Radical Loving Care Erie Chapman, 2003 What is radical about providing loving care The radical concept is that each and every caregiver in today s hospitals should be providing loving care to their patients and to each other In the same vein each and every leader in our hospitals should be taking care of those who care for others This work addresses healthcare leaders through illustrative examples and compelling outcomes that demonstrate the success of the Healing Hospital model in today s hospital Training tools are also provided to help leaders and employee partners construct and advance a culture of loving care in today s technocratic hospital setting [Tender Loving Care](#) Andrew Neiderman, 2012-02-07 Michael loves his wife but after the tragic accident to their daughter Lillian Miriam was untouchable like a dream Desperate hoping that his living nightmare will finally end and yearning to lie once again in the arms of his beautiful wife Michael hires a nurse to care for his beloved But though Nurse Randolph s powerful presence has done wonders for Miriam the nurse s ominous yet erotic
