Creighton, 2019-02-05 FIND HAPPINESS AND FULFILLMENT THROUGH RATHER THAN DESPITE YOUR DIFFERENCES Dr James Creighton has worked with couples for decades facilitating communication and conflict resolution and teaching them the tools to build healthy happy relationships He has found that many couples start out believing they like the same things see people the same way and share a united take on the world But inevitably differences crop up and it can be profoundly discouraging to find that one s partner sees a person situation or decision completely differently Although many relationships flounder at this point Creighton shows that this can actually be an opportunity to forge stronger ties In *Loving through Your Differences* he draws on the latest research in cognitive science and developmental psychology to show how we invent our realities with our perceptual minds He then provides clear concrete tools for shifting our perceptions and reframing our responses The result moves couples out of the fear and alienation of your way or my way and into a deep understanding of the other that allows for an our way As Creighton shows this way of being together based on the reality of individuality rather than the illusion of sameness sets the stage for long term excitement discovery and fulfillment *Love, Across All Languages* Jotham Ndanyuzwe, 2024-02-08 *Love Across All Languages* A Global Journey s major lesson is approaching love relationships personal growth and community development from a wide viewpoint Empathy shared experiences self awareness cultural openness appreciation resilience and stability are all tools that may be utilized to create a vivid tapestry of love This tapestry may remind you of the book s basic themes and a starting point for your progress As you begin on this voyage may your connections become stronger your maturity level climb swiftly and your friendships develop in ways that transcend borders and last a lifetime This book invites you to move beyond your cultural expectations and biases by exploring the universality of love To use this notion in your interpersonal connections try cultivating openness and inquiry rather than judgement To put yourself to the test learn about your partner s history and culture and encourage them to do the same Your connection will get stronger as you communicate more and develop your viewpoints *Love Across All Languages* A Global Journey may serve as a beacon for your path to love and personal development You may build your relationships and deepen your connection by including the values of open communication vulnerability flexibility mutual support continuous education and accepting obstacles Like the characters in the tale you might go on an adventure learn new things about yourself and the world and strengthen your connections with others Utilizing your life story to communicate your interpretation of the timeless ideas

wanted to have a good man but could not find one on my own I am a single mother with four children who had a horrible past that infected my thinking pattern towards men in general Some folks with this type of insecurity go and see therapist but decide to consult God about this issue In result of finding God I found the truth why many of women are single and the main reason is that we hold on to a lot of hurt that mess with our mind and thinking When I began to contact God for myself when I was out the sight of church my family and friends I was faced alone in the mirror with myself And as I confront issue that was pulled up by seeking God it showed me the true answer to what I and many women ask God What happen to the good men is a book about my life that will inspire some and encourage other but important give you courage to face you I also show the importance of why having a relationship with God for yourself is necessary And in the end you will see that God s yoke is easy and burden is light When I tried to find a good man on my own I was picking the wrong one because of me not the men But when I finally decide to detach myself from my own issues and come outside myself I got free and love found me
