Rosen, Rachel Rosen, 2020-09-23 This new edition of *Lesbianism* allows one to understand lesbianism as a way of life The original 1965 1966 research study is included in its entirety Unlike Freud who based his view that lesbianism was a mental disorder on a single case study this breakthrough and innovative research project concerns interviews and psychological testing of 26 lesbians who were not psychiatric patients And as one would predict these lesbians were not disturbed as far as mental health was concerned The original research was done before homosexuality was removed as a mental disorder It seems odd today to even consider Freud's view as accurate We have come a long way in recognizing that one's sexual preference is just that This study was a pioneering one that disproved a false idea that lesbianism was evidence of an emotional disorder And this 2020 edition includes a conversation about the book with Rachel Rosen who is a lesbian The dialogue between the author and his daughter provides insightful questions and a true understanding of lesbianism **Connecting** Roy M. Berko, Lawrence B. Rosenfeld, Larry A. Samovar, 1997 Using a competency based approach this text provides a complete overview of the research and theories of interpersonal communication This integrated approach stresses the development of communication competencies including skills understanding of the theory and research that contextualize the skills and make them relevant to learning and the motivation to put the skills into practice The inclusion of intercultural and gender material throughout the text makes *CONNECTING* relevant to the students daily communication **Wild Mustang Security Firm Box Set - Books 4-6** Delta James, Maren Smith, 2022-02-24 The men of the Wild Mustang Security Firm are tough strong and wildly dominant Meet the men and the women they love Noah Enemies to Lovers Small Town Romance Zara does NOT want a relationship with a dominant man Noah wants a sweet submissive woman What they get is the last thing either of them wanted each other Zara Hughes had her life all laid out Find a great story write it and win awards and accolades And if the story is dangerous all the better The last thing she wants is a relationship with a hot dominant alpha male Noah Taylor knows what he wants in his life danger and excitement in his job peace and quiet at home When a notorious arms dealer puts Zara in the crosshairs of a sniper's bullet the two must stay together to stay alive Together they begin to solve the mystery and find that opposites really do attract and magnetic
