to the fantasies the make beliefs and the primitiveness in us These beautiful folktales of India were on the verge of extinction when a project of compilation of 21 volumes consisting of folktales of different regions was launched by Sterling These folktales have been gleaned from the larger collection Loved by the Billionaire Tycoon 3 Danielle Jamesen,2016-09-09

Loving with Demons Hana Mahmood, 2024-05-30. I have no words. It is definitely one of the best books I have ever read. It was written so beautifully, and it was like seeing the reflection of my last relationship on every page. Truly amazing. My heart let down its hundreds of walls. But all I was loving were his demons. I met him at a party, staring at me from across the room, eyes the colour of midnight. Like I was an undiscovered species that had fallen in his lap at the exact moment he was searching for his prey. The way he pursued me was fatal. Our minds and souls were attracted like magnets. I had no idea I was selling my soul to the devil. At first, our love burned beautifully. Furiously. But then the fire grew out of control. It destroyed everything we created. The flames uncovered the truth about the man I gave my heart to. They exposed the demons hiding in the darkest parts of him. Nero. The love of my life. The narcissist. Loving him left me broken. Lost in the ashes of our relationship. Picking up the pieces of myself I had killed to be with him. The versions that had died in Nero's arms. But my story doesn't end there. This phoenix rose from the ashes and rebuilt her life. I have my battle scars, but I'm free. I am Livia Dahlia. And I finally choose me. This is not a love story. It's a cautionary tale. *Loving With Demons* is an emotional, seductive, and completely unputdownable page-turner. This is a story about dark desires, deadly obsession, and the dangerous line between love and hatred. Perfect for fans of Colleen Hoover's *It Ends With Us*. Verity and Never Never. Readers are obsessed with *Loving with Demons*. Truly beautiful, haunting, and lyrical. It really was beautifully written. This book was like having therapy. A masterpiece. Truly amazing. I loved reading this book.

Exceptional.

[Two Paths](#) Craig W. Douglas, 2023-10-31. There is a way that appears to be right, but in the end, it leads to death. Proverbs 14:12 NIV. As terrifying as it is to get lost in the wilderness, it's much worse to lose your way in life. But God has not left us alone to figure it all out. He's given us everything we need to find our way. *Two Paths* provides a biblical map to find the best trail, stay on it, and experience a fantastic journey with Jesus.
