

A dramatic landscape featuring snow-capped mountains in the background and a large, dark, rocky formation in the foreground. The scene is misty or smoky, creating a sense of mystery and grandeur. The text is overlaid on the central part of the image.

My prayer today is that we will feel the
loving arms of God wrapped around us,
and will know in our hearts that He will
never forsake us as we trust in Him.

markers of young women's godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader
