McAlpine, 2013-05-22 How does one determine the readiness of any candidate for leadership in ministry Whether considering vocational ministry leadership or a position on a local board of elders or deacons without question knowledge and skills are essential But an individual's readiness for leadership and ministry cannot be assessed solely on the basis of academic transcripts or impressive statistics found in a pastor or lay leader's annual report While embracing knowledge and skill as essential to effective leadership and ministry the author demonstrates how these dimensions are inadequate unless rooted in that which is less quantifiable namely heart readiness But what does heart readiness entail or look like in the life of a leader in ministry In a word that is grossly overused and profoundly misunderstood love and more specifically love for the right things in the right way for the right reasons This book is intended for those being trained in the bible college or seminary classroom but also for lay leaders already engaged in virtually any ministry context as well Readers are encouraged to consider and cultivate four essential loves love for God's Word for Christ's church for one's neighbor and for oneself **Recovering Biblical Manhood and Womanhood (Revised Edition)** John Piper, Wayne Grudem, 2021-01-11 A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot button topic the church is not immune to the controversy In fact the church has wrestled with varying degrees of evangelical feminism for decades As evangelical feminism has crept into the church time trusted resources like Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say In this edition of the award winning best seller more than 20 influential men and women such as John Piper Wayne Grudem D A Carson and Elisabeth Elliot offer thought provoking essays responding to the challenge egalitarianism poses to life in the church and in the home Covering topics like role distinctions in the church how biblical manhood and womanhood should work out in practice and women in the history of the church this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever changing culture Leading a Healthy Multi-Ethnic Church Mark DeYmaz, Harry Li, 2013-05-16 Increasingly church leaders are recognizing the power and beauty of the multi ethnic church Yet more than a good idea it's a biblical first century standard with far reaching evangelistic potential How can your church overcome the obstacles to become a healthy multi ethnic community of faith And why should you even try In Leading a Healthy Multi Ethnic Church formerly titled Ethnic Blends Dr Mark DeYmaz provides an up close and personal look at seven common challenges to creating diversity in your church Through real life stories and practical illustrations DeYmaz shows how to overcome the obstacles in order to lead a healthy multi ethnic church He also includes the insights of other effective multi ethnic church leaders from the United States and Australia as well as study questions at the end of each chapter Leading a Healthy Multi Ethnic Church describes what effective local churches in the 21st century will look like and shows us how to create them together as one beyond race and class distinctions Miles McPherson Senior Pastor The Rock Church San Diego CA Mark DeYmaz perhaps more than any
